---

On behalf of the Gloucestershire FA County Cups Committee Board, I would like to welcome today's teams, Longwell Green Sports and Bishops Cleeve Colts Celtics and their players, club officials and supporters to Oaklands Park for this U14 Boys Cup Final match. I also welcome the match officials, Kyle Roberts, Kane Roberts, Declan Gibson, whose appointment recognises their performances this season. I hope they enjoy the occasion. I would like to take this opportunity to thank the GFA staff and the County Cups Committee members for all their hard work. Their combined work is vital to the success of our cup competitions. It only remains for me to wish both teams and the match officials good luck for today's game and hope that it is a memorable occasion for you all.

## Season so far

The season has been another good season bedding in new players as some have moved on to pro clubs and persused other sports. The new players have settled quickly to our style of play and have contributed in another great cup run, making the final for the GFA and AYL Cup Finals for two season in a row. Injuries at key times has ment we have had a tough run but the squad has stuck together and shown a lot of grit to go with the quality. We have also seen a change in the managment team which has also helped the structure across the season, what ever happens in the final we are always proud of the team and how we play.
