Manager's Notes

Having just secured their 4th consecutive league title, pipping perennial challengers Brockworth at the last hurdle, the team will be looking to add back-to-back County Cup success to their honours.

As ever, teamwork has been the key to their achievements this season along with great versatility throughout with several players having played in multiple positions. 5 clean sheets from 19 matches and 78 goals scored, averaging above 4 goals a match.

Those goals have been scored from all around the pitch with 14 of the 18 player squad having scored this season. Leading scorers are Max Blaby (15), Leo Kaliszewski (13) and Alan Paszkowski (10).

5 of the squad started their journeys with the club aged 5 with a further 4 joining at U9s which has provided the platform for the sides success.

Captain's Notes

Really glad to be able to lead this group of lads in the final tonight. The boys have been class this year, showed how strong we are as a group and have done brilliantly to get to the final.

Whatever happens the boys should be proud.

We now need to go out and be the best we can be as a group and give it our all!!

Up the saints!!!!!!!

Manager's Notes

I'm really please for the lads to finally getting to a GFA cup final as we have always been close without quite making it over last 4 years.

This group of players have had a tough route getting here tonight , having played Bristol Central , Bishop Cleeve (glos) and Port of Bristol but showed how good we can be under pressure.

I'm sure it will be a tough match with Cinderford winning there respective league already, but whatever happens on the night, we should be proud of this group and what they can and have achieved over the 2025/26 season.

Well done Lads!!!
