Manager's Notes

So far, our Reserve team are having a good season remaining in contention for the Gloucestershire Northern Senior League Division 1 title and the Senior Amateur County Cup which is what we are here tonight for to try and win.

Our journey in the cup began with a 5-1 win against GNSL Division 2 side Fintan that was quickly followed by an impressive 5-2 victory against Bishops Cleeve Development (Reserves). It was a closer affair in the next round against fellow GNSL Division 1 side Falcons where we got through with 4-3 win. This then followed on with 5-1 and 4-0 wins against English Bicknor and Lydbrook Athletic respectively.

In our semi-final, we once again drew Bromley Heath United away, a team we played and lost to in the semi-final just last season. This time though we came away victorious. Despite being 2-0 down at half time, we came back to win the game 3-2.

Tonight's game against Sharpness will be a tough affair. They currently sit top of the Gloucestershire County League and look assured to be playing Step 6 football next season. Nevertheless, our team will be up for it as we look to try and complete a league and county cup double.

Spider (Craig Martin) and Benjo (Ben Symons) alongside their team have worked tirelessly this season with the squad. Our aim this season is promotion to Step 7 (Gloucestershire County League) and we are just needing 3 points from our remaining 2 games to secure the GNSL Division 1 title.

Finally, I want to thank all the managers, players, directors, committee and supporters for all their work throughout the season across the club. Good luck to our Reserves for tonight!

Manager's Notes

Overall, it's been a pretty good season so far for Sharpness, albeit a tough few results recently. We currently sit top of the county league with 4 games remaining knowing that as it stands, 9 points will win us the league.

We've had some cracking results along the way, maybe a bit of luck at times, but the hard work and depth of the squad has got us to where we are and hopefully we can see it through.

We had a disappointing League Cup run as we exited after the 2nd round of fixtures but thoroughly made up for it in the county cup having defeated almost all county league sides to get to the final.

Still a tough few weeks ahead but hopefully we can dig deep and get the 9 points we need.

There has been a lot of hard work behind the scenes to get our ground in a position where we can be accepted for promotion. After securing funding, donations and sponsorship, we have managed to get everything in place needed to go to the next step and we just need to finish as high as we can to hopefully gain promotion.

Credit to everyone involved at sharpness and hopefully we can win the league to guarantee that promotion spot we have all worked so hard to get.
