## Season so far

Gotherington Jaguars U14 are proud to compete in this year's Gloucestershire County Cup Final against Cheltenham Town, the region's professional club. As a tiny village team from the Cotswolds, this is a true David vs Goliath battle, but one the Jaguars have fought hard to reach. After finishing runners-up last year, the squad returned even stronger. Their semi-final was a true cup classic – trailing 3-2 with five minutes to play, they found a late equaliser and held their nerve in a 2-3 penalty shootout win to book their place in today's final.

From disciplined defending to clinical attacking, every player has played a vital role in getting the team to this stage. Built on commitment, training, and unity, this squad takes pride in competing across the pitch while supporting each other on and off it.

The club would like to thank all parents, supporters, and volunteers, as well as the coaches, whose dedication has been instrumental in this journey. Moments like today serve as inspiration for our younger players, with many of these U14s now actively coaching our U7s.

We wish both teams the best of luck in what promises to be an exciting and competitive final.

## Season so far

The team has been running for 3 years now and have worked incredibly hard to improve over that time, gaining promotion from division 2 into division 1 last season was a big step and presented a real challenge for the girls playing well established top teams. The girls have grasped the challenge fully and have continued to improve over the previous 18 months coming a creditable 3rd place last season and are pushing hard to improve on that this season. It is currently all to play for at the top of division 1 with 5 games to go and it could still be won by various teams so it should be a very exciting end to an excellent season!

This is the girls first cup final in competitive football and the parents and coaches are all incredibly proud of the girls for reaching this stage. We hope it will be a great game of football and look forward to the occasion.
