## A MESSAGE FROM THE HAMPSHIRE FA CHAIRMAN **JAMES PEARSON**

*'On behalf of the Directors of Hampshire FA may I welcome you all to Stoneham Lane Football Complex for the final of the Sunday U14 Hampshire FA County Cup sponsored by Savvy Accountancy Solutions.*

*It is with great pleasure that we extend a warm welcome to the players, officials and supporters of all of today's teams and also to today's match officials.*

*Obviously in these challenging times, we were unable to play this game at the end of the season as normal. However, we will do our best within the constraints laid down to ensure that you all have the most enjoyable day possible, we really appreciate your support in ensuring the match is played in a safe and secure way, the restrictions in place are for the safety of everyone.*

*Special thanks are also extended to Savvy Accountancy Solutions, today's competition sponsor.*

*Thank you for your support today. I hope you enjoy the game and will observe The FA 'RESPECT' programme.*

*Keep safe everybody!*

*Best wishes,  
James Pearson  
Chairman, Hampshire FA*

# COVID-19 UPDATE

## PLEASE ENSURE THAT YOU ADHERE TO THE LATEST GOVERNMENT GUIDELINES

The UK Government has confirmed that organised sports, which include Steps 3-6 of the National League System [NLS], Tiers 3-6 of the Women's Football Pyramid [WFP] and outdoor grassroots football, can continue as an exemption to its latest planned measures in response to COVID-19.

Organised football activity is currently permitted at these levels but it is extremely important that clubs, players, coaches, match officials, league officials, volunteers, parents, carers, and facility providers continue to strictly follow both the UK Governments' latest guidance on COVID-19 and respective bespoke guidelines from the FA.

Re-starting the game at these levels has been a significant challenge for everyone involved and we must acknowledge the hard work, passion and commitment of the football family. However, it is vital that we all adhere to these guidelines and ensure it can continue in a safe and secure way.

As part of this exemption, The FA can also clarify that clubs at Steps 3-6 of the NLS and Tiers 3-4 of the WFP remain permitted to accommodate a phased and limited return of spectators if they follow the UK Governments' latest guidance on Covid-19 and The FA's guidelines for the NLS or WFP.

Clubs in the Regional NLS Feeder Leagues, Tiers 5-7 of the WFP and outdoor grassroots football also remain permitted to accommodate socially-distanced spectators but they too must adhere to the UK Governments' latest guidance on Covid-19 and The FA guidelines for outdoor grassroots football.

Supporters are the life force of our national sport and The FA hopes to see them return in greater numbers across the country as soon as it is safe and possible. However, we must continue to work together and play our part by following all the relevant guidelines if this is to become a reality.

The FA remains in consultation with the Department for Digital, Culture, Media & Sport, the Sports Grounds Safety Authority, leagues and competitions and will provide an update on the further returns of supporters – including scheduled pilot events – in due course.

Updated frequently asked questions on our COVID-19 guidelines can be accessed by clicking [HERE](#)

## AFC STONEHAM

The club was established in 1919 by demobilised soldiers under the name Royal Engineers (Ordnance Survey Office).

They joined the Southampton Junior League and were Division B champions in 1920–21. The club were then admitted to the Divisional Section of the Hampshire League.

They were runners-up in the division in their first season in the league, after which they were transferred to the East Section as the league was restructured.

In 1923 the club merged with a team from the Post Office to form Southampton Civil Service F.C., playing in the West Section for the 1923–24 season, but they were re-established as a separate club for the 1924–25 season and finished as runners-up in the West Section.

League reorganisation in 1928 saw Royal Engineers (OSO) placed in the Divisional Section, before being moved to Division Two the following season amid further reorganisation.

In 1929 the club were renamed Ordnance Survey. They finished bottom of Division Two in 1930–31 and left the league at the end of the 1933–34 season, dropping into the Southampton Senior League.

In 1960 the club became a Sunday league team, before returning to Saturday football in 1966, joining Division 8 of the Southampton League. However, after several promotions they reached the Premier Division by 1973. They went on to win the Division One title in 1982–83 and 1992–93.

After winning the Premier Division title in 1996–97, Ordnance Survey were promoted to Division Three of the Hampshire League. They were Division Three runners-up in 1998–99, earning promotion to Division One as the league underwent reorganisation. However, they finished second-from-bottom of the division in their first season, and were relegated to Division Two.

In 2004 the Hampshire League merged into the Wessex League, with the club becoming members of the new Division Three. Division Three was renamed Division Two in 2006, at the same time as the club were renamed Stoneham, reflecting their new location.

After one season under the new name, they adopted their current name, also leaving the Wessex League to become founder members of the Hampshire Premier League.

Stoneham were the Hampshire Premier League's inaugural champions. They won the League Cup in 2009–10, and winning the League Cup again in 2014–15, the club were promoted to Division One of the Wessex League.

In 2018–19 they were Division One champions, earning promotion to the Premier Division.

# PLAYER PROFILES

## HURSTWOOD RANGERS

### LLOYD BRITCHER

Lloyd is one of the original founding members of the team at its formation at U7s. Lloyd's exceptional shot stopping, handling and bravery has been vital in the team's success throughout the campaign and is a specialist at saving penalties. Lloyd is the joker of the team and greatly liked by all.

### DENNY ADAMS

Denny joined the team at the start of the 17/18 season having previously played for Portsmouth Academy. Denny has been an integral part of the team over the last 3 seasons playing in several positions and his composure and ability on the ball is at a high level. At the start of the season Denny was voted as Captain by his teammates.

### MASON BENDON

Mason is a long serving member of the team and, despite an injury plagued season, has still managed to pick up plenty of playing time. Mason has been there to cheer on his teammates when unable to play. A strong left back, he is always dependable and looks to do well.

### ETHAN MASON

Ethan is a player who is developing positively all the time and continues to go from strength to strength. Ethan is a very strong Centre back and enjoys the competition of battling with strikers. His positional play and composure on the ball ensure we are able to play out from the back and play good football.

### WILLIAM PORTON

William is another founding member of the team and is the most versatile player in the team. Never one to be pigeon holed into one position his all round game is superb and never lacking effort and desire. William is able to adapt very quickly and has a great understanding of the game coupled with a high level of ability.

### STAN REES

Stan was part of the original team back at U7's but left to join the Portsmouth academy at U9. We are pleased to have him rejoin the team after a few years away and this will be his first season back in grass roots football for some time. I am pleased he has settled back into the team and looking forward to a great season.

### ALEX KERRIDGE

Alex is "the" founding member of the team. He has a great understanding of how to play the game and works well in the space between midfielders and strikers. Always one to show his emotions, his passion and desire to compete can motivate him to put in top performances when required.

### MATTHEW PATES

Matty joined the team at the start of the U11 season having moved from London. Matty's exceptional work rate and teamwork is excellent and is always willing to drop into another position to help when required. Able to play on either wing Matty is deadly in a 1v1 situation and can change games.

### TEDDY BEVERIDGE

Ted joined the team in late 2017 and is an old school left footed winger. He enjoys nothing more than running at the opposition and has the ability to score plenty of goals. Never one to shy away from a challenge he never forgets his defensive duties and always works hard.

### COWHEN WHITTAKER

Cowhen joined the team at the beginning of the U11 season. Cowhen has gone from strength to strength and his development shows no sign of slowing down. Cowhen has great technical ability coupled with a strong desire to do well. He is able to influence and change games in a moment of magic.

### FRAZER LAMING

Frazer joined the team at the start of the season after several years away from football enjoying other activities. His determination and effort is difficult for anyone else to match. Very strong in a tackle and able to pick the ball up from the right back position and drive into midfield, his attitude and development is a joy to watch.

### GONZALO BARTAYRES

Gonzalo is our international signing of the season, having recently moved from Spain. Strong, Fast and able to get the ball down and play football are perfectly suited to his role at centre back. Developing all the time and improving with each game he a force to be reckoned with at the back.

### TOMMY CARPENTER

Tommy was another original U7 player who left at the end of the U10 season to join the Portsmouth Academy. We are pleased to welcome him back to the team and look forward to a successful season with him back in the squad.

### FREDDIE REID

Fred joined the team at the beginning of this season from our greatest rival team, and has quickly become a player and supporter favourite. Able to play in multiple attacking positions his quality and composure on the ball generates plenty of goals for the team as well as for himself.

### ETHAN QUINLAN

Ethan has established himself as a strong presence in our midfield after joining at the beginning of the season. He has great positional sense as well as the ability to dictate the play. Ethan is a typical box-to-box midfielder and has incredible stamina to suit the way he plays. Technically strong and always like to pop up with a goal.

### DANIEL AITKIN

Daniel is also a new addition and has been a big part of the team this season. Able to play at both centre back and centre midfield, he brings plenty of options to the team. Very passionate and determined he has great technical ability and presence that works well with our style of play.

### MARVIN RODGERS

Marvin was the final recruit of the 19/20 season, his explosive pace and determination have seen him rack up the goals. A typical No.9, with superb strength and the ability to make something from nothing, his development will be a joy to help coach.

### ASH CLARKE

Ash is a strong, powerful player who has recently joined the team after playing for different teams in our league over the years. Ash will be a great addition to the team and deliver moments of individual greatness as well as playing for the team.

# How Hampshire FA supports grassroots football?

## Participation

Hampshire FA is a not-for profit organisation which runs grassroots football in Hampshire. Football remains the most popular sport in Hampshire and the contribution that grassroots football can make to building stronger communities, improving health, reducing crime and tackling obesity is clear.

## Facilities & Funding

Local authorities are critical to the development of grassroots football in Hampshire with large proportions of the pitch and facilities in the County owned by the public sector. Hampshire FA works with local authorities to keep facilities open, allowing leagues and dubs to continue.

## Marketing

Hampshire FA places a strong emphasis on marketing & communications; as such we have developed the media model with different tiers. Particular focus is recognising media agencies or freelancers as official media partners of the association.

We only 😊  
do positive.

Building society with mutual respect
