

Legal liability insurance

Countycover Plus policy summary for clubs and leagues (steps 5 or tiers 3 and below), and match officials (steps 2 or tiers 3 and below).

“ In 2012, The FA carried out a review of insurance across grassroots football which highlighted a lack of guidelines, and prompted the introduction of minimum standards across all Counties. The National Game Insurance Scheme (NGIS) has been designed to address this by raising the standard of insurance covers available and to provide more affordable solutions to grassroots football. ”

Introduction

We have worked in conjunction with The FA and County Football Associations to create this liability insurance policy for clubs, leagues and match officials.

About the policy

What is Countycover Plus?

This specialist legal liability insurance package has been designed to provide cover for County Football Associations (CFAs) and their affiliated member clubs, leagues and match officials.

Five elements of cover

Our exclusive policy consists of:

- Public & products liability (including 'Player to Player' cover)
- Employers' liability
- Officers & committee liability
- Professional indemnity
- Cyber liability

'Player to Player' liability cover

'Player to Player' is a term used to define a situation where a claim arises from one player injuring another whilst participating in a game or training.

Countycover Plus automatically includes 'Player to Player' for legal defence costs and awards up to £10,000,000, subject to the terms, conditions and exclusions of this policy.

How do I purchase this cover?

By CFAs arranging cover as a group insurance scheme it means that premiums are more affordable to their affiliated clubs and leagues at the lower levels of the game.

Cover can be obtained via the affiliation process and premiums are per member club, regardless of the number of teams. Leagues can purchase the cover at the same price as clubs.

Further details of this policy can be found overleaf.

As this is a summary of cover it does not include all the policy benefits, limits and exclusions. Full terms, conditions and exclusions are shown in the master policy document, a copy of which is available on request or at bluefinsport.co.uk/ngis.

Is Countycover Plus adequate for my club/league?

This policy is designed to meet the demands and needs of the majority of CFAs and their amateur and semi professional clubs/leagues (at Step 5 and below and Tier 3 and below) that wish to protect themselves against third party liability. Cover extends to include property owners' liability for clubs/leagues that own a clubhouse, changing facility or stands.

The above statements do not constitute advice or a personal recommendation for this policy. Should you require advice please contact Bluefin Sport.

It is important to note that the policy automatically includes both a club and league's commercial activities, but in respect of the operation of a licensed premises, cover will only be provided if turnover/revenue for this commercial aspect is less than £30,000. For any licensed premises activities that exceed this threshold, then you will require separate cover.

We can provide quotations for the operation of licensed premises including combined insurance packages for buildings, contents and employers liability if required.

YOUR AT-A-GLANCE GLOSSARY

Claims made (please note this only applies to Sections 3, 4 and 5.)

The term used to describe the type of policy that will only respond to a loss or claim that is reported to the insurer during the period of the cover. This is in contrast to policies that respond to a loss or claim that occurred during the period of cover. With a 'claims made' policy the incident that causes the claim doesn't need to have happened during the period of the policy but it must have occurred after the retro-active date – see definition below. Incidents reported after a policy has expired would not be covered.

Commercial activities

Means activities arranged by you and within the geographical limits which are not directly related to the operation of a team or club and the sole purpose of which is to gain a commercial advantage.

Countycover

The name of the insurance package which provides public & products liability, employers liability, officers & committee liability and professional indemnity.

DBS

The Criminal Records Bureau (CRB) is now called the Disclosure and Barring Service (DBS) - CRB checks are now called DBS checks. A DBS check may be needed for certain jobs or voluntary work - like working with children.

Employers liability insurance

Compulsory insurance for all employers. This insurance is required in case any employees pursue their employer for compensation in the event that they suffer injury or disease in the course of their employment.

Event Plan Criteria (Fireworks and Bonfires)

Firework/Bonfire Warranty

- All fireworks are discharged by designated adults only.
- All fireworks are stored in fire resistant containers.
- All spectators are kept at least 15 metres from the bonfire and firework discharge points.
- No accelerants are used on the bonfire.

You must fully comply with HSE guidance which can be found at <http://www.hse.gov.uk/explosives/fireworks/using.htm>

Public liability insurance

Cover against damages awarded to members of the public because of an injury or damage to their property through negligence.

Retro-active date

'Claims made' policies mean that an incident that causes a claim doesn't need to have occurred within the period of the policy but the policy will define a date before which cover would not be provided – this is the policy's retro-active date and will be stated on the Evidence of Cover issued by your County FA.

Steps

Refers to the National League System (also referred to as the non-league football pyramid) that operates from Steps 1 down to 7 (men's) and Tiers 1 down to 4 (women's). If you require further information please visit thefa.com.
