

DORSET FA YOUTH LEADERSHIP GROUP

APPLICATION FORM FOR 2022/23

Recruitment for 2022/23 Season

We are delighted to announce that we are now recruiting for the 2022/23 Dorset FA Leadership Group.

We are looking for young people between the ages of 16-25 from all over the County to represent children and young people and to help shape and develop football in Dorset.

Our current vision is **to support and empower a diverse workforce of young people to influence change through football.**

The Dorset FA Youth Leadership Group projects will impact on The FA National Game Strategy; provide a platform for young people to support the development of grassroots football and build a network of children and young people in Dorset.

Successful candidates will need to be committed to attending and actively participating in all Youth Leadership Group meetings and work of the group.

All roles with Dorset FA Youth Leadership Group are voluntary.

Recognising diversity and promoting inclusion is a priority for Dorset FA in our efforts to make football a game For All. Dorset FA is an Equal Opportunities employer and welcomes applications from all sections of the community.

Dorset County Football Association acknowledges the duty of care to safeguard and promote the welfare of children and young people and adults at risk. We are committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice. As this role may involve direct access to young persons under the age of eighteen, within the context of the role or any subsequently related activities or responsibilities, the successful candidate will undergo a thorough screening process, which will include a Criminal Records Check, to ensure their suitability for the role.
