FREQUENTLY ASKED QUESTIONS

What is a FAN?

FAN stands for FA Number. Your FAN is the individual number used to record all football participants, whether they be players, officials, referees, coaches or members of the England Supporters Club.

Do I have to have a FAN to access Whole Game System?

Yes, you will need your FAN to access WGS as it is this number that records the role or roles you have in football.

Can an Individual have more than one FAN?

Ideally not, and you should avoid creating duplicate records. Should you come across a participant with more than one FAN record, please contact your County FA who will merge the multiple records (this is known as de-duplication, or de-dupe).

How do I find out my FAN?

If you have forgotten your FAN please contact your club secretary or County FA who will be able to advise you of your FAN.

Can I retrieve my password if my email address isn't on my FAN record?

No. The retrieve password function relies on sending an email to email address recorded in WGS. If your current email address is not recorded against your FAN, you will need to contact your County FA who will verify your identity and add your email to the FAN.

What do I do if the retrieve password email does not arrive?

First of all, please check your spam folder in case your email system has filed it as spam. If it has not, and you have recently changed your email address, please check your old email account. Should the email not have arrived please contact your local County FA who will be able to check your FAN record to see whether the correct email address is assigned to it.

The main content area displays the 'GB Group Organization PIN:' field with an input box and an 'Update' button. Below this is a blue information box:

Everyone working in an eligible role, directly working with children and young people – including managers and coaches – Must have an in-date, FA Accepted, Criminal Record Check (CRC) before they work or volunteer within football. FA CRCs are classed as being in-date for 3 years from the date of issue and at that point must be renewed. For more information on Criminal Records Checks in football please [click here](#).

Once the Club has clicked on this Tab, the screen above will appear. You will be required to add your GBG Pin and update, which the Club will know from using the GBG Site.

Should you not know your PIN, please contact your County Designated Safeguarding Officer or GBG to obtain this, although it will be available in GBG if you have access to log in.

SECTION FOUR

ADDING INDIVIDUAL TO THE ROLE OF CRC APPLICANT

It is here you will add new CRC Applicants to your Club who do not currently hold a valid in date CRC. Any new Managers, Coaches, Assistant Managers & Coaches who hold the correct qualifications, will need to be added in the normal manner under your Team Officials Tile to the correct team.

Once your pin is entered, and you are ready to proceed with your applications via the new method you will see the screen below which allows you to add new applicants.
