

Durham County FA Coach Development Workshops

Finishing Through the Phases

Durham County FA are delighted to announce details of a Coach Development Workshop that will be delivered at two separate venues on different dates, to make the event as accessible as possible to the coaching community. This workshop, titled 'Finishing Through the Phases', will include a blend of theory and practical and is open for all coaches to attend. CPD accreditation will be offered to those coaches in attendance, which will be recorded next to their FAN.

This workshop will explore the technical (and tactical) demands placed on players in the finishing phase, whilst discussing the need to provide players of all ages lots of opportunity to develop and refine their finishing skills in training, through a range of carefully crafted practices. Importantly, these discussions will then be taken to the pitch, where a range of practical demonstrations will be delivered, showcasing a number of game related finishing practices across the age phases (7-11, 12-16, 16+).

This Coach Development Workshop will be delivered by our team of Durham County FA Coach Developers, all of whom are UEFA A Licenced Coaches and FA Tutors: Dave Cleary, Andy Brown, Rich Shuffleton and Graeme Clark.

These workshops will be delivered at:

- Stockton Town FC on Monday 12th July, 6.00-8.30pm
- Durham County Football Association on Thursday 15th July, 6.00-8.30pm

How to Book:

Please note, the workshop will cost £10.00 per coach to attend. Places are limited and will be taken on a first come, first served basis.
