Season so far

This season we stepped up to 9v9 and have enjoyed the challenge. We have carried on our unbeaten run from last year and are unbeaten so far this year.

Our run in the GFA cup started with a close match against our closest opponents Downend flyers in the first round. We then went onto meet Boco in the second round coming away with a win. Next up in the ¼ finals was Emersons Green, what a nail-biting match, the girls from both teams gave it there all and after 60mins its was 1-1 so was decided on penalties with St nicks winning 3-2. Semi final saw a trip to Gotherington Juniors, we took the lead in the first half, Gotherington battled well and scored the equalizer, getting closer to the end we all thought it would be going to penalties like the ¼ final when we were awarding a free kick, up stepped Evie Rudrum whose free kick was worthing of match of the day, now 2-1 and putting us into the final. The girls have worked so hard this year I know they will do themselves, coaches, and parents proud on the day.

Season so far

The Cheltenham Town Ladies Youth Vipers are riding high in the Gloucester Girls Youth League U12 Division 1. So far we've recorded 12 wins, 1 draw and 1 loss with 87 goals scored by the team. A tough season long battle for the league title is now going into the final couple of matches of the season.

To reach the County Cup final the Vipers have played through four rounds against some great local teams, including a very competitive semi final against Prestbury. A record of 17 goals scored across 8 different members of the team has been great to see and having only conceded a single goal during the Cup run is also brilliant reflection on the performance of the defensive players.

All the girls and coaches are really pleased to have reached the final and are very much looking forward to the big day.
