1. Once logged in click on the 'Teams' tab on the left-hand side.

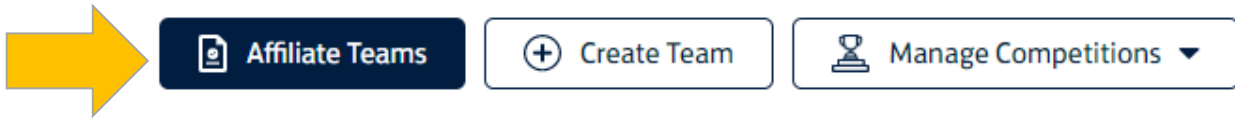

2. Firstly you need to check that all of the teams that you wish to affiliate have correct Officials assigned, that their relevant qualifications are in-date and that a team ground is selected. To the right of any team you will note three Team Requirements which are 'Officials', 'Qualifications' and 'Team Ground'. A green tick acknowledges that the information is present i.e. a team official has been assigned however you will still need to check that the information is correct. An exclamation mark means that the information is not present and you must ensure it is before you can continue with your club affiliation. To edit/add the information click on the relevant wording.
