"We're seriously good at what we do."

Eversley & California

Originally formed in 1910, the club returned to play in Eversley Village in 2008. Eversley FC were a founder member of the Surrey Elite Intermediate League, before joining the Combined Counties League in Division One.

California Youth Football Club was formed in 1975 when a group of parents brought together an Under 8's team based in the California area of Wokingham, Berkshire and from where the Club takes its name. In 2000 it was the first Berks & Bucks FA affiliated club in the area to be awarded the FA Charter status, also winning the South of England FA Charter Merit Award in 2002; it is currently an FA Charter Development Club. Girls' soccer was introduced in 2000.

California Youth FC established strong links with Eversley FC and the 2 clubs merged in 2012 to form Eversley & California Football Club moving to the Boars Den, where they play their games today.

2017/18 saw the first Ladies side at Eversley, playing in the Thames Valley Counties Women's League Division One, finishing 4th in their first season. The Ladies have continued their quest for success and in the curtailed 19/20 season they reached the Hampshire County Intermediate Cup Final, with every chance of lifting their first piece of silverware.

The 2020/21 Season saw the Ladies enter the Women's FA Cup for the very first time and although being knocked out in the First Qualifying Round, their heads were held high as a fantastic performance from the squad saw them succumb to a narrow 2-1 defeat away to Southern Region Premier side Wycombe Wanderers Ladies, which showed just how far the Ladies team has come over such a short time span.

Charlotte Jobson - GK
New to open age football this season, Charlotte is progressing well as she adjusts to life after transitioning from girl's football and is making good progress in higher level football. Overall Appearances = 8

Danielle Jones - DEF (Captain)
The Captain of the side, Dani is a solid central defender. She and her defensive cohort have been one of the best defences in the League over the last four seasons Overall Appearances = 58

She has been associated with the club for 15 years and was member of the original Girls side with Megan and Laura, before moving into Women's football with Bracknell and Woodley United. She returned to the club when Ladies football was introduced in the 2017/18 season. Overall Appearances = 68, Goals Scored = 2

MANAGER'S WORD

Martin Elcox

"It is quite a strange feeling having to write in preparation for a Trophy Final, when our Semi-Final in the competition was played over a year ago, but due to the COVID Pandemic that is the situation where we now find ourselves.

Indeed, from today's final it has been 572 days since our First-Round game against Gosport Borough Ladies back in October 2019, which opened our 2019/20 Hampshire Trophy campaign.

Subsequent victories over Hampshire Women's League Division One sides Winchester City Flyers Reserves and Widbrook United First, saw us reach the Semi-Final against our local rivals Hawley Ladies. This tie, as expected, was a fiercely contested game with Rebekah Pantony grabbing the winner 12 minutes from time after an 'eye of the needle' pass from Amy Watts in midfield, seeing us through to today's final.

So as a manager, I am very pleased with these cup performances as a whole, with a total of 27 goals scored by 8 different players in the process, 8 of them coming from leading scorer Katie Hougham, and only conceding 5 is a testament to the level of performance we achieved during the cup run. In fact, the number of different scorers is my favourite memory of the whole campaign to date, with defenders, midfielders and forwards all contributing to the tally, which also included one double hat-trick and three other hat-tricks along the way. At this point I would like to thank Lucy Standen and Amy Watts for their contribution to the cup run, as they are sadly no longer with the club.

Today's game, I am sure will be a very competitive game and our squad should be very proud of their achievement in reaching today's final!"

CAPTAIN'S WORD

Dani Jones

"After such a long time because of the Coronavirus pandemic, we are all so excited to finally be playing this much anticipated final.

The team is at the strongest it's ever been and has played some really good football along the way, this, with their passion and determination is what has got us to today's Hampshire Trophy Final. Our path to the final hasn't been easy, we started with a comfortable win, followed by playing a couple of really tough games in the cup run against teams from the top division in the Hampshire League that were new to us, and then winning against our local rivals Hawley in another close game.

This passion and determination, is what we intend to show in the game today, which will hopefully see us take the trophy home."

Bournemouth Sports Reserves

CLUB HISTORY

Bournemouth Sports have a long history within the local Bournemouth leagues from both a junior and men's perspective, but the ladies section is relatively new being created in May 2013 in preparation for the 13/14 season.

The ladies team was formed by Ricky Barton and Paul Tiller and entered Hampshire Division 3. Having had a tough first season as they tried to establish themselves, they were more successful in the 14/15 season finishing runners up in Division 3. As their reputation as a welcoming club grew, so did their player numbers. Promotion to Division 1 came quickly as once again they finished runners up in 15/16.

As the women's game grew and more clubs entered teams in to the pyramid, Sports would find themselves trying to compete with some very big clubs. But, the addition of Vincent Marmion to coaching staff would push the club on and in 18/19 they would once again finish runners up and earn promotion to the Southern Region Division. It was at this point they decided to create the Reserves. In the 19/20 season, some great recruitment and a strong work ethic meant that the club was able to create two good sides that could compete at both levels. The Reserves were particularly strong in Hampshire Division 3 19/20, having gone unbeaten all season in league and cup and mathematically wrapping up the league before COVID had the competition abandoned and denied the club its first silverware. They have continued to impress this season, currently top of Division 2 following last season's promotion.

MANAGER'S WORD

Ricky Barton

"I am very proud of the team for making it through to the final. The club has made a few league cup semi-finals over the years but have always had a very tough time in the county cup, never getting past the 2nd round. It was a tough cup run playing teams from leagues above, but despite all of the challenges, we managed to make our way through and we look forward to being able to play our first final."

It could have been so different having been 3-1 down away to Winchester City Flyers A after 40 mins in the first round. The team showed great mental strength to finish that game 6-4 winners, and it's that team spirit that has carried us through many games since.

It's been a difficult couple of seasons for everyone involved in grassroots football and I just want to thank all the staff, players and volunteers that have kept us going through this time."

CAPTAIN'S WORD

Lucia White

"It's been a long time coming, especially with the pandemic, everyone has worked really hard together as a team to get to where we are now. I think everyone is excited to play the game. It's been tough throughout the lockdowns to keep in touch and to keep fit but we have managed it and we're looking forward to getting out there to see if we can bring home the trophy."

Facilities & Funding

Local authorities are critical to the development of grassroots football in Hampshire with large proportions of the pitch and facilities in the County owned by the public sector. Hampshire FA works with local authorities to keep facilities open, allowing leagues and dubs to continue.
