

HOW DOES A 14 OR 15 YEAR OLD REFEREE REGISTER THIS SEASON?

14 and 15 year old referees who are going through the referee registration process will need to ensure their parents / carers have given them permission in account management.

myaccount.thefa.com

Parents / carers need to be linked to their child / youth referee in My Account. If you are a parent/ carer and you cannot see your child / youth referee linked to your account, please speak to your club or CFA to do this for you

Please **DO NOT** create a new individual as this will create a duplicate record which will not have your child's / youth referee's details on it

When clicking on your child's / youth referee's account, you will see a new section which will allow parents or carers to consent to referee (on behalf of the child)

Simply tick the box which provides consent for the youth referee to register

Once you have provided consent for your child / youth referee, that will be able to register as normal by going to refereeregistration.thefa.com
