Oaklands Park, Almondsbury

Gloucestershire FA County Cups Committee Board

I would like to welcome today's teams; Roman Glass St George Reserves and Hallen 'A' and their players, club officials and supporters to Oaklands Park for this Primary Cup South Final match.

I also welcome the match officials, Nick Beedell, Adam Boubrahmi, Jon Ferguson and Steve Moore whose appointment recognises their performances this season. I hope they enjoy the occasion.

I would like to take this opportunity to thank the GFA staff and the County Cups Committee members for all their hard work. Their combined work is vital to the success of our cup competitions.

We are delighted to see the return of the County Cup after a two-year absence due to the Coronavirus pandemic. The uptake of teams participating in the tournaments has been great and we are happy to see the return of spectators to Oaklands Park.

It only remains for me to wish both teams and the match officials good luck for today's game and hope that it is a memorable occasion for you all.

Derek Cumner, Chairman, Gloucestershire FA Cups Committee (South)

MINOR CUP SOUTH

The Gloucestershire FA Minor Cup South is back after two seasons away! The pandemic curtailed the 2019/20 campaign and the decision was taken to suspend the 2020/21 campaign.

This season's tournament saw 38 teams enter and we are now down to the final two teams, Corinthians Athletic and Redfield Rovers competing to be crowned as the 2021/22 Champions.

Should the score be level after 90 minutes of play, the winner shall be decided by the taking of kicks from the penalty mark in accordance with the procedures defined in the 'Laws of the Game'. No extra time will be played.

Read on to find out how the two teams got here and who is playing

ROMAN GLASS ST GEORGE RESERVES

A Word from the Head Coach:

“A new group of players assembled at the beginning of the season has proven at times this season that we can mix it with anyone in our league but a lack of discipline and concentration at key times has cost us finishing where we feel we are capable of.

The cup on the other hand has been a different story with brilliant performances in every game. Playing with 10 men for 75 minutes in the 1/4 final showed the side can dig in with a tough win against the Suburban Leagues Hanham and then a 4-1 demolition of Suburban 3s leaders Rockleaze, a scoreline which really flattered our opposition.

When we are switched on we can really play and have the attributes and ability all over the pitch to cause any side problems. We come into this game a clear underdog, Hallen are top of the league and the likely champions, have already beaten us once this season and as a collective have significantly higher playing experience.

I know, however, that as a side we will strive to push Hallen as far as they have this season, we will play to our strengths and we will work harder than we ever have. The opportunity to win a trophy at any level does not present itself all that often, it is now down to the 14 players to make winning a reality.”

HALLEN 'A'

A Word from Player/Manager:

“Evening everyone and welcome from everyone at Hallen Afc. Firstly I’d like to say what a great season it’s been so far for Hallen A, the boys have performed consistently well this year only losing once on the opening day to a fitter Bradley Stoke.

This cup run has been a great opportunity to relax away from the league and we’re fortunate enough to make the final here tonight. We’ve had some good games along the way however the semi final against Sporting Turin was a great performance by the lads.

Now with league and cup double a possibility the boys are hungry to bring some silverware to the club.

Without singling out too many players I have to mention Mikey Pepper who has been prolific in front of goal this season scoring 28 goals in both competitions and also captain Tony Pentland who has been the teams rock this season both on and off the pitch.

Hope you all enjoy tonight’s game. Scotty #UTH”
