Manager's Comment

Following on from last year's successful season within the League and County Cup we have made another fantastic start to this season. Coming into the new 11 aside format, the team were excited to see how their game would adapt, especially against some strong teams in both league and cup.

Our season so far sees us at the top of the Bristol Girls League after some tough matches in which the girls have had to dig deep and work together to achieve the wins. The cup always gives us a challenge during the season which the team thrive on. The cup run this year has seen a mixture of games and is always a great way to play other teams with the GFA.

As a manager it has been a pleasure to watch the girls develop their game, cementing an already strong team spirit, culminating in a thoroughly deserved cup final. We hope the girls are as proud of themselves as we are of them.

Manager's Comment

Many of the U13's players are founder members of girls' football at the club, starting at just nine years old. This will be their first FA County Cup final, having lost to St Nicks in the Semi-Final last year, a season in which they won the league unbeaten. Currently sitting 2nd in the league and through to the Semi-Final of the League Cup – they are the only team in the Gloucester County League that can achieve the treble. That said, there is a very long way to go, they have tough teams in their own league and are fully aware of the quality and challenge that St Nicks represent and hope that they can give you a great game.

The Jaguars pride themselves on a positive culture on and around the pitch, adopted and supported by incredible parents who must be so proud of what their children have achieved.
