## Captain's Comment

Today is a big moment for all of us. Reaching the cup final is something we've worked hard for all season, and every player in this team has played a part in getting us here.

Last year, we came so close, narrowly missing out and losing 1–0 in the final. That was a tough moment for all of us, but it's also something that has driven us to improve, work harder, and come back stronger this season.

As captain, I'm really proud of the effort, teamwork, and attitude everyone has shown - from training sessions to tough matches. We've stuck together, supported each other, and improved every week.

The most important thing for us today is to stay focused, play our game, and give everything for each other. If we work hard, communicate, and stay positive, we give ourselves the best chance.

## Coach's Notes

Following on from last year's successful season within the league we have made a good start to this season. We have added to the squad and all the new players have blended well with those that have been with us for longer, and the team currently sit well placed in the League.

The cup has given us a challenge during the season which the team thrive on. The cup run this year has seen a mixture of games and is always a great way to play other teams within the Gloucester and Bristol areas. This will be our second appearance in a GFA County Cup final and one that we are looking forward to. We came close last season, narrowly losing the final, but this year we hope to go one step further.

As a coaching team it has been a pleasure to watch the girls continue to develop their game, cementing an already strong team spirit, culminating in a thoroughly deserved cup final. We hope the girls are as proud of themselves as we are of them and every member of the squad has contributed to reach this year's final.

A big thanks to all the parents, club staff and coaches for all your support over the season and previous seasons; without you, the girls would not be able to enjoy this wonderful game and such great opportunities.

## Route to the Final

First Round - 7-0 vs Port of Bristol Youth U14 Girls

Second Round - 10-1 vs Downend Flyers Girls U14 Eagles

Quarter-Final - 3-1 vs Cashes Green Youth U14 Girls

Semi-Final - 2-1 vs Downend Flyers Girls U14 Ospreys

## Manager's Notes

This is a very special day for St Nicholas FC, as this is the first GFA County Cup final our squad has reached. The girls share an amazing bond, and it has been a joy to watch them grow as a team.

After winning Division B in the Bristol Girls League last season, the girls were ready for the step up. They have taken to Division A extremely well, competing at the highest level and relishing the challenge each week.

The County Cup has been no different. We started with a 10-1 win away at Downend Flyers Eagles, followed by a solid 7-0 win at Port of Bristol. The quarter-final was a tricky trip to Cashes Green where we came away with an impressive 3-1 victory. The semi-final was a tough test hosting Downend Flyers Ospreys; they are a very good side and certainly played their part. It was a thrilling cup tie, and we battled our socks off for a well-earned 2-1 win to secure our place in the final for the first time.

It is an incredible achievement for both sides to reach the final and we are excited to face Gloucester City Reds. We expect a tough challenge against a solid top team, promising a great spectacle for all parents and supporters. Best of luck to both teams!

Our girls are ready to give it their all and can't wait for kick-off. Immensely proud coaches.

Up the Saints!
