## DISCOVER THE OPPORTUNITIES AVAILABLE THROUGH THE 1884 CAMBRIDGESHIRE FA BUSINESS CLUB.

Cambridgeshire Football Association just launched the 1884 Business Networking Membership.

The goal of this concept is simple: to bring together the Cambridgeshire industry, enterprises, charities and individuals to network and do business together. All of this within inspiring venues and attractive locations, with events in Cambridge and beyond. Each event will be hosted by Cambridgeshire FA, where we will provide you the business platform (usually around a football match or other event).

Cambridgeshire Football Association is a not for profit company with a sole focus to grow grassroots football in the region. I am sure at some point you, your family, colleagues or employees have benefited from taking part in organised football under the auspices of Cambridgeshire FA.

Furthermore, we also welcome sponsorship from the national and local business communities in order to offer football opportunities to all at a reasonable cost, so securing the long term future of football in the County.

Please get in touch to discuss any sponsorship or membership related queries. Details about the 1884 Business Networking Club are available below.
