

# 3G TESTING PROCESS - FLOWCHART

- Club**
1. Check the 3G register to check if the pitch is listed (<http://3g.thefa.me.uk/>).
  2. If the pitch isn't on the register, the Club should notify the Site Operator and The FA of their desire to use the pitch for affiliated matches.
  3. The Club/Site Operator will be provided with a list of test labs by The FA.
  4. The Club/Site Operator can apply for temporary inclusion on the register until a test has been completed, subject to agreeing T&C's. Contact [FacilitiesInfo@thefa.com](mailto:FacilitiesInfo@thefa.com) for details.
  5. The Club/Site Operator should approach the test labs to arrange a test to be carried out.
  6. Test completed.
  7. The test lab will send the test report to The FA.
  8. The FA will send a letter to the Club/Site Operator detailing decision taken (see flowchart).

- Site Operator**
1. The Site Operator receives an approach from a Club/League to use the 3G pitch or change a match to a 3G venue.
  2. Check the 3G register (<http://3g.thefa.me.uk/>).
  3. If the pitch isn't on the register, contact The FA/County FA for guidance.
  4. The Site Operator will be provided with a list of test labs.
  5. The Site Operator can apply for temporary inclusion on the register until a test has been completed, subject to agreeing T&C's. Contact [FacilitiesInfo@thefa.com](mailto:FacilitiesInfo@thefa.com) for details.
  6. The Site Operator should approach the test labs to arrange a test to be carried out.
  7. Test completed.
  8. The test lab will send the test report to The FA.
  9. The FA will send a letter to the Site Operator detailing decision taken (see flowchart).

- County FA**
1. The County FA receives an approach from a Club/League to use the 3G pitch or change a match to a 3G venue.
  2. Check the 3G register (<http://3g.thefa.me.uk/>).
  3. If the pitch isn't on the register, provide guidance to the Club/League/Site Operator and notify The FA.
  4. The Site Operator will be provided with a list of test labs.
  5. The Site Operator can apply for temporary inclusion on the register until a test has been completed, subject to agreeing T&C's. Contact [FacilitiesInfo@thefa.com](mailto:FacilitiesInfo@thefa.com) for details.
  6. The Site Operator should approach the test labs to arrange a test to be carried out.
  7. Test completed.
  8. The test lab will send the test report to The FA.
  9. The FA will send a letter to the Site Operator detailing decision taken (see flowchart).
