

Aims of the Adult Development Committee and the Male Pathway sub group.

Adult Development:

Increase participation through developing opportunities to participate in playing the game through:

- Recreational football
- Vets football
- Walking football
- Disability football

Male Pathway:

Increase participation through creating links of transition from one participation area to another from:

- Mini soccer to youth
- Youth to adult
- Adult to vets
- Vets to walking
- Recreational to all of the above plus traditional football
