Investing in the Future

External Grants & Funding

The FA as well as Hampshire FA work together with a strong network of partners and stakeholders including the likes of the Football Foundation, Sport England, Local Authorities and others. One of our aim's is to ensure that we can continue to extensively promote and publicise funding opportunities and grants for our grassroots community in Hampshire.

Below is a list of potential funding sources available to support sport clubs, community organisations and individuals:

[Places and Spaces](#)

A £7 million pot with up to £10,000 available in match funding for Crowdfunder projects, as part of a Birmingham 2022 Commonwealth Games package to help community support and physical activity groups improve places and spaces across the country.

[Energise Me](#)

These local and national funding sources could help you achieve your goals – be it competing, developing your club or supporting others to move more.

[Crowdfunder Sports](#)

Hundreds of football clubs are turning to crowdfunding, working with supporters on a range of innovative campaigns to generate essential revenue and drive meaningful fan engagement.

External Grants & Funding

[Community Amateur Sports Club \(CASC\)](#)

Amateur sports clubs can take advantage of valuable tax relief and Gift Aid on voluntary donations by registering as a CASC.

[Hampshire and Isle of Wight Community Foundation](#)

Our grants support charities, community groups and voluntary organisations in Hampshire and the Isle of Wight.

[Tesco Community Grants](#)

Tesco Community Grants is open to charities and community organisations to apply for a grant of up to £1,500.

[Greenham Trust](#)

Greenham Trust has launched a £30,000 Football for Fitness Fund to help girls and women and people of all ages and abilities play the sport to help them get more active and healthier.

[The Good Exchange](#)

The Good Exchange is one of the few online funding and fundraising platforms that is wholly-owned by a charity.

Greenham Trust runs The Good Exchange to help funders in its local area to give and receive grants more quickly and efficiently and to also enable all charitable organisations from anywhere in the UK to run cost-effective crowdfunding appeals.

External Grants & Funding

Boost

Provides grants for charities and non-profit making organisations who run activities which aim to inspire disabled and disadvantaged people through sport.

Peter Harrison Foundation

Are an independent grant making trust that supports registered charities and Community Amateur Sports Clubs (CASCs) in the United Kingdom.

The Trustees wish to support organisations and activities that use physical activity to enable disabled people and those who face disadvantage to fulfil their potential and to develop personal and life skills.

Sported England

Sported's partnerships and projects are essential to enable us to support our network. We are very proud to work in partnership with fantastic organisations and funders and are always looking to have new conversations and explore ideas for future projects.

Active Dorset

Work with partners through a system change approach, so that increased numbers of people are supported to become more physically active.

External Grants & Funding

Southampton City Council

Grants are available to support the work and activities of local voluntary and community groups that benefit Southampton city residents.

These grants are open to voluntary and community groups only.

Basingstoke & Deane Borough Council

The council provides grant funding to a range of voluntary and community sector organisations to improve the wellbeing of local residents. Grant funding is an important way for the council to acknowledge and support the contribution community and voluntary sector organisations make to the borough.

Turn2us

Turn2us helps people in financial need gain access to welfare benefits, charitable grants and other financial help – online, by phone and face to face through our partner organisations.

Backing The Best

The Backing The Best programme, managed by SportsAid for Sport England, supports athletes who would face difficulties progressing through their sport's talent development system without critical financial help.
