

Head of Academy Medical – Plymouth Argyle Football Club

Our proactive football academy is looking to recruit a full-time Head of Academy Medical. Following a restructure in the Academy, this exciting new position will be responsible for the medical department within the Academy. You will work collaboratively with the Academy Manager and First Team Head Physiotherapist providing updates on a regular basis.

This is a key role in the development of the medical department and the primary focus will be the strategic implementation of the Academy's assessment, treatment and rehabilitation programmes for all Academy players on a daily basis. Knowledge and experience in providing Physiotherapy and Rehabilitation clinics as well as delivering workshops to players, parents and staff on health and medical programmes is essential. You will also be expected to establish a comprehensive screening, recording and profiling process for all Academy players.

Plymouth Argyle Football Club has strong values and any successful applicant must demonstrate those values through their behaviours and will ensure their team and the players also understand and adhere to those values.

Applicants must have a strong work ethic, ability to work flexibly and independently, and have a working knowledge of a professional football Academy. Candidates must be a member of the Chartered Society of Physiotherapy and a HCPC accredited practitioner. We are also looking for experience within a professional football club and in a busy and fast paced environment.

If you think this is the role for you, and you meet the essential criteria, please contact Phil Stokes to express your interest and to obtain further detailed information about the role.

The deadline for applications is 1200 on Friday 23rd October. Applications should be submitted by email or post and should consist of a CV and a covering letter detailing how you meet the criteria for the role.
