## Parability Football League

Cambridgeshire FA's monthly midweek Parability football league is back for the 2022/23 season.

The league currently hosts 16 teams with players of different disabilities and impairments.

We are keen to spread the word about this league into new committees to ensure everyone gets the opportunity to be involved in football whether that be playing, coaching, or refereeing.

We are looking for a new venue to host future fixture days which take place on a Wednesday once a month.

If you're interested in entering a team or are interested in hosting this event please email:
