#PlayYourPart

**Creating a united grassroots football environment
which delivers football opportunity For All**

Clubs play a key part in supporting players of all ages and abilities to fall in love with football and learn about the game. It's important that everyone enjoys the experience.

Remember, the matchday belongs to the players and it's another opportunity for them to enjoy playing the game. Clubs can play a pivotal role in setting standards for their members (players, coaches, committee and spectators).
