A MESSAGE FROM THE HAMPSHIRE FA CHAIRMAN **JAMES PEARSON**

'On behalf of the Directors of Hampshire FA may I welcome you all to Winklebury Football Complex for the final of the Sunday Vase Hampshire FA County Cup sponsored by Child Trophies.

It is with great pleasure that we extend a warm welcome to the players, officials and supporters of all of today's teams and also to today's match officials.

Obviously in these challenging times, we were unable to play this game at the end of the season as normal. However, we will do our best within the constraints laid down to ensure that you all have the most enjoyable day possible, we really appreciate your support in ensuring the match is played in a safe and secure way, the restrictions in place are for the safety of everyone.

Special thanks are also extended to Child Trophies, today's competition sponsor.

Thank you for your support today. I hope you enjoy the game and will observe The FA 'RESPECT' programme.

Keep safe everybody!

*Best wishes,
James Pearson
Chairman, Hampshire FA*

COVID-19 UPDATE

PLEASE ENSURE THAT YOU ADHERE TO THE LATEST GOVERNMENT GUIDELINES

The UK Government has confirmed that organised sports, which include Steps 3-6 of the National League System [NLS], Tiers 3-6 of the Women's Football Pyramid [WFP] and outdoor grassroots football, can continue as an exemption to its latest planned measures in response to COVID-19.

Organised football activity is currently permitted at these levels but it is extremely important that clubs, players, coaches, match officials, league officials, volunteers, parents, carers, and facility providers continue to strictly follow both the UK Governments' latest guidance on COVID-19 and respective bespoke guidelines from the FA.

Re-starting the game at these levels has been a significant challenge for everyone involved and we must acknowledge the hard work, passion and commitment of the football family. However, it is vital that we all adhere to these guidelines and ensure it can continue in a safe and secure way.

As part of this exemption, The FA can also clarify that clubs at Steps 3-6 of the NLS and Tiers 3-4 of the WFP remain permitted to accommodate a phased and limited return of spectators if they follow the UK Governments' latest guidance on Covid-19 and The FA's guidelines for the NLS or WFP.

Clubs in the Regional NLS Feeder Leagues, Tiers 5-7 of the WFP and outdoor grassroots football also remain permitted to accommodate socially-distanced spectators but they too must adhere to the UK Governments' latest guidance on Covid-19 and The FA guidelines for outdoor grassroots football.

Supporters are the life force of our national sport and The FA hopes to see them return in greater numbers across the country as soon as it is safe and possible. However, we must continue to work together and play our part by following all the relevant guidelines if this is to become a reality.

The FA remains in consultation with the Department for Digital, Culture, Media & Sport, the Sports Grounds Safety Authority, leagues and competitions and will provide an update on the further returns of supporters – including scheduled pilot events – in due course.

Updated frequently asked questions on our COVID-19 guidelines can be accessed by clicking [HERE](#)

Ambassadors in Sport

Sometimes you're in a corner and you
need someone to come short

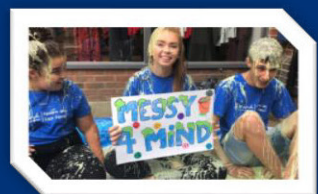

Support your team as an Ambassador for mental health

- Develop understanding of mental health
- Increase confidence when talking about mental health
- Challenge the stigma associated with mental health
- Encourage more people to seek help without feeling judged
- Identify practical steps to take care of ourselves and colleagues
- Increase confidence in accessing support services
- Ongoing support from local Mind based in Hampshire
- Community awareness, education and support for mental health

PLAYER PROFILES

TEST VALLEY SPARTANS

JIMMY

A new signing this year and already looks rock solid. Great lad.

CALLUM

An old warhorse at the back, great football brain, loves the banter.

JOSH

New position this year as sweeper, could we finally be seeing all that potential?

ANDRE

A youngster we have picked up. Calm on the ball, great engine. Bright future ahead.

J.C

Everyone's uncle, adds valuable experience when called upon, great to have around.

BRAD

Hopefully this is the start of some redemption.

MIKEY

Solid 7/10 every week, works hard for every minute of every game.

WILL

Another unsung hero, his work rate and engine is again crucial to the team.

KINGA

The newly appointed skipper, was last years player of the season by a country mile.

CRABBE

1 in 3 games he's head and shoulders above everyone on the pitch, the other 2 he just gets a 8/10.

SULLY

Cool, calm and collected, great vision and the perfect foil in our midfield.

FRASER

Baller

GRANT

Good ability, loves a tackle and knows where the net is.

PUDS

TVS through and through, great to have around, good on the ball can create from nothing.

WARNER

A new addition to the squad just needs to turn up regularly!

PARKER

Sunday mornings football diva, back with us after flirting with every other team. We are happy about this.

SQUAD LADS UNLUCKY TO MISS OUT ON FINAL DAY:

REEVE

Ran the resses last year, great mind and ability. Hopefully will work on his fitness now!

RUSSO

He's been a TVS stalwart for 18 months, would run through a brick wall for us.

ANTON

A new addition, a young forward player with plenty of promise. Needs to take the information on board and will be a starter soon enough.

FREDDIE

1st full season in men's football, a little livewire with a good footballing head.

PLAYER PROFILES

WOOLTON HILL ARGYLE

JACK CROSSAN

The passion is clear to see from Jack's attitude on the pitch. He gets the squad going with his voice at the back and he takes no nonsense from opposition players. He still thinks Celtic should be in the Champions League.

KARL SARGISON

Mr Versatility. Karl has played almost every position for the Argyle, and done so with no complaints. One of the most vocal players in the dressing room, and isn't shy of getting stuck-in on the pitch.

SEAN BAKER

Sean has taken the armband on a number of occasions when Toby has been absent and he's done so with ease. After some defensive additions to the squad, competition for places has certainly made Baker stronger. He always gives 100%, just like his idol Kenny Jackett.

ARCHIE DYSON

The Forrest Gump of the team. The full-back will not stop running and chasing after the ball, taking out whoever gets in his way.

TOBY NETHERCOT

El Capitano. Our Toby doesn't settle for second best, he always leaves everything on the pitch and is always quick to back his teammates no matter the situation. Leader. The manager's son, so obviously he's the captain.

SAM MULVEY

New signing, Mulvey, has settled into the squad with no issues. He's started to form a solid partnership at the back with the captain and he reads the game very well, helping teammates all over the pitch.

LIAM HEADD

The Mancunian was voted 'Fans player of the year' last season after playing a crucial role. He's moved positions out onto the wing now and seems to be enjoying his football. He's in red-hot

form, having netted 7 goals in 7 pre-season games this season.

DANNY FIELD

The midfield maestro loves a slide tackle, and a 'Fieldy' turn. When these two don't pay off, he certainly knows about it with Uncle Lynchy leading the shouts. Fieldy is Argyle through and through and has made the most appearances in the club's history.

THEO STRONG

Not quite sure what's better with Theo; his shooting or his dress sense. The midfielder always gives his all on the pitch and makes it hard for the opposition to take the ball off him. A consistent player and often pops up with a goal or two.

JORDAN SHARPE

Just put Jordan on the wing somewhere and he will run. The full-back has mixed it up between defence and midfield in his time with the club and is a crucial player. He's also got a cracking smile.

STEVE BURROWS

Burrows has come up with some vital goals on the way to the cup final and deserves to be here. He is, however, in the last year of his contract (as he is awaiting the arrival of his son) and will be dreaming of cup success.

JOSH SMART

The forward is always keen on making an impact when on the pitch. He can play up front, on the wing or even in behind the striker, so his versatility is something the manager admires.

BEN PERRINS

Perrins has settled into the purple very quickly and enjoyed a strong pre-season. He's also the only player in the club's history to take his top off when celebrating a goal in pre-season.

AJ MONGER

Made the summer move across town to the mighty Argyle. The midfielder wanted to enjoy

his football again and made the right decision. He loves creating chances and getting on the ball. A real threat going forward.

JAMIE WALLIN

Another addition in summer, Jamie has eased into the squad and is very strong on the ball. He has played in the middle of the park and out on the wing during pre-season and impressed in both positions.

LUKE BROMLEY

Reads the game very well and he's got a wonder of a left-foot. If it's a corner or a free-kick, you know the delivery is going to be class. Also supports Tottenham and Luton.

REG NETHERCOT

The gaffer is as passionate as they come. He always expects 100% from the players and goes quiet for a week if we don't win a game. Puts his heart and soul into everything to do with the club and makes sure that we all enjoy our football.

PAUL LYNCH

Our fitness coach is a huge part of the squad. He turns up to one training session every 3 months and asks why we're not fit. A very vocal guy on the sidelines and has a brilliant relationship with the fans and the players. He's got a good football brain and he knows a lot...except his age.

DAN STEVENS

Another new addition to the team after hanging the boots and gloves up for a while. Dan has joined the Argyle as a keeper but with his knowledge of the game we hope he can improve the other lads who can play in this position.

DAVE GRAY

Our resident linesman. Dave Gray just loves football. He gets on with the players and the fans, gets involved with the team when we need advice and certainly reads the game very well.

The Telecommunications Experts

Hampshire FA

Do you know

How Hampshire FA supports grassroots football?

Participation

Hampshire FA is a not-for profit organisation which runs grassroots football in Hampshire. Football remains the most popular sport in Hampshire and the contribution that grassroots football can make to building stronger communities, improving health, reducing crime and tackling obesity is clear.

Marketing

Hampshire FA places a strong emphasis on marketing & communications; as such we have developed the media model with different tiers. Particular focus is recognising media agencies or freelancers as official media partners of the association.

We only 😊
do positive.

Building society with mutual respect

THANK YOU
