## NOTES

• All under 7s and 8s matches are Development matches. Most under 9s and 10s matches are Development Matches although there are a number of competitions throughout the season.

• SUBS - Rolling Subs are now used in ALL youth football.

• Deliberately playing the ball (to the Goal Keeper) - Passback - A ball deliberately played back to the goal keeper with the foot by their own player are NOT ALLOWED (note the word deliberately), if not intentional then no offence is committed.

• THROW-INS - In Development Matches, players should attempt normal throws and be given a second chance. If the second attempt is also very bad then that player may roll the ball under arm.

In Development Matches, the throw should NEVER be awarded to the other team. In Competitive Matches under 9s and 10s matches a player should be given a second chance. If the second throw is a foul throw, then the throw goes to the opposing team.

• RETREAT LINE - In all Mini Soccer Matches (under 7s to under 10s), when there is a goal kick the players from the opposing team must retreat to the half-way line until the kick is taken.

• GOAL KICK - At all ages, goal kicks must be kicked from the ground.

\* Goal Kick refers to from hand/ deliberate pass to goalkeeper
