Both teams are required to award the referee a mark out of 100 in all matches which this season is split to take into account 3 factors;

The mark must reflect the referee's overall decision making, judgment of major decisions and overall control. When deciding on a mark consideration should be given to such aspects of the referee's performance as: impartiality, confidence, fitness, positioning, signalling, use of advantage and handling of major incidents. Please see the Guide on Referee Marks for full detail of the marking criteria (available on www.cornwallfa.com/cups).
