

Volunteer Role, Head Coach – Wildcats Development – GIRLS Football u6-u7

We have a new role for a committed coach that can lead our new Wildcats Development Centre.

Following successful Wildcats sessions last season, we created 4 new teams, we would like to replicate this.

This volunteer role would be to continue this development and can bring in ideas.

The role will learn and help how we recruit new girls into football.

This is a great opportunity to volunteer and support grassroots football, without needing to commit to a team.

The role will setup two new 10week sessions, in the autumn & spring.

In the spring you will help setup new teams for the 2022-23 season.

- Ideally an FA level 1 Coach, however club supports all coaches to attain this qualification.
- Amazing all weather 3g pitches – 10 week training sessions booked Thursday 5-6pm.
- Male or female coaches welcome
- New Coaches are CRB checked complete First Aid & Child Safeguarding courses

Please Contact Greg Harris (Director Girls Football) on 07939 367661
(Whats App or txt) for an initial discussion.
