INSURANCE

PUBLIC LIABILITY INSURANCE

CountyCover	£30
CountyCoverPlus	£60

Step 5 & below Clubs only

PUBLIC LIABILITY INSURANCE - THE BENEFITS OF COUNTYCOVERPLUS

The difference between the two packages relate to the extent of protection provided in relation to legal liability claims arising from player v player incidents.

Countycover includes Player to Player' legal defence costs of up to £250,000 but excludes any damages or awards.

Countycover Plus extends to offer £10,000,000 cover for legal defence costs and awards in regards to player to player incidents. Countycover Plus helps protect the club as an entity and the committee members should a player to player claim be made against the club and a judge rules in favour of the injured player and awards damages to the injured player.

PERSONAL ACCIDENT INSURANCE

For the 2022-23 season, you will be required to purchase your Personal Accident insurance outside of the WholeGame System, and upload a copy of your certificate to your affiliation submission (Stage 5).

You must ensure you purchase the correct amount of cover for the number of teams and age groups as with previous years to ensure your affiliation is not held up.

Visit our recommended provider, Bluefin, here: <https://quoteandbuy.bluefinsport.co.uk>
And watch their guidance video: <https://player.vimeo.com/video/552390129>

Important Notice for All Adult Clubs

Cheshire FA's mandatory minimum Personal Accident insurance cover for Adult Clubs will be Superior 120.

The main benefit of this cover is that players will have a minimum of £30 a week from the day of the injury paid to them when signed off work.

We have also a video which explains the benefits of PA insurance, which you can access here: <https://ngis.bluefinsport.co.uk/club-and-teams/personal-accident-insurance/>

KEY INFORMATION

U18 Players in Open Age Football

Clubs/Teams who have Under 18 players playing within their open age team(s) **MUST** have their Managers/Coaches/First Aiders DBS checked.

In order to ensure that teams are fully compliant, they have been advised to follow the below information:

- Larger Clubs who operate with both open age and youth teams will already have a Club Welfare Officer in place and therefore should approach DBS checking their open age officials using the same process your own club account with First Advantage Online Disclosures.
- However, single-team clubs/smaller clubs who operate solely as open age without a Welfare Officer, are allowed to go through the County FA to process their DBS checks.
