REFEREE PROMOTION SCHEME

Your Promotion Co-Ordinator 😊

1) Promotion Scheme – What will it give you?

- The opportunity to become a Senior County Referee (L5), and from there push on to become a national (FA) official
- An increased chance to get bigger, better matches
 - In your existing leagues
 - County Cup appointments
 - FA competitions – Youth Cup, Vase and even FA Cup!
- Feedback and coaching on your refereeing to better equip you for your future matches

2) Promotion Scheme – How does it work?

- Three to five times in the season your matches will be watched by one of our trained Observers
- They will contact you in advance, chat to you briefly after the game and then write up a report on your performance
- There is also an evening workshop, inc a LOTG test, and a fitness test at higher levels
- May/Jun, the referee committee decide promotions (anonymously) based on your reports and club marks

TOM HOOD

- Level 4 referee on Spartan League
 - Appts this season in FA Cup, Vase & Trophy
- Aged 20 and promoted 7-6-5-4 in three seasons

“For me, it was a great opportunity to receive constructive feedback. The advice enabled me to make the step up to the next level, whether that be feedback on application of law, how to manage situations or how to get into the right areas of the pitch to make the best decisions. I've also always found the observers to be extremely supportive with the sole aim of improving the referee with ways they can develop!”

4) Promotion Scheme – What do I do now?

- If you're interested for Season 21/22 then ...
 - 1) Make sure you referee 20+ matches THIS season
 - 2) Officiate in adult football
 - 3) Let me know!

Session Summary

- The promotion scheme is a great way to become a better referee
- It is open to ALL those L7 to L5 officials who are active in Adult football
- Any questions?
