

CHESHIRE FA

# LEAGUE MARKETING PACKAGE

HELPING YOU TO PROMOTE YOUR LEAGUE

## Overview

**At Cheshire FA we are acutely aware of the hard work and dedication shown by the volunteers who run our teams, clubs and leagues. It is they who truly make a massive difference in developing football in Cheshire.**

Our job is to support you in **'Changing Lives through Football'** and in creating those lifelong connections and memories that make this the 'Beautiful Game'.

**To help you do this we have developed a marketing package in order support your league in its day to day promotion.**

**We want to make promoting your league easier than ever!**

# WHAT IS IN IT FOR ME

**REGISTER INTEREST NOW**

## Website

We will design a website for your league that includes your league colours and branding which will be exclusive to Cheshire FA leagues only.

## 1 to 1 Marketing Meetings

These meetings will be to advise and support you. Email [Press@CheshireFA.com](mailto:Press@CheshireFA.com) to book.

## Social Media Templates

We will create templates for social media for you to edit. These templates will include: Fixture & Result updates, league table graphics, event and news updates and match day graphics.

## Brand Guidelines

We will create a set of guidelines to show you how to use the templates that we create on Social Media & on your website.

## Online Newsletter

We will create an electronic template Newsletter for you to edit to send information to members of your league.

## Training Guides

You will receive training guides for website use and social media use.

## Media Officer Role Profile

We will create a Media Officer job spec & role profile for you to use to advertise for officers. This will also include photographer & videographer roles. We will help with advertisement of this position.

## Yearly Updates

We will update and refresh the social media templates, the newsletter and provide website updates each year.

**REGISTER INTEREST NOW**

# THE WEBSITE

The website will feature your league brand colours, logo and imagery.  
Simply provide us with your league details and we will do the rest for you.

## Website Features

- Custom Domain Name
- Social Media Integration
- Online Control Panel
- Technical Support
- Unlimited Pages
- 4 User Accounts

## OTHER PARTS TO THE PACKAGE

You will have access to an online Newsletter that you can edit to send to members of your league for updates and to share important information. This is a great way to keep everyone in your league informed.

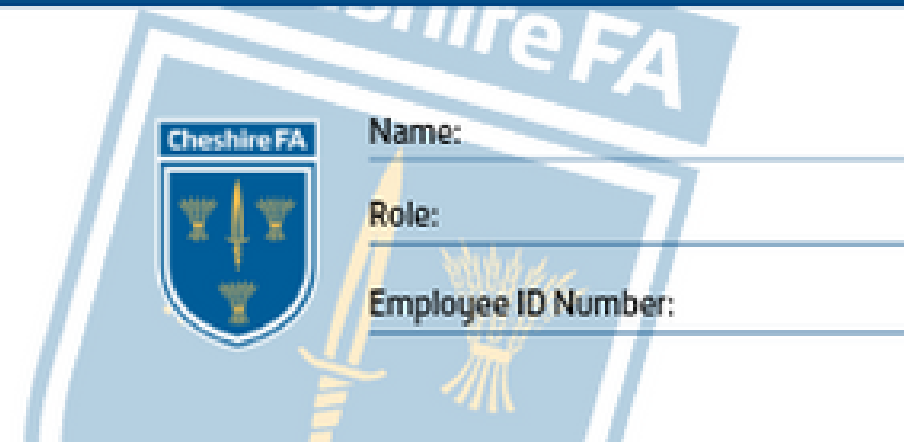

We have created role adverts and job descriptions for you to use to advertise for the following positions:

- Media Officer
- League Photographer
- League Videographer

We have created brand guidelines to show you how to use your brand in the most effective way. We have also made training guides for all parts of this package.

A match day programme has been designed for you to edit - this may be used for cup finals, whilst we have also made ID badges for your league members to use.

Consent forms have also been made for you to use in your league for photo and video consent of U18's.
