# ACCESSING THE 'SAFEGUARDING ADULTS' ONLINE COURSE

## WHO CAN USE THIS NEW ONLINE COURSE?

We believe people from all backgrounds should be able to enjoy taking part in football, and everyone should be treated with respect and fairness.

This course brings to life The FA's 'Safeguarding Adults' policy and describes how it can be implemented in adult open-age disability football. It's for anyone who works in or volunteers in adult open-age disability football. That includes coaches, managers, Welfare Officers as well as club officials. Players, carers/personal assistants and parents are welcome to complete the course so they are familiar with football's safeguarding strategies.

Please be aware the course may not be suitable for everyone as it contains some powerful messages about abuse and the need to safeguard.
