Whole Game System League Teams

This Tab will bring up a list of the current teams assigned to your League.

The user can filter this view using the options at the top of the page, these filters include:

- The Category of Football Played
- Gender
- Age
- Disability

The user can also search for a specific team in the search bar.

For each team it will display the following information:

- Team Name
- Format
- Gender
- Age Group
- Disability
- Competitions that the team is in, including Cup Competitions.
- Manager of the Team
- Coaches of the Team
