

Dorset Football Awards 2018

Dorset County FA values everyone's contribution to Football in Dorset and once again we are seeking to recognise and reward a number of individuals and teams for their outstanding contribution to Dorset Football.

We are looking for deserving individuals or club's who have made an outstanding contribution to Football in Dorset. This could be as a coach, a player, an administrator, a groundsman, a young volunteer or any other role that has made a difference to Football in Dorset.

All nominations will be assessed by a panel, with the winners being invited to the Dorset Football Awards on Friday 27th April 2018 at The Blandford School.
