WELCOME

WE ARE DELIGHTED TO WELCOME YOU TO TODAY'S COUNTY CUP FINAL

A warm welcome to all the players, coaches, volunteers and supporters of both competing teams and also the match officials for this prestigious County Cup Final.

With 1,200 clubs with a combined 5,200 teams and 77,000 players playing all formats of the game within our boundary, every team that makes it to one of our 14 County Cup Finals should be rightly proud of their achievements.

The previous two years have been difficult with limited amounts of football played due to Covid but we have again received over 500 Cup entries across all of our competitions so the winners can proudly carry the mantle of County 'Champions' which also brings with it the kudos but added responsibility of playing and behaving in the manner that befits the title.

It is also a big day for our match officials who have also dedicated hours and in some cases many years in the middle and on the side-lines at all levels of the game in order to have been selected to represent our 1,200 Birmingham County FA officials at today's final.

I'd also like to take the opportunity of thanking the thousands of volunteers for all the work they do throughout the season to simply help and administer and improve their clubs and teams – more often than not unpaid. Without the range of volunteers at every level of the game and at every club and league, then the game as we know it would not exist, especially grassroots and as part of the celebrations, we will be presenting a volunteer award which each finalist has nominated as a thank you.

I'd also like to thank my colleagues at Birmingham County FA for all the work they do and the support they offer in order to promote, govern and develop the game.

Enjoy the game and celebrate your achievements before, during and after the game and whilst recognising and respecting the opposition and their efforts along with those of the match officials.

Play well and enjoy the memories and friendships that the fixture brings.

REFEREE

TOM BARTLETT

It's great to receive my first first cup final on the back of a tough last few years for everyone. This is now my 9th season refereeing and this final tops of a great season which also included me getting promoted to level 4. I look forward to working with my team for the game and capping off a good season for us all with this prestigious county appointment.

ASSISTANT REFEREE

YONGMANN CHUNG

ASSISTANT REFEREE

DOMINIC MASON

I started refereeing when I was 15 and completed the mini referee course in Autumn 2019. I then took the option to develop to become a 11v11 referee and successfully passed the Conversion Course in August 2020. I have continued my development this year aiming for Promotion to level 6 in May 2022. I have gained a lot of skills and experience particularly during this last year, officiating 20 open age games, and taking the laws of the game exam. The support and development sessions during the past year from Birmingham County FA has helped me to become a more confident referee, so I feel very privileged to have been appointed to this game.

FOURTH OFFICIAL

NATHAN CHARLES

I have been a referee for 7 years, during that time I have been privileged to have worked with many great people and teams. I have refereed at West Bromwich Albion's academy and training ground, St Georges Park, the Hawthorns. I have also officiated on a premier league tournament at Warwick University and hope this is the start of a long journey within refereeing. So far, I have gained 3 promotions with my Level 4 promotion being achieved Monday! I aspire to reach the very highest level of the game. Being appointed to a County Cup Final is an absolute privilege and I am looking forward to the game.
