**Clubs Charged**

- a) [REDACTED] – charged with playing ineligible player [REDACTED] who was serving a one match suspension on the day of the game v [REDACTED] (Senior A 5/[REDACTED]). This case had been delayed following information received from Huntingdonshire FA on the game of the suspension and the Club had subsequently been charged by that Association and the charge had been reported as proven on the League Statement. Members were divided on the action to be taken but subsequent information received from Huntingdonshire FA now states that the player was eligible to play on the day. As a result of this the matter is now closed and no further action can be taken.
- b) [REDACTED] – charged with playing ineligible player [REDACTED], who was serving a one match suspension imposed whilst playing for [REDACTED] in the Peterborough League on the day of the game v [REDACTED] (Division 2B 17/[REDACTED]). As this case had been found proven by the Disciplinary Committee, Members were unanimous that the points for the game are awarded to [REDACTED]. A Reeves took no part in this case as he had been part of the Disciplinary Committee that dealt with the case.
