DOWNEND FLYERS

Season so far

Having narrowly missed out on promotion from Div B to Div A last season a few additions were made & the girls set themselves the target to achieve a top 2 finish this season.

We are currently top of Div B having played 2 additional games - having won 12 of 14 games with 1 draw & only 1 defeat so look on course to be promoted whilst still battling to win the league with rivals Weston Mendip.

Road to Final

On route to the Final we defeated last years 2nd place team Wotton Rovers 4-3 in a thrilling Quarter Final back in November with 4 goals and a POM performance from top goal scorer Lashai Mcnama.

In the Semi Final in February we faced local rivals AEK Boco Girls in a fairly one-sided affair resulting in a 5-0 victory with a solid all around team performance and goals from Lashai Mcnama (2), Mary McLaren, Demi-Lea Boulton and Lucy Streeting and a POM performance from Evie Grant.

CHELTENHAM TOWN SPARTANS

Season so far

Our season has featured strong and passionate performances by experienced players as well as newer players joining the team last summer. Our journey to the final has not been easy as it took that little bit of extra heart to preserve the win in all three rounds. Being league winners the last two seasons, in addition to winning countless tournaments over the last few years, the team look forward to the excitement of being in the final against a tough opposition.
