

PREVENT EXTREMISM IN HERTFORDSHIRE

Prevent is a government led initiative which safeguards people and communities who may be at risk of radicalisation

The aim of Prevent is to reduce the threat to the UK from terrorism by stopping people becoming terrorists or supporting terrorism, for example support for political or religious violence

"Safeguarding vulnerable people from radicalisation is no different from safeguarding them from other forms of harm"

If you're worried about someone in your club being radicalised, please contact your Club Welfare Officer or the Hertfordshire FA Designated Safeguarding Officer

In an emergency you should always call 999
