The National Game Insurance Scheme

Delivered by The FA's appointed broker, Bluefin Sport

Five elements of cover in one package

We have worked in conjunction with The FA and County Football Associations to create this liability insurance policy for clubs, leagues and match officials

What is the National Game Insurance Scheme (NGIS)?

In 2012 The FA carried out a review of insurance across grassroots football which highlighted a lack of guidelines, and prompted the introduction of minimum standards across all Counties.

The National Game Insurance Scheme (NGIS) has been designed to address this by raising the standard of insurance covers available and to provide more affordable solutions to grassroots football.

About the policy

What is Countycover?

This specialist legal liability insurance package has been designed to provide cover for County Football Associations (CFA's) and their affiliated member clubs, leagues and match officials.

Five elements of cover

Our exclusive policy consists of:

1. Public & products liability

Provides protection against legal liability for bodily injury to third parties and damage to third party property. Includes 'Player to Player' legal defence costs (See 'Player to Player' liability cover heading on page 4).

2. Employers' liability

Provides cover in respect of claims made against the club for injuries caused to an employee of the club arising out of and in the course of such employment.

3. Officers & committee liability

Provides cover for claims made directly against individuals at the club e.g. officer, committee member, director and/or trustee for alleged wrongful acts.

4. Professional indemnity

Liability cover for claims made against the club for negligent acts, errors or omissions, libel, slander and defamation. Includes cover for coaching activities that may be given in return for a fee.

5. Cyber liability

Provides cover for your liability that can arise from collecting and storing personal data electronically or from operating on the internet.

How do I purchase this cover?

By CFA's arranging cover as a group insurance scheme it means that premiums are more affordable to their affiliated clubs and leagues at the lower levels of the game.

Cover can be obtained via the affiliation process and premiums are per member club, regardless of the number of teams. Leagues and competitions can purchase the cover at the same price as clubs.

Further details of this policy can be found overleaf. As this is a summary of cover it does not include all the policy benefits, limits and exclusions. Full terms, conditions and exclusions are shown in the master policy document, a copy of which is available on request or at bluefinsport.co.uk/ngis.

Is Countycover adequate for my club/league?

This policy is designed to meet the demands and needs of the majority of CFA's and their amateur and semi professional clubs/leagues (at Step 5 and below and Tier 3 and below) that wish to protect themselves against third party liability. Cover extends to include property owners liability for clubs/leagues that own a clubhouse, changing facility or stands.

The above statements do not constitute advice or a personal recommendation for this policy. Should you require advice please contact Bluefin Sport.

It is important to note that policy automatically includes both a club and leagues commercial activities but in respect of the operation of a licensed premises cover will only be provided if turnover/revenue for this commercial aspect is less than £30,000. For any licensed premises activities that exceed this threshold then you will require separate cover.

We can provide quotations for the operation of licensed premises including combined insurance packages for buildings, contents and employers liability if required.

Policy excesses

- **Public liability:** £100 for each and every claim in respect of damage to property only. This is reduced to just £25 in respect of claims for damage to glass/windows.
- **Employers liability:** No excess.
- **Officers and committee liability:** £250
- **Professional indemnity:** £100
- **Cyber liability:** £250 each and every claim.

More about the policy

The period of insurance

Cover will be provided for 12 months from 1 July 2019 or the date a club/league affiliates to the County Football Association and cover agreed, whichever is the later. The scheme is annually renewable on 1 July the following year.

'Player to Player' liability cover

'Player to Player' is a term used to define a situation where a claim arises from one player injuring another whilst participating in a game or training.

Countycover does not cover 'Player to Player' incidents. However, the policy may pay up to £250,000 towards legal defence costs to defend an action brought by a player from another club, subject to the terms, conditions and exclusions of the policy, and provided that the insurer believes there is a strong possibility of successfully defending the allegation.

The provision of legal defence cover is designed to protect the innocent party. It is important to note that this will not provide cover for any damages legally awarded.

Cover for club tournaments and fund raising events

Cover applies to Legal liability arising from club fund raising and tournament events up to 5,000 attendees per day but excluding any hazardous activity, as detailed within the policy wording. However, the policy can usually be extended to cover hazardous activities subject to an additional premium, and will be reviewed

on an individual basis depending on the information provided. Most tournaments will need to be sanctioned by your CFA.

Please note: Cover includes bonfires and fireworks displays but this will be subject to agreed event plan criteria (see glossary page 8).

Please note: the policy does not include cover for event cancellation, abandonment, curtailment or event property. Contact us if you wish to arrange this.

Some claims examples and FAQs

1. Public & products liability

Why should I have it?

Claims examples:

1) A player slid off the pitch into a concrete post. It was alleged that the post was erected too close to the playing surface and injury could have been avoided if the club had taken prior action. The club were held liable for the injury to the player.

2) During a football competition the club provided their own barbeque and supplied burgers and snacks. Following the event the club received news of several cases of food poisoning from various people that had attended the event. The club were held responsible.

2. Employers liability

Why should I have it?

Claims example:

A club asked a 'volunteer' if he would put the nets up on a regular basis in return for a small monetary reward. The club supplied a wooden step ladder to help fulfil the task.

The stepladder collapsed whilst the volunteer was using it and resulted in sustaining an injury. It was proven that the step ladder was rotten and unsuitable for the task at hand. The club were held liable under Employers Liability because of the master-servant relationship.

3. Officers & committee liability

Why should I have it?

Claims example:

During a committee meeting club member A read out a statement relating to club member B. Club member B took offence to this statement and later pursued legal action against club member A for alleged defamation of character.

4. Professional indemnity

Why should I have it?

Claims example:

A club coach decided to bring in a new warm-up regime before a game. A few players reported back pains a week later. It was alleged that these injuries were as a result of the new training regime and the advice that the club coach had been giving the players.

Claims for injury were pursued against the coach for the instruction and advice he had given. The policy offered protection to the club coach in this particular case.

5. Cyber liability

Why should I have it?

Claims example:

A club official drove to work with a laptop on back seat of the car. Whilst stopped at a set of lights a thief reached in and stole the laptop which happened to contain information on club members, including names and address, contact numbers, dates of birth, nationalities and some bank details.

The club had to advise all their members and organisations of the loss of data in addition to having to deal with some adverse publicity.

Frequently asked questions

Q: Does the policy cover third party injuries sustained inside a clubhouse?

A: Yes. The policy is designed to cover slips, trips and falls due to your negligence

Q: Can we have a 'Lads v Dads' match?

A: No. County FA's do not sanction these types of activities. We have received claims in the past following serious injuries in these types of games.

Q: Does the policy cover injury to players?

A: This is a liability policy only so is designed to provide protection for claims made against you if you are found to be at fault or negligent in some way. For players to be protected for injury, regardless of blame, clubs should consider buying personal accident insurance. Visit bluefinsport.co.uk/ngis for further information.

Q: Are soccer tots covered?

A: Yes. There are no age restrictions to the liability policies however, it is recommended that for children under 5 years of age their parent or guardian remains with their child.

Q: Are coaches covered?

A: Coaches are covered whilst working solely for the club but not independently.

Q: We are having a bonfire and firework display. Are we covered?

A: Yes but cover is subject to agreed event plan criteria. Please refer to the glossary.

Q: My kit/phone was stolen having been left in the changing rooms whilst I played - can I make a claim

A: In the first instance this type of claim needs to be referred to your own insurance provider i.e. mobile phone insurance or household cover. Your own club may have a contents policy which potentially could cover items away from the club. A liability claim will only be successful if the club have acted in a negligent fashion.

Delegating responsibilities is common, however as an officer, committee member, director or trustee you retain the ultimate responsibility for any decisions or action taken, for example accepting new members or directing how club funds are to be used.

Clubs and leagues can be subject to a large number of rules and regulations. Officers, committee members, directors and trustees also need to be aware of these requirements and must ensure that the club or league complies. What you have to comply with will vary depending on your activities or your size. Examples include compliance with:

- legislation concerning racial, sexual and age harassment and discrimination
- employment law for any club/league employing staff (this may include volunteers)

At-a-glance glossary

Claims made (please note this only applies to Sections 3, 4 and 5.)

The term used to describe the type of policy that will only respond to a loss or claim that is **reported** to the insurer during the period of the cover. This is in contrast to policies that respond to a loss or claim that **occurred** during the period of cover. With a 'claims made' policy the incident that causes the claim doesn't need to have happened during the period of the policy but it must have occurred after the retro-active date - see definition below. Incidents reported after a policy has expired would not be covered.

Commercial activities

Means activities arranged by you and within the geographical limits which are not directly related to the operation of a team or club and the sole purpose of which is to gain a commercial advantage.

Countycover

Event Plan Criteria (Fireworks and Bonfires)

Firework/Bonfire Warranty

- all fireworks are discharged by designated adults only
- all fireworks are stored in fire resistant containers
- all spectators are kept at least 15 metres from the bonfire and firework discharge points
- no accelerants are used on the bonfire

Retro active date

'Claims made' policies mean that an incident that causes a claim doesn't need to have occurred within the period of the policy but the policy will define a date before which cover would not be provided - this is the policy's retro-active date and will be stated on the Evidence of Cover issued by your County FA.
