

#GroundsWeek 2021: template social posts

#GroundsWeek is taking place from 1-7 March

Below are template social posts for you or your organisation to share across all social media channels. We've provided some graphics here to go alongside all posts.

Some other ideas for content that you could create, to go alongside these posts, are:

- A photo of your grounds staff or volunteers
- A photo of your grounds (either current or past work you're really proud of)
- A short video of someone from your club saying thank you
- A short video of your grounds staff talking about why they got into the industry/ help out in their spare time
- A 'takeover' day, with a member of the grounds team tweeting their activities throughout the day

Make sure to include the **#GroundsWeek** hashtag in all posts, and tag the GMA across all channels:

- Twitter: @thegma

- Facebook: @Grounds Management Association

- LinkedIn: @Grounds Management Association

Instagram: @groundsmanagementassociation

Lastly, don't forget to tag your grounds staff or volunteers if you can.

.@thegma_'s research shows that at least 9% of young sports players may not be able to play in the next 5 years due to the lack of grounds staff.

This #GroundsWeek, we're calling on sports fans to #joinus and help save sport.

Post Eight

Sport would not be possible without the grounds sector, but @thegma_ has found that the sector is at risk. In the next 5 years, 5,120 UK pitches could be without a grounds person.

This #GroundsWeek, why not #joinus, as a professional or volunteer?

Post Nine

We need 6000 young people to fill the grounds management skills gap.

This #GroundsWeek, why not join the next generation of individuals making sport possible? @thegma_

Only 5% of 10 to 18 year olds understand vital roles in sport, like grounds management. This #GroundsWeek, help us raise the profile of our sector, and join us in making sport possible. @thegma_
