Football Development Newsletter

A new football programme called 'Kickstart' has launched at Neale Wade Academy in a bid to drive young people away from anti-social behaviour. Kickstart is a recreational football programme supported by Cambridgeshire Football Association (FA), Cambridgeshire Constabulary and Freedom Leisure. Sessions are open to boys and girls aged 14 to 16 years and the training will be provided by a qualified FA coach.

Participants will have the opportunity to achieve the FA Junior Football Leaders award and will also have the option to obtain an FA Referee qualification and/or an FA Level 1 in Coaching Football. Once qualified as a referee the individual will be able to earn a bit of extra money by signing up to referee football matches with local grassroots clubs. The FA coaching badge will allow the individual to coach a grassroots football team of their own. The programme will provide 26 weeks of football activities.

There is no need to book, you simply turn up and play. Anyone wanting further information about the scheme is asked to email

## Cambourne JFL Course

On Thursday 12th March, 13 students from Cambourne Village College completed their Junior Football Leadership Award by delivering a mini football festival for their year 7 pupils. The award delivered as part of our Kickstart programme by County Coach Developer Jackie Bushell aims to provide the students with a basic understanding of leadership skills that may be used within the game and beyond.
