WELCOME

Dear Football Family,

We hope you're keeping safe and well.

Thank you to you all for all your hard work in getting football restarted - the efforts to adhere to FA and Government guidance has been incredible, and instrumental in keeping football going. Thank you!

If you have any questions, please get in touch and one of the team will be happy to help.

Stay safe, from all at Cambridgeshire FA

SAFEGUARDING

FA GUIDANCE

SAFEGUARDING FOR ALL

SAFEGUARDING FOR ALL

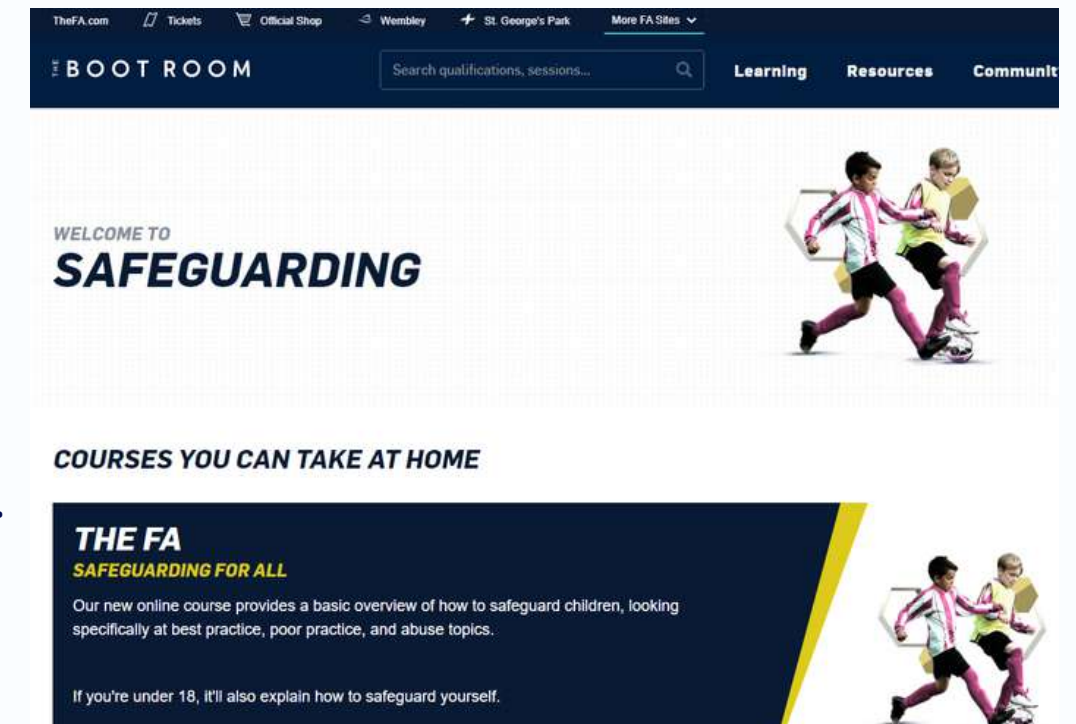

INTRODUCTION

This course is for **everyone**. It provides a basic overview of how to safeguard children and examines what we mean by:

- best practice
- poor practice
- abuse

If you're under 18, it'll also explain how to safeguard yourself. To keep our guidance up to date, this course has a two-year expiry. We'll let you know when it's time to renew.

Important: This course does not replace the online Safeguarding Children Recertification course.

PARENTS

THE SPORTS PARENTS PROMISE

**Parents in
Sport Week**

5 - 11 October 2020

LET'S TALK ABOUT KEEPING CHILDREN SAFE IN SPORT

PARENTS IN SPORT WEEK

In support of the NSPCC Parents in Sport Week Cambridgeshire FA is asking every parent/carer with a child involved in the game to ensure they are clear about footballs safeguards.

Consistently children of all ages tell us they play football to have fun and be with friends. Thankfully, the vast majority of children's experience in football is positive, but sadly, for some, this isn't the case.

From parents, carers, coaches, club administrators, volunteers, referees and welfare officers; every adult in football has a responsibility to understand and uphold safeguards.

This week we are asking every parent/carer to ensure they play their part by making sure they:

Know who coaches their child and that they are FA DBS checked and safeguarding trained.

Have the name and contact details of their club's welfare officer in their phone.

Are clear about acceptable and unacceptable behaviours at their child's club.

Sign up and adhere to their club's code of conduct.

Help their child to understand their rights and know who they can talk to you if they are worried about an adult's behaviour.

Encourage their child to speak out about anything that worries them, no matter how big or small.

BLACK HISTORY MONTH

Every year the month of October is dedicated to raising awareness and commemorating black history in the UK. Since 1987, it has been a vitally important celebration of what black history is and the contributions black people have made to British society.

Each webinar will be hosted by our coach inclusion and diversity manager, Butch Fazal, and will feature a Q&A and information about some new initiatives to support the black and Asian coaching community.

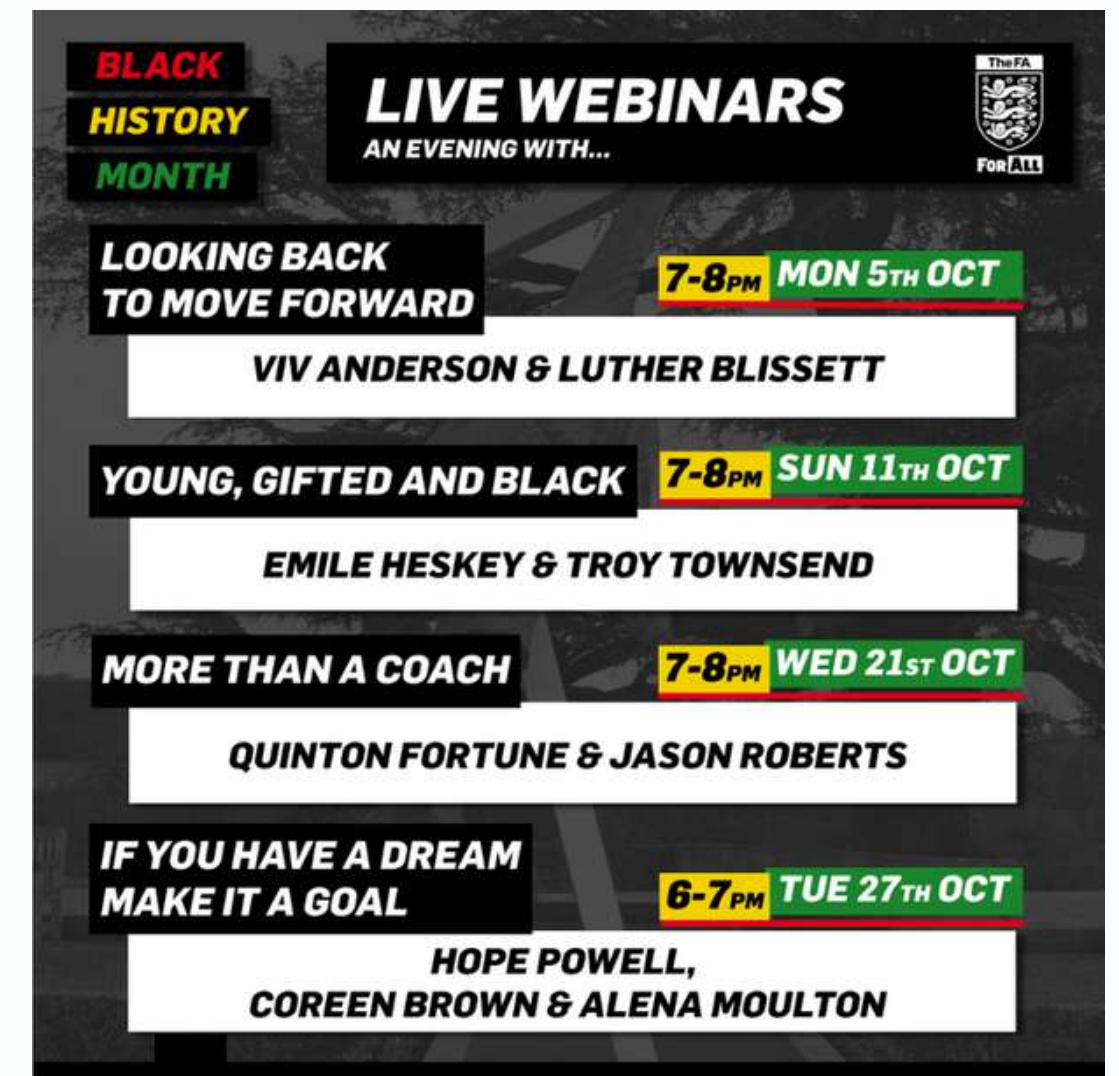

Monday 5th October - Looking back to move forward

Sunday 11th October - Young, gifted and black

Wednesday 21st October - More than a coach

Tuesday 27th October - If you have a dream make it a goal

Ultimately, Black History Month is a time for reflection and celebration of the achievements of people with black, Asian and mixed heritage, to recognise their contribution to our society.

FA GUIDANCE

THE FA CHARTER STANDARD

The FA has a clear vision to educate, empower, enable and equip leagues and clubs to 'be the best places for people to play and enjoy football'

Be the best

The FA Charter Standard programme wants you to be the best place for your football community to play and enjoy football. Whether you're a league or a club it promotes your commitment and dedication and ensures you will be around for seasons to come.

Becoming accredited is a simple process supported by our dedicated County FA officers who are local experts in clubs and leagues development. As a team we ensure your ambitions are achievable with accreditation at the centre of all you do.

The criteria means you commit to providing the best on-pitch environment by getting relevant people qualified. This ensures you are structured to achieve your goals and are built to last.

Due to the impact of COVID-19 on the game and our ability to deliver face to face education, we have introduced an interim criteria for the 2020/21 season.

More than a club. A community. Built to last.

Make your club a great club. **Get accredited.**

THE FA CHARTER STANDARD

Stay the best

For the 2020/21 season we have decided to extend all FA Charter Standard accredited clubs who either renewed their accreditation as part of the 2019/20 annual health check process or for those clubs who became a newly accredited club during the 2019/20 season.

There will be no annual health check process for the 2020/21 season. During October we will move accredited club's renewal date forward to the 2021/22 season. We recognise the reason accredited clubs are the best places to play and enjoy the game is because of the criteria you adhere to and satisfy season on season, even raising standards where possible. Therefore, we have introduced an interim criteria to support your clubs to make sure the relevant individuals can still educate and equip themselves to provide a safe, fun and inclusive environment for all to enjoy.

More than a club. A community. Built to last.

FA GUIDANCE

THE FA CHARTER STANDARD

Interim FA Charter Standard club accreditation criteria 2020/21

For the 2020/21 season interim requirements for The FA Charter Standard club accreditation criteria (coaching, first aid and safeguarding) have been introduced as COVID-19 has impacted on The FA's and County FA's ability to offer face to face education.

Whilst long term plans are being made to offer alternative, sustainable delivery models it is necessary to make temporary changes. These apply for new and existing FA Charter Standard accredited clubs.

We encourage all clubs to explore the opportunity to become FA Charter Standard accredited. We want them to qualify the relevant individuals to make the on-pitch environment a safe place and put in place the policies and documents off-pitch to make sure they are built to last. When the time comes there will be an expectation and commitment for all accredited clubs to get back to, maintain or raise the standards and requirements that make The FA's kitemark accreditation programme PROUD to be the best.
