How to access The FA Safeguarding Adults course

We've put this guide together to make it as easy as possible to log in, find and then access the course on our FA learning management system (LMS).

Before you start, we recommend following the steps using either a laptop or desktop computer running Google Chrome. These provide the best compatibility with the LMS and so offer the best online experience.

Once you've accessed the course, it's important to understand you'll be expected to complete the digital learning to receive your completion confirmation.

If, at any time, you encounter a different outcome to what the guide says or have significant access problems, email our team via Education@TheFA.com for support.

Who can use this new online course?

We believe people from all backgrounds should be able to enjoy taking part in football, and everyone should be treated with respect and fairness.

This course brings to life The FA's Safeguarding Adults' policy and describes how it can be implemented in open-age disability football.

This course is for anyone who works in or volunteers in open-age disability football. That includes coaches, managers, adult safeguarding leads as well as club officials. Players and carers/personal assistants are welcome to complete the course so they can be informed about football's safeguarding strategies. But please be aware the course may not be suitable for everyone as it contains some powerful messages about abuse and the need to safeguard.

Log into the LMS

The course is hosted on our LMS platform, which you'll need to log into, using your FAN or email address and password. If you can't find them, please don't create a new profile. Instead, use our FAN finder to retrieve your details.

Once you have your FAN and password follow these steps below:

Click below to open the learning management system:

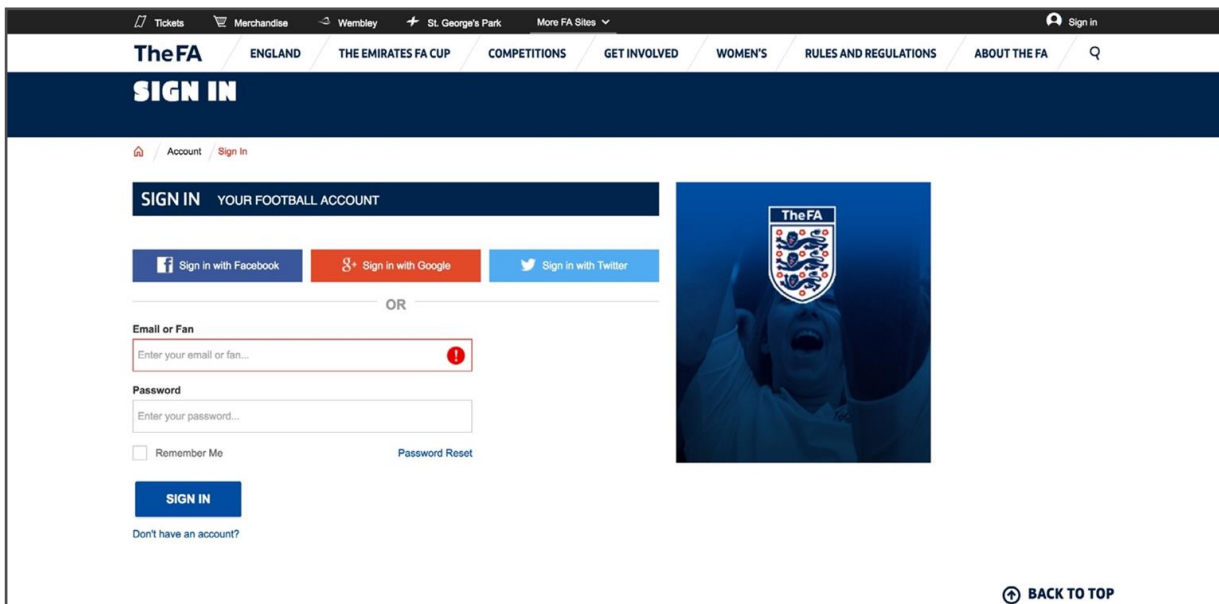

[**OPEN THE LMS PAGE**](#)

This should open a screen like this. Click on the 'Sign In' button where the blue arrow is pointing

You'll then be taken to a screen like this.

This is where you enter your FAN and password.

After clicking 'Sign In', you'll be taken to a screen like this. It looks very similar to the first screen but it now says 'My Account' instead of 'Sign In'

The screenshot shows the 'TheFA Learning' website. At the top, there is a navigation bar with 'TheFA My Account' and a search bar. Below this is a secondary navigation bar with links for 'England', 'The Emirates FA Cup', 'St. George's Park', 'Women', 'Take Part', 'Rules & Governance', 'Shop', and 'More'. The main header features the 'TheFA Learning' logo and a 'back to Take Part' button. A sub-navigation bar includes 'Home', 'Active Learning', 'Find Awards', and 'Calendar'. The main content area is divided into four sections: 'LEARN ONLINE WITH THE FA' (with an image of a stadium), 'INTRODUCING THE BOOT ROOM' (with a description: 'Our new home for learning. Your new destination for everything coaching.' and an image of a coach), 'CPD COURSES' (with an image of a coach), and 'RESPECT COURSES' (with an image of children). On the right side, there is a 'Calendar' widget for April 2019 and an 'Administration' widget. The footer contains four columns: 'About The FA', 'The FA', 'FA Initiatives', and 'Social Media', each with a list of links.
