[Turf Points FAQ](#)

Enjoy Turf Points Benefits!

In addition to the bespoke discount code, clubs can enjoy a range of benefits through our Turf Points rewards system

Q What are Turf Points?

A **Turf Points** from The Pitchmark Group is a loyalty programme scheme available to all web shop customers on the Turfix and Total Amenity Supplies website. These points can be redeemed once totals have been achieved ranging from **money off** to **free shipping**.

Q How Will This Benefit GFA Clubs?

A When a **GFA-affiliated club** purchases on either the Turfix or Total Amenity Supplies e-commerce site, **250 Turf Points will be added to their account**. The minimum order is **1**, however, if they order multiple times that month it will remain **capped at 250 Turf Points per month**.

Q How Can I Earn Points?

A We have **multiple ways to redeem points!** For a comprehensive list you can see our Turf Points FAQ page. Example points are rewarded as follows:

- **Place and order** – 1 Turf Point for every £1 spent
- **Review a product** – 250 Turf Points
- **Follow on social media through the links provided** – 25 Turf Points
- **Share on social media through the links provided** – 50 Turf Points

Q Featured Product Month

A During each month, a specific product range will be the focus for grassroots clubs. If GFA clubs purchase a product from that range then 500 Turf Points will be added to their accounts. As before, the minimum order is 1, however, if they order multiple times in a month, they will remain capped at 500 Turf Points.
