

NORTH WEST ESSEX SUNDAY LEAGUE RULES (2022/2023)

This document contains the Standard Code of Rules developed by The Football Association for open age football (the "Standard Code").

The Standard Code is **mandatory for all Competitions at Step 7 of the National League System and below, and The FA Women's Pyramid excluding FA Women's Super League and FA Women's Championship**.

Competitions seeking sanction must draft their Rules in conformity with the Standard Code, using the same numbering and standard headings.

The mandatory rules are printed in normal text and the optional rules in italics.

It should be noted that in many cases rules are so printed because they are alternatives and the procedure to apply should be retained and the others omitted.

In all cases where a [] is shown the necessary name, address, number or wording to complete that rule must be inserted.

Competitions may add to the core of the Standard Code, which is mandatory, providing the additions are approved by the Sanctioning Authority and do not conflict with the mandatory rules or any relevant principles and policies established by The FA. Guidance from the Sanctioning Authority should be sought in advance if there is any doubt as to the acceptability of additional rules.

Terry Reed North West Essex Sunday League Fair Play Scheme

Introduction

Fair Play means respect. Respect should be part of everyone's game. Without opponents there can be no game. Everyone has the same rights to be respected. Team-mates are colleagues and should be respected for their part in the team. Referees are there to maintain discipline and fair play. Always accept their decision without arguing and help them to enable all participants to have a more enjoyable game. Club Officials are also part of the game and must be respected accordingly. Spectators give the game atmosphere.

They want to see the game played fairly but must also behave fairly and with respect themselves.

Purpose of the Scheme

The purpose of this scheme is to recognise the Clubs and teams that maintain an exemplary record of conduct. The two teams with the best record in each division will receive an award determined by the League's Management Committee. Currently the award to each Divisional "Winner" will be the refund of the following season's League Subscription Fee and the team coming second in each Division will have 50% of the fee refunded. All teams having a score of 3 or less will receive a match ball.

Management of the Scheme

The Referees Secretary will maintain the records of players, officials and spectators misconduct using the following tally.

- (a) each recorded caution as one point.
- (b) each recorded dismissal as five points, except for the offence of deliberate handball which will be one point.
- (c) each report of misconduct by a Club Official or Club Member, including in a spectating role, as three points.

When concerns arise

The decision on any concerns that the conduct of any player, official or team may have on the good reputation of the League will be made by the ~~League's Management Committee~~ Management Committee (appointed within the terms of League Rule 5) The player(s), official(s) or team(s) giving concern will be required to attend a meeting with the Management Committee or delegated Sub-Committee to explain relevant matters.

Notwithstanding the previous paragraph, the Management Committee will use the following thresholds in its deliberations with Clubs/Teams.

- (a) ~~at fifteen points, the report is~~ dispatched.
- (b) at twenty five points, attendance at a meeting the Management Committee to discuss possible remedial action.
- (c) at forty points, the Management Committee will consider a recommendation to exclude the term from membership of the League.

And otherwise

The Management Committee may consider reports from a League observer and/or match officials on serious concerns of attitude and behaviour. The Committee would consider appropriate sanctions up to and including cancellation of registration to play if a player, or if an official or spectator, consider persona non grata status. Any team fielding a player whose registration has been cancelled by the League, and whilst that decision is still operative, will be deemed to have committed a very serious breach of League Rules and will be dealt with by the Management Committee.

Teams required to attend a meeting with the Management Committee or delegated Sub-Committee will pay a levy of £20. towards the expenses of staging the meeting.
