Redfield Rovers**

**Thursday 31 March 2022
KO: 7.30pm**

Oaklands Park, Almondsbury

Gloucestershire FA County Cups Committee Board

I would like to welcome today's teams; Corinthians Athletic and Redfield Rovers and their players, club officials and supporters to Oaklands Park for this Primary Cup South Final match.

I also welcome the match officials, Andrew Davey, James Grady, Theo Gordon and Keith Hitchcock whose appointment recognises their performances this season. I hope they enjoy the occasion.

I would like to take this opportunity to thank the GFA staff and the County Cups Committee members for all their hard work. Their combined work is vital to the success of our cup competitions.

We are delighted to see the return of the County Cup after a two-year absence due to the Coronavirus pandemic. The uptake of teams participating in the tournaments has been great and we are happy to see the return of spectators to Oaklands Park.

It only remains for me to wish both teams and the match officials good luck for today's game and hope that it is a memorable occasion for you all.

The Gloucestershire FA Primary Cup South is back after two seasons away! The pandemic curtailed the 2019/20 campaign and the decision was taken to suspend the 2020/21 campaign.

This season's tournament saw 39 teams enter and we are now down to the final two teams, Corinthians Athletic and Redfield Rovers competing to be crowned as the 2021/22 Champions.

Should the score be level after 90 minutes of play, the winner shall be decided by the taking of kicks from the penalty mark in accordance with the procedures defined in the 'Laws of the Game'. No extra time will be played.

CORINTHIANS ATHLETIC

A Word from the Secretary:

“What can I say?! It’s been a rollercoaster of emotion in the panthers first season!

On the whole I think the team have done exceptionally well to get to the final especially when everyone’s written us off at their own peril.

We’re not the most handsome team however what we lack in looks we make up for in effort.

We’re definitely the underdogs, that said our captain once said “it’s not the size of the panther in the fight but the size of the fight in the panther.”

It’s football, we love it! Up the panthers”

REDFIELD ROVERS

A word from the Manager:

“Formed in 2021 from a core group of players who have known one another and have been playing with each other for several years. These players were joined by several new faces who have been fantastic additions to the team and helped create an atmosphere at the club that is one of playing football as it should be played, with good nature and beautiful play.

The club founder and gaffer Miley McNama couldn't have picked a more challenging time to build a new club but the effort of his players throughout the club's short life has made all the stress worth it.

Chris Jones is the captain of the club and takes his role as fines master very seriously. Marvin Atkinson leads our scoring charts with twenty-seven goals this campaign and will seek to add to that tally tonight.

The team send their well wishes to our club stalwart Stephen Sanders, who is back on the touchline tonight after recovering from a stroke.

We would also like to give special thanks to Pete Rapson for all his hard work behind the scenes and to our amazing sponsors at SRW transport. A final thanks to Chris and everyone at The Lord Raglan who provide us with great food after every home game!

To finish up we'd like to take a moment to say to all readers that if you're struggling with your mental health at this time, that it's OK to talk, and to reach out to others.

Up the Redfield!”

Miley McNama
