A MESSAGE FROM THE HAMPSHIRE FA CHAIRMAN

On behalf of the Directors of Hampshire FA, may I welcome you all to the Winklebury Football Complex for the final of the 2022-23 Sunday U18 Boys cup competition sponsored by Savvy Accountancy Solutions. It is with great pleasure that we extend a warm welcome to the players, officials, and supporters of all of today's teams and also to today's match officials.

We congratulate both teams on reaching this County Cup Final, it is a magnificent achievement, but we must also recognise all the hard work that goes on behind the scenes in every club, from coaches, managers, first aiders, committee members and of course the support of parents and families. These Cup Finals do not organise themselves, and a huge thank you must go to the Competitions Subgroup and HFA staff who put in a tremendous amount of time to ensure that your day goes smoothly and with maximum enjoyment.

I would like to extend a special thanks to our official photographer here today, Graham Scambler, for capturing the final of today's competition.

We would also like to thank our official marketing & print partners, Topodium Group, for their work in producing this cup final programme.

Thank you for your support today, I hope you enjoy the game and will observe The FA RESPECT programme.

- James Pearson, Hampshire FA Chairman

CLUB HISTORY

Horndean FC was formed in 1887 - the first recorded game was played on the 19th of October of that year against Red Star of Havant - which Red Star won 1-0. Until World War I all matches were friendlies and on one occasion the game was controlled by two Umpires, one in each half of the field. Shortly after the 1914-18 war, the club joined the Waterlooville & District League and it was not until the 1926-27 season, when the club was reformed that it won the league title - further successes followed in 1930, 31 and 32 winning the trophies outright together with the local cup. During the 1931-32 season the late Frank Bryson scored 83 goals, and during his time at Horndean he scored a total of 348. Both records remain today. In the early days the club played on a pitch at Blendworth Hill, on ground behind the old workhouse opposite what is now the Colonial Bar, and later in a field behind the Brewers Arms in Five Heads Rd and the pub was used for committee meetings. The original club house was opened in 1948 having been built by club members and supporters on land donated by Harry Heath, whose family have continued with the support of the club to this day. Horndean entered the Portsmouth League and in 1953-54 season they won the division 2 title. Mr A.J. Rowe put together a successful youth team and in 1961-62 they won every game scoring 125 goals with only 15 against. Many of these players graduated to the first team and gained promotion to the Premier Division and after winning the Premier title for three seasons 1969, 70, & 71 they were accepted in to the Hampshire League Division 4 in 1972. In 1979-80 they won the double which included winning the double Portsmouth Senior Cup played at Eratton Park. In 1986 we joined the newly formed Wessex League. The club house was rebuilt by Terry Cannon in 1987 after the infamous Hurricane destroyed the old building. The dressing rooms and tea room building was also built by Terry Cannon in August 1988. In 2007 a new committee took over the running of the club and its gone from strength to strength encouraging kids at grassroots level to enjoy and play football in a friendly safe environment. The youth structure at present is small so the achievement of the under 18s to qualify for this final is a credit to the coach and the team. Charter standard was achieved in 2014 for the main club.

WINCHESTER CITY FC U18 RED

CLUB HISTORY

Winchester City were formed in 1891 as Winchester Swallows FC. In 1894 they changed their name to Winchester F.C. (another Winchester F.C. had existed between 1884 and 1893). A further name change happened in 1907 when they became Winchester City F.C.

The club joined the Hampshire League for the 1898-99 season. After many years in the Hampshire League, they joined the Southern League in 1971-72, but they were unable to sustain this move, and returned to the Hampshire League after only two seasons. In 1991-92, they won the Hampshire League Division Two, and were promoted to Division One. In 1993-94, Winchester beat Cowes Sports to win the Trophyman League Cup. The club underwent a reorganisation in 1999-2000 after a financially turbulent previous season. But they emerged from the tough period and were Division One champions again in 2000-01, earning promotion to the Premier Division, while also winning the Inter League Shield that season. In 2001-02, the club merged with Winchester Castle, but only managed to finish third in the league. However, they won the Hampshire League title, and promotion the next season, and completed a treble of trophies by also winning the Trophyman Cup and the Southampton Senior Cup.

The 2003-04 season turned out to be extremely successful for the club as they won the league in their first season in it, and capped it with the Wessex League Cup title, as well as beating AFC Sudbury to win the FA Vase. However, promotion to the Southern League was denied, as their ground did not meet the criteria set by the league. The following season saw the club have more cup success by winning the Hampshire Senior Cup. After a further title win in 2005-06 the club were admitted to the Southern League's new Division One South & West. In the 2008-09 season the team finished 20th after a last day win at Windsor & Eton, but after the game were deducted three points for fielding an ineligible player and as a result finished bottom of the table, leaving them facing relegation to the Wessex League. The club appealed against the decision with The Football Association but lost their case and were relegated for the 2009-10 season. Manager Shaun Brooks left the club in September and former player Stu Hussey took over, but along with his assistant manager and coaches he was sacked after a string of bad results in April 2010, resulting in Winchester appointing Glenn Cockerill as manager. Cockerill however left the club and Guy Butters was put in charge.

On 9 April 2012, Winchester City earned promotion back to the Southern League with four games to spare after a 2-0 win over GE Hamble. Butters left Winchester City to further his coaching career with Football League Championship side Brighton & Hove Albion, and the Citizens announced that James Taylor would be taking over as the new manager in October 2012. However, City were relegated back to the Wessex Football League Premier Division for the 2013-14 season. In 2014, Winchester reached the third qualifying round of the FA Cup for the first time in 59 years but were beaten 3-2 by Concord Rangers. The following season Winchester finished 2nd in the Wessex League Premier Division and, after Flackwell Heath turned down the opportunity of promotion from Step 5 to Step 4 of the National League System, were offered the vacant space in the Southern League Division One South & West, which the club accepted. The club became famous in July 2018 when French football player Ousmane Dembélé played Football Manager for it.

MANAGER'S WORD

"We have had a great season so far. We have won the Hampshire Combination & Development Football League, Under 18 Division East with an unbeaten record. We reached the 2nd round proper of the FA Youth Cup, beating some strong academy sides along the way and narrowly losing out to Oxford an academy team halting further progression. But the boys loved this challenge and worked hard to achieve the results to that point.

We are still competing in the league Cup and the semi-final for this takes place this weekend.

Credit must go to all the players in this team, they have achieved so much as a relatively small grassroots squad, they work hard for one another on the pitch and can display quality football which any manager would be happy to see. The boys and I are very proud to have reached the Hampshire Cup final and they will soak up this memorable experience."

- Dean Blamire

CAPTAIN'S WORD

"I'm sure the whole squad and players on the pitch will give 100%. We are all proud to be a part of this team and the achievements we have secured so far this season. #UPTHEDEANS"
