MATCHES AGAINST FOREIGN CLUBS

Associations, Leagues and Clubs, members of The Association, wishing to play Associations, Leagues or Clubs of another nationality must apply to The Association for consent **at least 28 days before the date of the intended match.**

The Association will inform the other Association concerned when consent has been given for matches applied for.

The rules connected with the playing of matches abroad are probably the ones which are broken most. A minimum notice of 28 days should be given, though experience shows that this is not enough. When a request is made for a match to be played against foreign opposition, home or away, the national association of the opponent's club must be approached to see if that club is properly affiliated. This takes time, and at busy periods such as Easter and Whitsuntide, when many junior clubs go abroad, frequently consent is not received until shortly before the match is to be played. More unfortunately, notification is received that the proposed opponents are not affiliated, in which case the match cannot be played. Clubs have been severely punished and banned from foreign touring for periods of time for breaches of this rule.

In the case of senior professional clubs, matches between European clubs may only be arranged by agents who are licensed by the European Federation (U.E.F.A.). Lists of licensed agents are obtainable from The Football Association. It is almost courting disaster to attempt to arrange a match against foreign opposition at short notice, and "short notice" means less than a month.

Clubs should ensure that they follow their safeguarding children policy and procedures at all times and refer to The FA's recommended guidance on Travel Trips and Tournaments via <http://www.thefa.com/football-rules-governance/safeguarding/raising-awareness--downloads-section>

RESPONSIBILITY FOR BEHAVIOUR

On the two types of application form for Tours abroad, The FA states that -“All clubs given permission to play matches abroad are directed to ensure that, both on and off the field members of the party should uphold the prestige of The Association and of their clubs. It is a condition of permission being granted that a Director or Senior Committee Member of the club must travel with the party and must accept full responsibility for the actions and conduct of the party on tour.”

Consent is also conditional upon the Laws of the Game being strictly observed. For example, even in friendly matches up to six substitutes may be used. If the matches are to be played outside Europe, clubs are reminded that in their own interest they should forward details of their visit and the matches to be played to the British Embassy in the countries concerned, and The Association will endeavor to assist in transmitting this information. This procedure is always followed in the case of an England or Representative FA side.

 - 31.1.2 any duty owed to a third party or any direct or indirect interest which he or she (or a Connected Person) has which conflicts or possibly may conflict with his or her duties to the Charity or the interests of the Charity.
- 31.2 There is no need to declare any interest or duty:

- 31.2.1 of which the other Directors are, or ought reasonably to be, already aware; or
- 31.2.2 of which the Director is not aware (but for this purpose a Director is treated as being aware of matters of which he or she ought reasonably to be aware).
- 31.3 If the interest or duty of the Director (or the Connected Person) cannot reasonably be regarded as likely to give rise to a conflict of interests or duties with, or in respect of, the Charity, the Director is entitled to participate in any decision making process, to be counted in the quorum and to vote under the normal procedures but may recuse himself or herself from any such participation. Any uncertainty about whether an interest or duty of a Director (or a Connected Party) is reasonably likely to give rise to a conflict of interests or duties with, or in respect of, the Charity shall be determined by the other Directors acting reasonably and in good faith.
- 31.4 Unless Article 31.5 below applies, whenever a Director (or a Connected Person) has an interest or duty which conflicts (or may reasonably be regarded as likely to give rise to a conflict of interests or duties) with, or in respect of, the Charity, the relevant Director must:

 - 32.3.3 be terminated or varied by the Directors at any time (but this will not affect anything done by the Director in accordance with the terms of authorisation prior to such termination or variation).
- 32.4 In authorising a conflict of interests under this Article 32, the Directors may decide (whether at the time of giving the authority or subsequently) that, if the relevant Director has obtained any information through his or her involvement in the conflict of interests otherwise than as a Director of the Charity and in respect of which he or she owes a duty of confidentiality to another person, the relevant Director shall be under no obligation to:
- 32.4.1 disclose such information to the Directors or to any Director, Officer or employee of the Charity;
 - 32.4.2 where, to do so, would amount to a breach of that duty of confidentiality.

32.8 For the avoidance of doubt a Director's duty under Section 175 of the CA 2006 to avoid conflict of interests with the Charity shall be disapplied in relation to all transactions and arrangements permitted under or by virtue of Article 5 and described in Articles 5.2.1 to 5.2.10 inclusive and Articles 5.3.1 to 5.3.10 inclusive.

COMMENCING A CLAIM

- 2 If a Football Debt has not been recovered within 28 days of the date of the Formal Request, the Alleged Creditor may submit a Notice of Claim, provided this is done prior to the Deadline.
- 3 In order for a Notice of Claim to be valid, an Alleged Creditor must (i) include all relevant details about the Football Debt(s) which is the subject of the claim and the manner in which it is alleged to have arisen and what steps have been taken to recover it; (ii) provide a copy of the Formal Request and; (iii) provide the full name, last known address and date of birth of the Alleged Debtor (if known); (iv) pay an administration fee of £25 in respect of each Football Debt detailed in the Claim at the same time as filing the Notice of Claim. This fee may be added to the total debt claimed from the Alleged Debtor.
- 4 Upon receipt of a valid Notice of Claim, the Affiliated Association shall take steps to verify whether the Football Debt(s) is payable by the Alleged Debtor to the Alleged Creditor. The Affiliated Association shall provide a Notification to the Alleged Creditor and Alleged Debtor within 21 days of receipt of the Notice of Claim.

PAYMENT OF A CLAIM

- 5 If a claim is upheld by the Affiliated Association, the Alleged Debtor must make payment of the Football Debt directly to the Alleged Creditor within 21 days of the date of the Notification.
- 6 If a claim is partially upheld by an Affiliated Association, the Alleged Debtor must make payment of such proportion of the Football Debt as directed by the Affiliated Association, in its absolute discretion, in the Notification, directly to the Alleged Creditor within 21 days of the date of the Notification.
- 7 If a claim is rejected by the Affiliated Association, no payment is payable by the Alleged Debtor to the Alleged Creditor.

APPEALS

- 8 If a Claim is upheld or partially upheld by the Affiliated Association, the Alleged Debtor may submit a Notice of Appeal to the Affiliated Association within 21 days of the date of the Notification.
- 9 If a Claim is rejected or partially upheld by the Affiliated Association, the Alleged Creditor may submit a Notice of Appeal to the Affiliated Association within 21 days of the date of the Notification.
- 10 In order for a Notice of Appeal to be valid, the Alleged Debtor/Alleged Creditor must (i) detail all relevant reasons why the Notification should be overturned in full or in part; (ii) provide a copy of the Notification and copies of all paperwork previously submitted to the Affiliated Association in respect of the claim; (iii) provide the full name, last known address and date of birth of the Alleged Debtor/Alleged Creditor (if known).
- 11 Upon receipt of a valid Notice of Appeal, an Appeal Board shall determine, in its absolute discretion, whether to uphold, partially uphold or reject the appeal and shall provide an Appeal Notification to the Alleged Creditor and Alleged Debtor within 21 days of receipt of the Notice of Appeal. The decision of the Appeal Board shall be final.
- 12 If an appeal is rejected by an Appeal Board, the Appeal Fee shall be retained by the Affiliated Association.
- 13 If an Appeal Notification directs that the entirety or a proportion of the Football Debt(s) is payable by the Alleged Debtor to the Alleged Creditor, such sum must be paid directly to the Alleged Creditor within 21 days of the date of the Appeal Notification.

MISCELLANEOUS

- 14 If a claim is upheld or partially upheld by an Affiliated Association/Appeal Board and payment of the Football Debt has not been received by the Alleged Creditor within 21 days of the date of the Notification/Appeal Notification, the Alleged Debtor will be automatically suspended from all footballing activity by the Affiliated Association until (i) the sum directed to be paid by the Affiliated Association/Appeal Board has been paid to the Alleged Creditor in full, and (ii) the Alleged Debtor has received notification from the Affiliated Association that the suspension has been lifted. Any Alleged Debtor breaching such a suspension will be liable to be charged under FA Rule E10 of the Rules of The Association.

KNOCK-OUT COMPETITIONS OBTAINING A RESULT

Taking of Kicks from the Penalty Mark

It should be noted that in ALL County Cup Competitions, there is NO provision for extra time.

If a match is drawn at the conclusion of ordinary time, the result of the tie will be determined by the taking of kicks from the penalty mark in accordance with the following provisions.

Taking kicks from the penalty mark is a method of determining the winning team where competition rules require there to be a winning team after a match has been drawn.

When a team finishes the match with a greater number of players than their opponents, they shall reduce their numbers to equate with that of their opponents and inform the referee of the name and number of each player excluded. The team captain has this responsibility.

Before the start of kicks from the penalty mark the referee shall ensure that only an equal number of players from each team remain within the centre circle and they shall take the kicks.

The Referee chooses the goal at which all kicks shall be taken.

The Referee tosses a coin and the team whose captain wins the toss decides whether to take the first or the second kick.

The Referee keeps a record of the kicks being taken.

Subject to the conditions explained below, both teams take five kicks. The Kicks are taken alternatively by the teams.

If, before both teams have taken five kicks, one has scored more goals than the other could score even if it were to complete its five kicks, no more kicks are taken.

If, after both teams have taken five kicks, both have Scored the same number of goals, or have not scored any goals, kicks shall continue to be taken in the same order until one team has - scored a goal more than the other from the same number of kicks.

A goalkeeper who is injured during the taking of kicks from the penalty mark and is unable to continue as a goalkeeper may be replaced by a named substitute, provided his team has not used the maximum number of substitutes permitted under the competition rules.

With the exception of the foregoing case, only players who are on the field of play at the end of the match, which includes extra time, where appropriate, shall be allowed to take kicks from the penalty mark.

Each kick is taken by a different player, and all eligible players must take a kick before any player can take a second kick.

An eligible player may change places with the goalkeeper at any time when kicks from the penalty mark are being taken.

All players, except the player taking the kick and the two goalkeepers, must remain within the centre circle.

The goalkeeper who is the team mate of the kicker must remain on the field of play, outside the penalty area in which the kicks are being taken, on the goal line where it meets the penalty area boundary line.

The other goalkeeper must remain on his goal line between the goalposts, facing the kicker until the ball is kicked.

Only the players and match officials are permitted to remain on the field of play when kicks from the penalty mark are being taken.

Unless otherwise stated, the Laws of Association Football, and the International Football Association Board Decisions apply when kicks from the penalty mark are being taken.

REGULATIONS FOR THE SANCTION AND CONTROL OF COMPETITIONS AT STEP 1 OF THE NATIONAL LEAGUE SYSTEM AND BELOW

Preamble

Competitions receive sanction from The Association or County FAs to demonstrate that each Competition comprises clubs that are affiliated to a County FA; that each set of rules complies with FA requirements and that the Competitions may benefit from the use of registered match officials, may play against other affiliated clubs and benefit from other services offered by The Association and County FAs. All Affiliated Associations sanctioning Competitions and all Competitions shall observe the Rules and Regulations of The Association. Any rule, regulation or practice of any such Association or Competition that is inconsistent with the Rules and Regulations of The Association shall be void and unenforceable. For further avoidance of doubt, the fact that a Competition has been sanctioned whether directly or indirectly by The Association shall not render enforceable any such rule, regulation or practice that would otherwise be void and unenforceable under the Rules of The Association.

In order to receive sanction from The Association or an Affiliated Association, a Competition must have its Rules approved by the sanctioning Association and provide a list of its member clubs and teams, all of which must be affiliated to an Affiliated Association for the appropriate season.

Applications to form new Competitions should be directed to the Affiliated Association which has the majority of clubs expected to participate. The application must state whether the Competition comprises new clubs/teams or whether it proposes to invite clubs/teams from existing Competitions. Applications to form a new Competition involving clubs/teams from existing Competitions must allow time for the sanctioning Association to consult with the existing Competitions and relevant Associations in order to assess the impact of the new Competition before deciding whether to approve or reject the application.

1. A Competition consisting of clubs, all of which are Members of one Affiliated Association only, shall make application for sanction to, and the Competition shall be sanctioned by, and be under the jurisdiction of that Association.
2. Competitions at Steps 1 to 6 of the National League System and competitions in the top five tiers of the Women's Pyramid shall make application for sanction to The Association. Other competitions consisting of clubs within the area of, or affiliated to, two or more Affiliated Associations shall make application for sanction to, and may be affiliated with, the association which

has the majority of the Competition's clubs in membership. In the case of any dispute as to the correct sanctioning Association, this will be determined by The FA Sanction and Registrations Committee. In its absolute discretion, The Association may vary the provisions of this Regulation as it sees fit.

3. Licensing System

- (a) The Association shall operate a Licensing system to apply to all Clubs in Competitions at Steps 1 to 4 of the National League System ("NLS"). A Club shall be required to hold a Licence to be a member of a Competition at Steps 1 to 4 of the NLS with effect from the commencement of the 2016-2017 Playing Season. The Licensing System to be applied is included as Appendix 1.
- (b) Each Competition at Steps 1 to 4 of the NLS shall be responsible for the operation, assessment and granting of the Licence in respect of its Clubs through the Standardised Rules as approved by the Sanctions & Registrations Committee of The Association. A Competition at Steps 1 to 4 shall take all reasonable and practical steps to co-operate with The Association in the application of the Licence.
- (c) In the event that a Competition fails to apply the licensing requirements set out in the Standardised Rules to the satisfaction of The Association, then The Association shall have the powers of the Board of that Competition as set out in the Standardised Rules to apply such licensing requirements. In addition, The Association may, if necessary, bring an action against the Competition for Misconduct under the Rules of The Association.

National League System Policy Body

- (d) A body shall be established by the Sanctions & Registrations Committee to oversee the Licensing system ('the NLS Licensing Policy Body' ('Policy Body')). The Policy Body shall be responsible for reporting to the Sanctions & Registrations Committee on all matters in relation to the formation, development and monitoring of the licensing system.
- (e) The Policy Body shall comprise the following:
 - i. Four Council members, one to be nominated annually by each of the Competitions at Steps 1-4 as its representative;
 - ii. Three Council members who are National Game Representatives and who shall be nominated annually by the Sanctions & Registrations Committee;
 - iii. A Chairman who has no affiliation to any League in the National

League System and who shall be nominated annually by the Sanctions & Registrations Committee.

- (f) Questions arising at any meeting of the Policy Body shall be decided by a majority of votes. The Chairman shall only be eligible to vote in the event of a tie.
4. A Competition may be used for advertising and/or sponsorship purposes and the name of the donor of a Trophy or any other presentation may form part of the title of a Competition only with the prior consent of The Association or appropriate Affiliated Association. The title sponsor of a Competition may be changed from season to season.
5. If a Competition is discontinued for any reason a Trophy or any other presentation shall be returned to the donor if the conditions attached to it so provide or, if not, dealt with in accordance with the Competition rule governing the dissolution of the Competition as set out in The Association's Standard Codes of Rules and approved by the sanctioning Association.
6. The sanctioning Association (s) may not allot a club/team to a Competition. The sanctioning Association may permit the Competition to make provision in its Rules to restrict the number of Competitions, except FA and County Cup Competitions, in which its teams take part. An exception to the Regulation shall be in Competitions that form part of the National League System and the Women's Football Pyramid and Girls' Football, as determined from time to time by The Association. In accordance with FIFA Statutes, Clubs applying to play in a Competition under the jurisdiction of another National Association must have the permission of their County FA, The Association, other National Association, UEFA and FIFA.
7. In accordance with FA Rule C2, Players without a written contract are not restricted as to the clubs for which they may register and play provided they comply with the Rules and Regulations of any Competition in which their club(s) may be engaged.
8. Application for sanction of a Competition must be made in a timely fashion. Following approval of the Rules by the sanctioning Association, Competitions shall complete and submit FA Form "D" giving a full list of clubs participating in the Competition for the relevant season. All participating clubs must be correctly affiliated to an Affiliated Association before the Competition starts the season.

All Competitions

- i. Applications for sanction must receive approval from the Competition's sanctioning Association for:

- ii. The rules of the Competition and related Competitions (e.g. League plus League Cups); and
- iii. All Member clubs being correctly affiliated to an Affiliated Association; and
- iv. The terms and conditions of any offer of sponsorship, which must include details of the offer made and the proposed distribution/use of sponsorship monies.

REGULATIONS FOR THE CONTROL OF YOUTH FOOTBALL

(Players under the age of 18 on August 31st in the current season)

1. A County Association may form a County Youth Football Association, or carry out the duties by a Committee of its own association.
2. The constitution of the Youth Association, or Committee, must be submitted to The Association.

MEMORANDUM: CHILDREN OF SCHOOL AGE AND SCHOOL GAMES

One of the important aspects of games in school is the opportunity they afford of developing a pupil's sense of loyalty and honour. It is therefore of concern when interest in games outside the school conflict with a pupil's loyalty to the school and/or school organisations' activities.

1. It is usually the pupil of outstanding football ability whose services are sought by any club, and the player is most likely to be a member of the school or association team. While schools' matches are often arranged on Saturday mornings and club matches take place in the afternoon, it is considered that a player should not play in two matches on the same day, for the one match is likely to affect play in the other.
2. An outside club or organisation should consult the head-teacher before selecting any child of school age to play for a team, and should accept the head-teacher's decision on these matters. Head-teachers of schools should not restrain pupils, who are not selected for school games of any kind, from playing for an outside organisation during their free time.

FA REGULATIONS FOR FLEXIBLE FOOTBALL

THE FORMAT OF FLEXIBLE FOOTBALL

The Association has introduced “Flexible Football” as a new format to provide players with an additional way to participate in 11 a side football. GENERAL PRINCIPLE

2. Each competition should last no longer than 20 weeks of fixtures in total.
3. Flexible Football is for male only or female only competitions. For a temporary period to be determined by the Sanctions and Registrations Committee of The Association, mixed gender open age football competitions may also be permitted as a pilot project, subject to the prior approval of the Sanctions and Registrations Committee.
4. Competitions can run concurrently throughout the year.
5. There is no link between Flexible Football and the National League System and Women’s Pyramid in relation to promotion and relegation.
6. The competition organiser is responsible for devising the competition format, dealing with any issues regarding scheduling and communicating the features of the competition to the teams prior to commencement.

PLAYER INFORMATION

7. All players must be at least 16 years of age and must be registered in order to play.
8. Players register by completing a registration form which shall be provided by the competition organiser. A player may cancel their registration with a team at any time by giving written notice to the competition organiser. Players may register with a new team provided all financial liabilities to the previous team have been discharged.
9. There is no limit on how many players can be registered for each team, but a player may not be registered for more than one team at the same time, in any competition.

10. A squad of no more than 15 players per team is permitted for each game.

- (d) A technical irregularity under 7 (a)(ii) above shall be any failure by a Referee to meet any requirement imposed on, or notified to, a Referee by The Association, Affiliated or Service Association as appropriate from time to time.

A “technical irregularity” includes, but is not in any way limited to, any failure to comply with administrative requirements imposed on a Referee such as the requirements to file reports, answer correspondence, attend match venues or disciplinary or regulatory hearings at a particular time, etc or any breach of Regulation 10 or 13.

- (e) Where a Referee is alleged to have breached 7(a) (i) - (viii) above, the Referees’ Committee shall advise the Referee, in writing, of the relevant allegation(s) and supporting facts and state that the matter will be considered by the Committee or a duly appointed Commission thereof.

The Referee shall respond within 14 days and may either:

- 1) deny the allegation(s), setting out a statement of his case; or
- 2) request a personal hearing, in which case a fee of £25 must accompany the request; or
- 3) admit the allegation(s). A Referee who admits the allegation(s) may set out any submissions which he wishes the Referees’ Committee to consider when considering what, if any, action to take. The Referee may also request a personal hearing as above.

In considering any allegation at a personal hearing, a Referees’ Committee or Commission thereof, may adopt such procedures as it considers appropriate and expedient for the determination of the matter brought before it; and shall not be bound by any enactment of rule or law relating to the admissibility of evidence in proceedings before a court of law.

Guide to Procedures at Personal Hearings

The following may be used as a guide to the procedures to be followed at a personal hearing, unless the Referees’ Committee or Commission consider it appropriate to amend them:

- The allegation(s) will be read out to the Referee, who will be asked if the allegation(s) are admitted or denied.
- Evidence in support of the allegation(s) to be called.

- Evidence in response to the allegation(s) to be submitted by the Referee, who may, with the permission of the Referees' Committee or Commission, be accompanied by a representative. (Any such representative shall not be permitted to give evidence as a witness).
- The Referees' Committee or Commission and the Referee (as appropriate) shall be entitled to ask questions of any witness giving evidence in support of the allegation(s). The Referees' Committee or Commission shall be entitled to ask questions of the Referee, who may give evidence in defence of the allegation(s).
- The Referees' Committee or Commission may draw such inferences as it considers appropriate from the failure of the Referee to give evidence or answer a question.
- In the event of evidence submitted in answer to the allegation(s) disclosing a point which the Referees' Committee or Commission considers was not covered in the evidence of, or not put to, any witness in support of the allegation(s), the Referees' Committee or Commission may recall and ask questions of such witness. The Referee or relevant representative may also ask questions.
- After the evidence has been completed to the satisfaction of the Referees' Committee or Commission, the Referee or representative shall be entitled to make submissions based upon the evidence, but this may not include reference to facts not disclosed in the evidence presented to the Referees' Committee or Commission. At the conclusion of the submissions all persons shall withdraw whilst the Referees' Committee or Commission considers the evidence and submissions presented to it and determines whether the allegation(s) has been proved or not. After reaching a decision, the Referees' Committee or Commission shall recall the Referee and any representative, and announce whether the allegation(s) have proved or not proved. The decision shall be subsequently confirmed in writing. As an alternative the Referees' Committee or Commission may, where it considers it appropriate, not announce its decision at the meeting but inform the Referee that such a decision will be communicated in writing.
- Where the Referees' Committee or Commission find the allegation(s) proved, it shall have the power to act in relation to the Registration of the Referee as it considers appropriate. This may include, but is not limited to, censure, a period of remedial training, suspension or removal of Registration.
- A Referee may be dealt with in the normal course as a participant for

any alleged Misconduct (i.e. by a Regulatory Commission or another Disciplinary Commission as appropriate), in addition to having issues relating to the Registration as a Referee considered by The Association, Affiliated Association or Service Association through its Referees' Committee in relation to the same behaviour. In such cases, a charge of Misconduct shall be considered before any matter relating to the issue of Registration is dealt with by the Referees' Committee under Regulation 7 (a)(vi).

Action in respect of the Registration of Match Officials appointed to Competitions of The Association and other Competitions including Contributory League Level and above in the Order of Precedence (Section 9) will be considered by the appropriate committee of The Association.

- In circumstances where it is considered appropriate, the Referees' Committee may order that the Registration of a Referee be suspended with immediate effect, pending determination of a charge of Misconduct or pending the determination of a charge under 7(a)(i) or (ii) above and in the latter case the reason for such suspension is to be notified to the Referee in writing and reported to the Commission hearing any resultant charge.

8. APPEALS AGAINST DECISIONS OF A REFEREES' COMMITTEE OR COMMISSION THEREOF

- 5) The Appeals Panel may adopt such procedures as it considers appropriate and expedient for the just determination of an appeal brought before it, and shall not be bound by any enactment or rule of law relating to the admissibility of evidence in proceedings before a court of law.

- i) The Appellant to address the Appeals Panel, summarising its case;
 - ii) The Respondent to address the Appeals Panel, summarising its case;
 - iii) The Appeals Panel may put questions to the parties at any stage;

 - vii) The Appellant and the Respondent to be recalled and the decision and any orders consequential to it announced to both parties. Alternatively, where it considers it appropriate, the Appeals Panel may decide not to announce its decision, but make it known at a later date, in writing. In any event, the Appeals Panel shall publicise a written statement of its decision (see 8(b)(ix) below).
- 6) The Appeals Panel shall proceed in the absence of any party, unless it is satisfied that there are reasonable grounds for the failure of the party to

attend, and shall do so in such manner as it considers appropriate.

- 8) The Appeals Panel shall have power to:
 - i) allow or dismiss the appeal; or
 - ii) remit the matter for re-hearing by the Referees' Committee; or
 - iii) exercise any power which the body against whose decision the appeal was made could have exercised; or
 - iv) make any further or other order considered appropriate, either generally, or for the purpose of giving effect to its decision. Any fee may be returned or forfeited, in whole or in part, at the discretion of the Appeals Panel, who shall also have the power to determine by whom the costs of the appeal shall be borne.
- 9) As soon as practicable after the hearing, the Appeals Panel shall publish a written statement of its decision, which shall state:
 - 1) the names of the parties, the decision(s) appealed against and the grounds of appeal;
 - 2) whether or not the appeal is allowed; and

ON-FIELD DISCIPLINARY PROCEDURES

PART 5

For Players associated with teams in all divisions of Leagues at Steps 5-7 of The National League system and below, including Youth Football.

These procedures also apply to County Association and League Representative Football.

Save for serious or repeated proven Misconduct, Participants offending in a capacity other than as Players in a match (at all levels) should not be suspended but be subject to any of a reprimand, a warning as to future conduct, a written undertaking not to repeat, a touch-line ban for a period of time, and a fine (active or suspended for a given period), together with costs in proven guilty cases.

Subject to paragraph 11.5(h) below concerning Players moving between Clubs, for the purpose of these Procedures any references to a Player's Club means the Club for which the Player was playing when he was cautioned, dismissed or reported for misconduct.

1. DEFINITIONS

- 1.1. In these Procedures the words "County Association" refer to the appropriate County Association or other Affiliated Association, and the words "the County Association Secretary" mean and include any person nominated to discharge a part of the regulatory and disciplinary administration of the County Association as well as its actual secretary and Disciplinary Commission means a commission established by the appropriate County Association or other Affiliated Association.
- 1.2. Wherever gender is referred to in these Procedures, either shall be inferred, as relevant.
- 1.3. All written communications from a Player to the County Association Secretary must be sent by the secretary of the Player's Club unless the Player is no longer registered with that Club.
- 1.4. Every County Association must set out in its rules or regulations a copy of these procedures, which are to be followed after a Player has been cautioned or dismissed from the field of play while playing in a match for a Club or a particular team of a Club not dealt with by The Association.
- 1.5. Wherever "written" or "letter" is referred to in these Procedures this is deemed to include communication by fax, e-mail or any other form of electronic online communication. Where a County Association chooses to communicate by fax or e-mail or other electronic means, it must take all reasonable steps to

ensure that the address or fax number used is current.

- 1.6. These Procedures are effective from 1st July 2006 until further notice.
- 1.7. The term “suspension” in these Procedures means the suspension is from playing football or acting as a Match Official only and any other sanction required for the period of suspension must be specified in the decision letter (unless it is covered elsewhere within these Procedures as being a suspension from all football / football activity).
- 1.8. Any reference to cautions and sendings off in these Procedures refers only to those received playing for teams subject to these Procedures. Those received playing for teams not subject to these Procedures will be separate and not added to the total received pursuant to these Procedures.
- 1.9. The accumulation of cautions and sendings off within these Procedures are further categorised as Steps 5 to 7 Football, Saturday Football, Sunday Football, Midweek Football, Veterans Football and Representative Football.
- 1.10. Financial penalties for Misconduct must not be imposed on any player in Youth Football (for the purposes of these Procedures to mean a reference to any match for a team drawn from the age group of Under 18 and below). Where a standard punishment or Regulatory Commission decision applicable to a Youth Football Player includes any financial sanction then the Player’s Club is liable for the sum imposed.

2. TIMING

Disciplinary procedures shall commence no later than 90 days, and the outcome determined no later than 180 days from receipt of the report of alleged Misconduct, or otherwise be void, unless dispensation is received from The Association in writing to extend or dispense with either or both of these time limits. If deemed reasonable, any period of delay requested or caused by the Participant will not count towards the 90/180 days. For all cases where an interim suspension order (as defined in paragraph 18 below) has been imposed or for a matter involving an abandoned match or for playing whilst under a suspension, the County Association must aim to conclude any proceedings within 28 days. The County Association must use due diligence to Charge and/or finalise cases within the above periods of time and must conform with the requirements set out in these Procedures, subject to the effects of the adoption by the County Association of any of the alternative and optional powers set out in paragraph 19 below.

3. ADMINISTRATIVE PROCEDURES - MATCH OFFICIAL REPORTS

A County Association may reserve the right not to process a caution if the report is deemed to be invalid for any reason.

4. GENERAL

- 4.1. Without prejudice to the foregoing paragraphs of these Procedures, a County Association shall have the power to delegate to The Association or to another Affiliated Association its powers and duties to investigate and/or adjudicate in cases where it may be advantageous so to do.
- 4.2. If a Referee omits to show the appropriate card when taking action against a Player, this does not nullify the caution or sending-off offence. However, the attention of the Referee should be drawn to the correct procedure.
- 4.3. A Participant consents to abide by the Laws of the Game, the Rules and Regulations of The Association or an affiliated Association and to reasonable proportionate disciplinary action when playing the game. The issue of a caution is a decision based on a question of fact on the field of play upon which the Referee's decision is final. The recording of the caution and the consequences that follow are both reasonable and proportionate. Cautions, not being the subject of appeal, do not breach the Human Rights Act 1998.
- 4.4. When a Player is dealt with by a Disciplinary Commission cases must be dealt with on their merits and a punishment awarded consistent with the overall nature and effect of the offence(s); also the Player's record of Misconduct over the current and previous five playing seasons.
- 4.5. County Associations will impose split suspension periods where matches have to be carried over to the following playing season. The last day of the first suspension period shall be the Player's team's last competitive match of the playing season. The suspension will recommence with that same team's start of the following playing season. Competitive matches are defined in paragraph 11.3 below.
- 4.6. It is the duty of the Club Secretary and the Player, by the deadline stated on any notification, to ensure that the County Association Secretary receives the completed player reply form with such information that includes: -
 - (a) The full name and address of the Player.
 - (b) The Player's date of birth (and other personal identification data requested).
 - (c) The name of each Club for which the Player is currently registered or was registered in the previous two playing seasons.
 - (d) The signature of the Player concerned (where applicable).
 - (e) The names of any school, college or other educational establishment currently attended by the Player.

If the Player is not available to sign the pro-forma document, the Club should complete and return it indicating the reason for the non-completion together with the administration fee and confirmation as to whether or not the Player has been made aware of the contents. Any suspension order resulting from failure to comply with this paragraph 4.6 (a) to (e) above shall be on the Club and the individual player, subject to paragraph 17 below.

- 4.7. Clubs may participate in a pilot programme as set out by Council and will be required to abide by the regulations and terms of that programme.
- 4.8. Payment of any fine or costs in respect of disciplinary matters must be paid in accordance with the terms set out by the County Association.
- 4.9. Any period of suspension under these Procedures shall apply only to football at Step 5 and below of the National League System and for Clubs operating outside of the National League System, unless approval has been granted by The Association for such suspension to be extended across all categories of football.

5. REPORTING OFFENCES BY MATCH OFFICIALS

(a) Caution Offences

Referees must submit to the relevant County Association within two days of the match (Sundays not included) a report stating the offence. Referee reports for all County Representative football must be sent to the appropriate County Association. All FA County Youth Cup matches will be dealt with by the appropriate County Association, but a copy of the report must be submitted to The Association.

(b) Sending Off Offences and Extraordinary Incidents

Referees and Assistant Referees must submit to the relevant County Association within two days of the match (Sundays not included) a Report stating the offence(s) and giving a description of the incident(s). Referee reports for all County representative football must be sent to the relevant County Association. All FA County Youth Cup matches will be dealt with by the relevant County Association, with a copy of the report to The Association.

6. CAUTION OFFENCES

A Player who has been cautioned in a match, will be notified through his Club by the County Association of the offence reported by the Referee. At the same time he will be advised of the total number of cautions recorded during the current playing season and, any punishment resulting from their accumulation. An administration fee of £10.00 will be charged for the

processing of each report. Any such punishment will take effect regardless of whether or not the notification of it from the County Association is received before it is due to take effect in accordance with these Procedures.

7. SENDING OFF OFFENCES

A Player who has been sent off in a match under the provisions of Law 12 will be notified through his Club by the County Association of the offence reported by the Referee, and at the same time advised that he will be subject to the agreed automatic punishment (see paragraph 11 below). An administration fee of £10.00 will be charged for the processing of each report.

Any such punishment will take effect regardless of whether or not the notification of it from the County Association is received before it is due to take effect in accordance with these Procedures.

8. CLAIMS OF MISTAKEN IDENTITY

In the case of a claim of alleged mistaken identity concerning a Player cautioned or sent off in a match, the Players concerned and the Club must within three working days of the match submit in writing to the County Association particulars upon which the claim is founded, including the right to claim wrongful dismissal. If the County Association Secretary, or his nominees, are satisfied that the claim warrants further investigation, a Disciplinary Commission shall be convened and will meet within the 14 days before any automatic penalty is due to take effect. If the appointed Disciplinary Commission is satisfied that mistaken identity has been proven in a case, the record of the offence will be transferred to the appropriate offender, who will be subject to disciplinary action in accordance with these Procedures.

The relevant fee which must be included with the evidence is £50 for teams at Steps 5-7 in the National League System. For teams outside of the National League system the fee is £30, which may be retained if the claim is deemed to be unfounded and be used in full or in part to cover any costs incurred by a Disciplinary Commission. In the event of the fee not covering the amount of costs charged, an additional amount may be charged by the Disciplinary Commission.

9. CLAIMS OF WRONGFUL DISMISSAL

In the case of a claim of wrongful dismissal for offences with a penalty imposed under the Laws of the Game of an immediate dismissal (excluding Law S6, the use of offensive or insulting or abusive language/gestures or S7, receiving a second caution in a game), evidence upon which the claim is

founded, which must include a video cassette recording/ DVD showing the incident, if one is available, must be submitted by the Player concerned and his Club, together with the relevant fee and MUST be received by the County Association by the close of business of the fourth working day following the match (as below*). An indication by fax or e-mail (discipline@[insert name of county]fa.com e.g. discipline@essexfa.com) on the second working day following the game is required to alert the disciplinary department of the County Association that a claim is to be submitted.

* Saturday or Sunday game by Thursday

Monday - Friday
 Tuesday - Monday
 Wednesday - Tuesday
 Thursday - Wednesday
 Friday - Thursday

(If Bank Holidays fall within the period, the appropriate number of extra days will be made available but the claim must still be heard by the scheduled commencement of the automatic penalty arising from the relevant dismissal.)

Once the claim is lodged with the County Association and the claim has conformed with the criteria, the Club will then be advised whether the claim has been accepted or not.

An accepted claim will be placed before a Disciplinary Commission as soon as possible but no later than the eighth working day but in all cases before an automatic penalty is due to take effect. The Club, the Player and Match Officials will not be invited to attend. The Disciplinary Commission will be dealing with the level of punishment only. The dismissal from the field of play will always remain on the record of the Club and the Player and be the subject of the administration fee and the appropriate number of penalty points for a sending off.

The only decisions available to the Disciplinary Commission are:-

- (i) The punishment will remain with the fee being retained;
- (ii) Only where the Disciplinary Commission is satisfied that the Referee made an obvious error in dismissing the Player, the punishment will be withdrawn, the fee returned and that paragraph 11.5(f) below will not be invoked if the Player is sent off again following the offence.

The relevant fee is £50 for teams at Steps 5-7 in the National League System.

For teams outside of the National League system the fee is £30 and will be retained if the case is deemed to be unfounded and returned if any alterations are made to the offence or punishment.

10. DISMISSALS - CLAIMS THAT THE STANDARD PUNISHMENT IS CLEARLY INSUFFICIENT

- (a) All Players dismissed from the field of play shall be subject to at least a one match suspension, save only where a successful claim for wrongful dismissal is brought.
- (b) The County Association may seek to increase the disciplinary consequences of the dismissal of a Player from the field of play, where the County Association is satisfied that the standard punishment that would otherwise apply following the dismissal is clearly insufficient.
- (c) Claims may be brought under this paragraph only for on-field offences which have resulted in a sending off under Law 12(1) (serious foul play), Law 12(2) (violent conduct), or Law 12(3) (spitting)
- (d) Where the County Association brings such a claim a Referee's report showing that a Player was dismissed for serious foul play under Law 12(1), violent conduct under Law 12(2), or spitting under Law 12(3) shall be conclusive evidence that the player breached the relevant Law and shall not be subject to challenge, save for where any such dismissal is subject to a claim for wrongful dismissal.
- (e) The Disciplinary Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee and the correctness of the dismissal from the field of play shall not be subject to any scrutiny by the Disciplinary Commission, will remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for the sending off.
- (f) Claims brought under this paragraph shall be determined based on written or oral evidence. The Match Officials, Club and Player are entitled to be present or represented at the Disciplinary Commission if the Player elects for a personal hearing.
- (g) If possible, prior to the commencement of the suspension, but in all cases before the completion of the standard punishment applying to the dismissal that is subject of the claim, a Disciplinary Commission will be convened to decide the matter on any relevant documentary, video and oral

evidence submitted. The following procedures will be used at a Disciplinary Commission unless the Disciplinary Commission thinks it appropriate to amend them:

- I. The Disciplinary Commission Secretary will produce;
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements, video and other evidence provided in support of the claim.
 - (iii) The written reply and all evidence and submissions provided by the Player in response to the claim.
- II. After considering the evidence, the Disciplinary Commission will decide whether the claim should be rejected or successful.
- III. A claim will only be successful under this paragraph where the County Association satisfies the Disciplinary Commission so that it is sure that:
 - (i) The circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - (ii) The standard punishment would be clearly insufficient.
- IV. In considering the matters at paragraph 10(g)(III) above, the Disciplinary Commission shall have regard to:
 - (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - (c) Where applicable, the level of force used;
 - (d) Any injury to an opponent caused by the dismissal offence.
 - (e) Any other impact on the game in which the dismissal occurred.
 - (f) The prevalence of the type of offence in question in football generally.
 - (g) The wider interests of football in applying consistent punishment for dismissal offences.

- V. If the Disciplinary Commission's decision is to reject the claim, it shall deliberate no further on the claim and the Player shall serve the standard punishment.
- VI. If the Disciplinary Commission's decision is that the claim is successful, the Disciplinary Commission will then decide on the additional punishment to be applied to the Player in respect of the dismissal. In deciding on such punishment, the Disciplinary Commission shall have regard to the matters at paragraph 10(g) IV above.
- (h) The decision of the Disciplinary Commission in relation to a claim under this paragraph shall be subject to appeal only (i) in the event that the penalty imposed (in addition to the ordinarily applicable standard punishment) is in excess of three matches; (ii) on the single ground that the additional suspension is excessive; and (iii) in respect of that part of the additional suspension in excess of the additional three matches (for example, where the Player is suspended for eight matches following a dismissal for violent conduct, he may appeal only in respect of the two matches in excess of the three standard and three additional match suspension). Appeals under this paragraph shall proceed subject to the Appeal Regulations.

11. PUNISHMENTS

A. FRIENDLY MATCHES (any Match sanctioned or regarded by The Association or other sanctioning Association as a Friendly Match)

(a) CAUTIONS ADMINISTERED ON THE FIELD OF PLAY

The County Association shall not impose any sanction in respect of cautions administered during Friendly Matches. Where sanctions are imposed in respect of cautions on Participants with their agreement (e.g. as part of tournament rules), any such sanction may only apply to Friendly Matches and shall not apply to the accumulation of cautions for continuing misconduct under paragraph 11.4 of these Procedures.

(b) PLAYERS SENT OFF UNDER LAW 12

A player dismissed from the field of play will be suspended automatically from Friendly Matches until such time as his Club has completed its next Friendly Match, as decided by the relevant County Association.

(c) RULE E1 OF THE RULES OF THE ASSOCIATION

A charge of Misconduct pursuant to Rule E1 of the Rules of The Association may be brought against a Player in relation to any incident arising in a Friendly Match notwithstanding that the same incident has been dealt with

pursuant to these Procedures. A Disciplinary Commission considering a charge under Rule E1 of the Rules of The Association in such circumstances shall have regard to any punishment imposed under these Procedures, and any suspension imposed will be from playing all football.

B. COMPETITIVE MATCHES

- 11.1 Any period of suspension automatically imposed for a dismissal from the field of play will commence 7 days from the date of the offence irrespective of whether paperwork has been received from the relevant County Association. The suspension will be complete once the Player's team has completed the appropriate number of matches, in approved competitions, according to the suspension as defined under paragraph 11.3 below. In respect to County Association and League Representative football, any suspensions will be from Representative football only and not any other level of football unless a Disciplinary Commission has specified that the suspension is to be from all football.
- 11.2 Any period of suspension automatically imposed as a result of cautions under paragraph
- 11.4 below will commence 7 days from the date of the last offence irrespective of whether paperwork has been received from the relevant County Association. The suspension will be complete once the Player's team has completed the appropriate number of matches, in approved competitions, according to the suspension as defined under paragraph 11.3 below.
- 11.3 The matches that can be used to clear a Player of suspension are those to be played in a domestic competition organised by The Association (including The FA Challenge Cup, and The FA Vase and FA Sunday Cup), the League in which the Player's team play (including their League Cup(s)) and the Player's team's County Cup Competitions. In addition, any Competition in which a Club participates may also be considered providing that such a Competition has been designated as a qualifying competition by the sanctioning authority prior to the commencement of the playing season.

During periods of automatic suspension, the Player shall be suspended from (i) playing only for the day type category that the Player's team usually plays in (including friendly matches and other Cup Competitions) and (ii) operating as a Match Official. If the suspension is for a Saturday team, the suspension is from all Saturday team football (including midweek fixtures) only and if for a Sunday team, for all Sunday team football only (including midweek fixtures). If an automatic suspension arises from a sending-off, or as a result of cautions accumulated under paragraph 11.4 below, a player

will remain eligible to play in matches that cannot be used to clear a Player's suspension outlined above. If the suspension is as a result of a Misconduct Charge, during the whole period of suspension the Player is suspended from playing all football (including friendly matches and other Cup Competitions). The categories of football affected by this paragraph are Saturday, Sunday, Midweek, Veterans and Representative football. This will be deemed to be a suspension from playing only, unless specified otherwise by a Disciplinary Commission.

In exceptional cases where an application has been made to the County Association by the Participant that the suspension from all football is considered as being disproportionately harsh due to the period taken to serve the suspension in relation to the other categories of football, the matter may be reviewed only by The Association and may then be amended to a category type suspension, at The Association's discretion.

Where a Player has to serve more than one suspension at the same time the following criteria will apply:

- (i) Any suspensions awarded under the paragraphs of these Procedures and due to commence on the same date will result in the total number of matches involved running consecutively.
- (ii) Any suspensions that overlap, in that the next one starts before the previous one ends will also run consecutively as above.
- (iii) Matches cannot be used more than once to cover two or more suspensions.
- (iv) Any suspension imposed under the paragraphs of these Procedures that is or will be affected by a period based suspension will automatically commence 14 days from the date of the offence. The matches to be used in relation to this suspension may be before and/or after the period based suspension. The two suspensions cannot run concurrently.

11.4 CAUTIONS ADMINISTERED ON THE FIELD OF PLAY

- (a) (i) If a Player accumulates five cautions within the same category of football, but receives the 5th caution between the opening day of the playing season and the 31st December in the same playing season, he will be suspended automatically for a period covering one match plus a fine of £15.

- (ii) If a Player accumulates five cautions within the same category of football between the opening day of the playing season and the last day of the same playing season, he will be warned as to his future conduct.
- (iii) A Player who has already been subject to disciplinary action as a result of five cautions and then goes on to receive a further five cautions during the same playing season, will be subject to the following punishments: -
- (iv) If a Player accumulates ten cautions within the same category of football between the opening day of the playing season and the second Sunday of April in the same playing season, he will be suspended automatically for a period covering two matches plus a fine of £15.

If in the final match before the second Sunday of April a player accumulates his tenth caution in any Competition since the opening day of the playing season and then receives a second caution in the same match and consequently is dismissed, the Player will be suspended automatically for a period covering two matches plus a fine of £15. This two match suspension will automatically apply in such cases, instead of the one match automatic suspension which would otherwise apply to a Player who is sent off for receiving two cautions in the same match.

- (v) If a Player accumulates ten cautions within the same category of football between the opening day of the playing season and the last day of the same playing season, he will be severely censured and warned as to his future conduct.
- (vi) If a Player accumulates fifteen cautions within the same category of football between the opening date of the playing season and the last day of the same playing season, he will be suspended automatically for a period covering three matches plus a fine of £15.
- (vii) For the purposes of this paragraph, Clubs compete at six different levels. Each level is comprised as follows -
 - (a) Premier League, EFL and National League;
 - (b) The National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League;

- (c) Steps 5 to 7 of the National League System;
 - (d) Any other youth or adult league outside of the National League System which operates a match-based disciplinary system and is further categorised as Saturday, Sunday and Midweek;
 - (e) Veterans football;
 - (f) Representative Football.
- (viii) Any period of suspension or part that remains outstanding at the end of a playing season must be served at the commencement of the following playing season.

11.5

(a) PLAYERS SENT OFF UNDER LAW 12 (7)

Subject to paragraph 11.4(a)(iv) above, a Player who is dismissed from the field of play for receiving a second caution in the same match will be suspended automatically commencing on the 7th day following the match in which he was sent off, until such time as his team has completed one match in an approved competition, as per paragraph 11.3 above, and fined the sum of £20. Players who play outside the National League System will be fined the sum of £15.

(b) PLAYERS SENT OFF UNDER LAW 12 (4) and (5)

A Player who is dismissed from the field of play for denying a goal or an obvious goal-scoring opportunity by physical means or by handling the ball, will be suspended automatically commencing on the 7th day following the match in which he was sent off, until such time as his team has completed one match in an approved competition, as per paragraph 11.3 above, and fined the sum of £20. Players who play outside the National League System will be fined the sum of £15.

(c) PLAYERS SENT OFF UNDER LAW 12 (6)

A Player who is dismissed from the field of play for using offensive or insulting or abusive language/gestures whether he has previously been cautioned in the match or not, will be suspended automatically commencing on the 7th day following the match in which he was sent off, until such time as his team has completed two matches in an approved competition, as per paragraph 11.3 above, and fined the sum of £30. Players who play outside of the National League System will be fined the sum of £25.

(d) PLAYERS SENT OFF UNDER LAW 12 (1), and (2)

A Player who is dismissed from the field of play for serious foul play under Law 12(1), or violent conduct under Law 12(2), or whether he has previously been cautioned in the match or not, will be suspended automatically commencing on the 7th day following the match in which he was sent off, until such time as his team has completed three matches in an approved competition, as per paragraph 11.3 above, and fined the sum of £40. Players who play outside of the National League System and commit the offence of serious foul play or violent conduct will be fined the sum of £25.

(e) **PLAYERS SENT OFF UNDER LAW 12(3)**

A Player who is dismissed from the field of play for spitting at an opponent or any other person, whether he has previously been cautioned in the match or not, will be suspended automatically commencing on the 7th day following the match in which he was sent off, until such time as his team has completed six matches in an approved competition, as per paragraph 11.3 above, and fined the sum of £40.

(f) **ADDITIONAL SENDINGS OFF.**

Players dismissed from the field of play for a second time in the same playing season, in addition to the automatic suspension applicable to the offence, will be suspended for one extra match. A Player dismissed for a third time in the same playing season will be suspended for an extra two matches, and so on. A Disciplinary Commission, when dealing with a claim of wrongful dismissal (paragraph 9 above) has the power not to invoke a further one match suspension if it so desires.

(g) **OUTSTANDING SUSPENSIONS**

Any suspension or part thereof which remains outstanding at the end of a playing season, must be served at the commencement of the following playing season.

(h) **PLAYERS MOVING BETWEEN CLUBS**

Where a Player moves between Clubs at a time when he is subject to a suspension from playing resulting from either these Procedures or any charge of Misconduct, the following shall apply -

- (a) Until the Player moves, the suspension shall be served by reference to matches completed by the team that the Player moves from;
- (b) Where the Club that the Player moves to competes at the same level as the Club that the player moves from, any remaining period of suspension at the time that the Player moves shall be served by

reference to matches completed by the Club that the Player moves to;

- (c) Where the Club that the Player moves to competes at a different level from the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall continue to be served by reference to matches completed by the Club that the Player moves from unless dispensation has been granted in writing by The Association for the suspension to be served with reference to matches completed by the Club that the Player moves to.

For the purposes of this paragraph, Clubs compete at four different levels. Each level is comprised as follows -

- (i) Premier League, EFL and National League;
- (ii) The National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League;
- (iii) Steps 5 to 7 of the National League System;
- (iv) Any other youth or adult league outside of the National League System which operates a match-based disciplinary system and is further categorised as Saturday, Sunday and Midweek.

This paragraph applies to all moves by Players between Clubs which are completed and evidenced to the satisfaction of the County Association, however they occur.

This includes, but is not limited to, all transfers, loans and the expiration of loans, and Players whose registration is cancelled by the Club that the Player moves from, where that Player is subsequently registered by the Club that the Player moves to.

Players who are otherwise eligible (i.e. but for any suspension) to play for two or more Clubs competing in any league at level (iii) above will not be taken to have moved between those Clubs for the purposes of this paragraph by virtue only of the fact that they are so eligible to play for them.

(i) **RULE E1 OF THE RULES OF THE ASSOCIATION**

A charge of Misconduct (as defined in and pursuant to Rule E1 of the Rules of The Association) may be brought against a Player in relation to an incident, notwithstanding that the same incident has been dealt with pursuant to these Procedures. A Disciplinary Commission considering a charge under Rule E1 of the Rules of The Association in such circumstances, shall have regard to any punishment imposed under these Procedures when considering any punishment under the Disciplinary Procedures to be used at Hearings before

Disciplinary Commissions requested by Participants of Clubs and Clubs dealt with by County Associations.

(j) **PAYMENT TO PLAYERS UNDER SUSPENSION**

Clubs must not pay a Player more than his basic wage during the period of a suspension.

(k) **RE-ARRANGED MATCHES**

A Disciplinary Commission shall have discretionary power to rule that a match shall not count towards the completion of a suspension if it is satisfied that the game has been arranged by the Club with a view to enabling a Player to complete his suspension and thus qualify him to play in a specific match.

12. RESPECT SANCTIONS

12.1 Any team that accumulates a number of Qualifying Offences (as defined at paragraph 12.2 below) of the Respect Code of Conduct will be liable for sanction as outlined below.

12.2 A Qualifying Offence is defined as a caution for dissent, dismissal for abusive, offensive or insulting language or any proven charge of Misconduct by Players or any occupants of the technical area on a match day.

12.3 Automatic sanctions will be applied in accordance with the following thresholds and tariff:

(a) Stage 1 - Accumulation of 6 incidents of Qualifying Offences - a warning as to future conduct will be issued.

(b) Stage 2 - Accumulation of 10 incidents of Qualifying Offences -

Step 5 - £150

Step 6 and 7 - £75

Outside NLS - £50

(including Youth)

(c) Stage 3 - Accumulation of 15 occurrences of Qualifying Offences - sanctions to be double those of Stage 2.

(d) Stage 4 - Accumulation of 20 incidents of Qualifying Offences (and for each subsequent 5 Qualifying Offences) - Charge under Rule E20 of the Rules of The Association - relating to the conduct of players.

12.4 Each sanction will also include an administration charge, currently £10.

12.5 A Club may submit a written plea in mitigation in respect of the automatic sanctions applicable at Stage 2 and Stage 3.

12.5 There is no right of appeal in relation to the sanctions imposed up to and including Stage 3.

13. DISCIPLINARY ACTION ON CLUBS FOR MISCONDUCT BY THEIR PLAYERS

13.1 Any team within the National League System who has six or more individual Players cautioned or dismissed from the field of play in the same match will be automatically fined the sum of £150 (£75 for Step 7) for the first occasion during the playing season. For a second/third/fourth etc. occasion in the same playing season, the fine on the Club will be £300/£450/£600 etc. (£150/£225/£300 for Step 7).

13.2 Any team competing outside of the National League System who has six or more individual Players cautioned or dismissed from the field of play in the same match will be charged and warned as to their future conduct for the first occasion during the playing season. For a second/third/fourth etc. occasion in the same playing season, the fine on the Club will be £25/£50/£75 etc.

13.3 In truly exceptional circumstances a Club may submit a written plea in mitigation against the imposition of a fine imposed under this paragraph 13.

13.4 A Club's disciplinary record will be based on a points system, dependent on the type of offence, as follows:

(a) Cautions

1 point for each offence, with the exception of dissent, which will attract 2 points.

(b) Send Offs

S1 - serious foul play - 5 points

S2 - violent conduct - 6 points

S3 - spitting - 7 points

S4 & S5 - denies an obvious goal scoring opportunity - 3 points

S6 - abusive, insulting or offensive language - 4 points

S7 - second cautionable offence - 3 points

(c) Misconduct Charges

5 points each, subject to any increase by the Disciplinary Commission

13.5 A Club would be liable for a charge under Rule E20 of the Rules of The Association in the following circumstances:

(a) Any team within the Club has a points tally that reaches 75 points.

(b) Any team within the Club reaches Stage 4 of the Respect sanction

process (see paragraph 12.3 above).

- (c) The Club has been charged with Misconduct and the cases proven on two occasions where the game has been abandoned as a result of the Misconduct.
- (d) The Club has four or more incidents of violent conduct across any of its teams. Violent conduct includes all dismissals for violent conduct and any charge of assault on a Match Official, physical contact on a Match Official or assault on a Participant.
- (e) The Club has two or more charges under Rule E3(2) of the Rules of The Association raised against any player in a 12 month period.

14. ABANDONED MATCHES

When a Referee's report indicates that a match has been abandoned due to Misconduct of either team, The Association or appropriate County Association shall without delay investigate the Referee's report. If after such investigation, the chairman and secretary of the County Association, or their nominees, are satisfied that a prima facie case can be made out against the Club/Participants, such steps shall be taken as are necessary to ensure that a Charge is preferred and that a Disciplinary Commission meets to consider the Charge within 28 days of the date of the Charge letter.

15. THREATENING OR PHYSICAL OFFENCES AGAINST MATCH OFFICIALS

The following paragraphs shall apply at all levels of the game (excluding the 6 designated Leagues):

- 15.1 In addition to assisting a Match Official who has reported an offence against him, The Association or appropriate County Association shall without delay investigate the Match Official's report and if, after such investigation, the chairman and secretary of the County Association or their nominees are satisfied that a prima facie case can be made out against the alleged offender where there has been physical contact, attempted physical contact or an assault on a Match Official they shall immediately suspend the alleged offender from all football activities until a Disciplinary Commission has adjudicated on the matter.

They will take such steps to notify him of the suspension, ensure that a Charge is preferred and that a Disciplinary Commission meets to consider the Charge within 28 days of (the date of) the interim suspension.

- 15.2 There are three categories of offence:

- (a) Threatening behaviour: words or actions that cause the Match Official to believe that he/she is being threatened.

- (b) Physical contact or attempted physical contact: e.g. Participant pushes the Match Official, pulls the Match Official (or his clothing/equipment), barges, or kicks the ball at, the official causing no injury and/or attempts to make physical contact with the Match Official e.g. attempts to strike, kick, butt, barge or kick the ball at the Match Official.
- (c) Assault: Participant acts in a manner which results in an injury to the Match Official. This category includes spitting at the Match Official whether it connects or not.
- 15.3 Should the Participant accept the Charge, the Match Official(s) will not be required to attend a Disciplinary Commission. Should the Charge be denied, the appropriate Match Official(s) may be required to attend the Disciplinary Commission.
- 15.4 All offences against Match Officials in the above three categories will be monitored by The Association. The Association may request an explanation for any variation of the recommended punishments set out in paragraph 15.5 below. (If a Match Official who has reported a Participant for an offence against him makes a written request for notification of the decision and punishment awarded such must be made available to him at the earliest opportunity).
- 15.5 Recommended (or mandatory, where stated) punishments for a Participant found guilty of an offence against a Match Official are as follows:
- (a) Threatening behaviour:
- suspension from all football activities for a period of 112 days/12 matches, with a mandatory minimum of 56 days / 6 matches from all football and football activity.
 - plus a fine of up to £100, with a mandatory minimum fine of £50.
- (b) Physical contact or attempted physical contact:
- suspension from all football activities for a period of 182 days, with a mandatory minimum of 112 days from all football and football activity.
 - plus a fine of up to £150.
- (c) Assault:
- mandatory suspension from all football and football activity for 5 years from the date of the suspension. Where the assault causes serious injury the review period should be extended to 10 years.

(Note the above are recommended sanctions and should only be varied where

appropriate aggravating or mitigating factors are present, save that the sanction cannot be less than the mandatory minimum sanctions outlined above).

16. ASSAULTS BY PARTICIPANTS ON OTHER PARTICIPANTS

- 16.1 When a Referee's report indicates that a Participant has perpetrated an assault on another Participant causing serious bodily harm before, during or after a match, The Association or appropriate County Association may, as in cases of assaults on Match Officials, without delay investigate the Referee's report. If after such investigation, the chairman and secretary of the County Association, or their nominees, are satisfied that a prima facie case can be made out against the alleged offender, such steps shall be taken as are necessary to ensure that a Charge is preferred and that a Disciplinary Commission meets to consider the Charge within 28 days of the date of the Charge letter. The alleged offender shall not participate in any football activity from the date when he is notified of the Charge until a Disciplinary Commission has heard and adjudicated on the matter.
- 16.2 The recommended (or mandatory, where stated) punishments for such offences are set out below: -

<i>Offender</i>		
(a)	Player	A suspension from all football and football activity for a mandatory minimum of 140 days plus £150 fine for a first offence but, depending on severity, for five years.
(b)	Club Official	As for (a) above but, if on a Match Official, paragraph 15 above will apply.
(c)	Match Official	As for Match Officials assaulted by a Player. But a recommendation will be made to the relevant Referees' Committee that the registration be removed and no request for reinstatement will be allowed until the suspension has been completed or removed.

17. FAILURE TO COMPLY

- 17.1 When the paragraphs above are not complied with, the Player's right to a personal hearing or to make a plea in mitigation is forfeited and the

Disciplinary Commission may deal with the reported Misconduct on such evidence as is available.

- 17.2 Failure on the part of the Player or his Club Secretary to discharge any of the requirements set out in these Procedures may constitute Misconduct, which may result in a further Charge against the Player, his Club, or both. (In any case, save for replies to Misconduct Charges, a late fine, will be levied in addition to the original Charge and a further seven days given to respond to the Charge. Failure to respond within the seven days will result in the team and Player being suspended from all football activities from the following Monday until the paragraphs above have been complied with).

The Club Secretary must make the Player aware of the applicable standard punishment where an automatic sanction applies. The Club Secretary must sign and return the reply form to the County Association by the response date. By signing the form the Club Secretary is confirming that he has made the Player so aware.

Where an individual has been charged with Misconduct both the Club Secretary and the individual will be required to sign and return the form to the County Association.

- 17.3 When dealing with compliance issues the County Association must consider the following:-
- (a) whether the Player has responded to his Club;
 - (b) whether the Club has failed to pass on his reply;
 - (c) whether the Club has informed the County Association that the Player has failed to respond;
 - (d) whether the Player has left the Club.

18. SUSPENSION PENDING MISCONDUCT HEARING

- 18.1 The appropriate County Association shall have the power, in consultation with The Association to order that a Club Official affiliated to or a Player registered with that County Association, and not one associated with the 6 designated Leagues, shall be suspended from all or any specific activity for such period and on such terms and conditions as agreed by The Association and the County Association considers appropriate (an "Interim Suspension Order").
- 18.2 The Interim Suspension Order shall apply when the Club Official or Player has been charged by the County Association in relation to an alleged act of serious Misconduct, or with a criminal offence, or by a League sanctioned

by the County Association or The Association in connection with disciplinary action pursuant to the relevant regulations of the League.

- 18.3 As soon as reasonably practicable notification of an Interim Suspension Order shall be advised to the Player and/or the Club and will be lifted when the Misconduct Charge is dealt with by a Disciplinary Commission or the criminal charges are withdrawn or found not to have been proven.

19. PERSONAL HEARING

(See also: General Provisions relating to Inquiries, Commissions of Inquiry, Regulatory Commissions of The Association, Other Disciplinary Commissions and Appeal Boards; and Disciplinary Procedures to be used at Hearings before Commissions requested by Participants of Clubs and Clubs dealt with by County and Other Affiliated Associations).

- 19.1 The notification indicating a Misconduct Charge must inform the Player of the right to request a personal hearing in respect of the alleged offence and must also indicate that in the event of the Charge being proven there will be a liability to be ordered to pay all or part of the costs of the personal hearing, which costs may include a part of the overhead expenses of the County Association attributable to the hearing. Similarly, in cases where the rules or regulations of the County Association require the deposit of a fee for a personal hearing, (as determined by the Council - currently £50 for Participants in the National League System and £30 for Participants outside of the National League System), at the time of such request the Player must be informed that the fee is liable to be forfeited in full or in part if the Charge is proven, in addition to any fine which may be imposed. In an unproven case neither a fee may be retained, nor may Disciplinary Commission costs be levied, either for a personal hearing or for any other "non-personal hearing" case. (Disciplinary Commission costs cannot be levied in cases where a Player has been instructed to appear before a Disciplinary Commission).
- 19.2 Upon receiving a request for a personal hearing in respect of an alleged offence, the County Association will appoint a Disciplinary Commission of not less than three nor more than five members to hear and adjudicate upon the Charge. In the case of a Player under the age of 18 years of age on the date fixed for the hearing, it shall take place either in the presence of a parent or guardian of the Player or another appropriate adult.
- 19.3 Fines must not be imposed on children in youth football (see paragraph 1.10 above). Any fine and administration charges arising out of Misconduct by a child must be levied on the Club.
- 19.4 The Player, through his Club Secretary, must be given the date, time and venue

fixed for the personal hearing and arrangements made for the attendance before the Disciplinary Commission of any witnesses in support of the Charge, in particular the Match Official(s) on whose report the charge has been brought. At a personal hearing of a Charge a Disciplinary Commission may adopt such procedures as it considers appropriate and expedient for the just determination of the Charge brought before it. A Disciplinary Commission shall not be bound by any enactment or rule of law relating to the admissibility of evidence in proceedings before a court of law.

- 19.5 The person charged and the Match Official(s) concerned should be given a minimum 14 days' notice of details of the personal hearing. Any written request to the Disciplinary Commission for a postponement of the personal hearing should be given consideration.

If the reason submitted is considered valid, then a postponement should be granted, and in such circumstances costs may be charged. A request for a second postponement by the same party should not be granted.

- 19.6 If the Charge is found not proven, any record of it will be expunged. If the Charge is found proven the Disciplinary Commission will decide what punishment, if any, is to be imposed. In so doing, the Disciplinary Commission must consider the overall nature and effect of the offence(s) and the Player's previous record and any plea for leniency. If charging costs the personal hearing fee must be taken into account.

- 19.7 Except when an appeal has been lodged, any fines or costs that are ordered must be paid before the expiry of 14 days from the date of the order. Failure to pay within such period is deemed to be Misconduct punishable by censure, a further late fine and/or suspension as determined by a Disciplinary Commission. This second Disciplinary Commission shall have the power to consider the matter on 48 hours notice and the power to suspend for continuing non-payment. (In any case, a late fine, currently £20, will be levied in addition to the original Charge and a further seven days given to respond to the Charge. Failure to respond, the team and Player being suspended until the paragraphs above have been complied with.) The Player and his Club are jointly and severally responsible for payment of the fine and costs. The Club shall take such action as may be necessary to recover any sum paid on the Player's behalf. The rules or regulations of a County Association must provide for disciplinary action to be taken against a Player who fails to reimburse his Club in accordance with Football Debt Recovery Regulations.

- 19.8 A Disciplinary Commission shall comprise members appointed by the County Association.

The appointed Disciplinary Commission shall have no previous personal knowledge of the events or any involvement with any of the Participants concerned.

- 19.9 Participants shall have the right to appeal decisions of Disciplinary Commissions to an Appeal Board of The Association. The Player and/or the Club for which the Player was playing at the time must lodge notification of an intention to appeal within 3 days of the sending of the decision notification, with the appeal submission required to be made within 14 days of the decision notification. The Association shall also have the right to appeal decisions of Disciplinary Commissions to an Appeal Board of The Association. The Association shall have 28 days to appeal following the receipt of the reasons of the Disciplinary Commission. There shall be no further right of challenge in respect of decisions of Disciplinary Commissions, which are otherwise final and binding.
- 19.10 The decision of the County Association will be sent by first-class post or by e-mail to the Club Secretaries of all Clubs for whom the Player is known to be currently playing and to the Player's home address if known. Each of these secretaries is responsible for informing the Player of the decision.
- 19.11 The commencement date of any suspension imposed on a Player is at the discretion of the adjudicating Disciplinary Commission, subject to the suspension starting on a Monday. Such date must allow for the time permitted for notification of an intention to appeal.
- 19.12 Referees and Assistant Referees may be told the result of a hearing on the next working day, should they request to be told, subject to the Participant being aware of the decision.

20 FURTHER DISCIPLINARY ACTION

A County Association in formulating its rules and regulations for Misconduct may adopt and include some or all of the following powers: -

- 20.1 To make an order that a Club whose Players are persistently found guilty of Misconduct
- (a) Be censured and/or fined in accordance with the approved penalty point process.
 - (b) May have its affiliation suspended or cancelled.
- 20.2 (a) Any other power approved in writing by The Association.
- (b) Any optional or alternative power granted to a County Association

in accordance with paragraph 20.2(a) shall continue from year to year until such time as the approval is withdrawn. Such approval may be withdrawn by notice in writing from The Association given before 30th April, in any year.

THE FOOTBALL ASSOCIATION DISCIPLINE PROCESS FOR SMALL-SIDED FOOTBALL

Introduction

Implementing an effective disciplinary process is an important factor for all formats of football, helping to establish a quality, organised, safe and enjoyable football experience for all players and officials. The issue of discipline is of equal importance in Small Sided Football as it is in the 11v11 football, and subsequently should be shown proper attention and regard by Small Sided Football providers when organising their competitions; particularly if the competitions wish to be appropriately sanctioned and affiliated to The Association.

The Association has developed this disciplinary process to accommodate the varied and different needs of Small Sided Football. The Association recognises that applying the same disciplinary processes to Small Sided Football as it does in 11v11 football does not satisfactorily meet the differing demands of this version of the game. However, this does not mean that The Association takes ill-discipline in Small Sided Football any less seriously.

It is important to note for all Small Sided Football providers, that failure or disregard in establishing and effectively implementing these disciplinary processes can and will lead to The Association removing affiliation and classifying providers competitions as being unsanctioned by The Association.

For all Small Sided Football providers that affiliate to The Association nationally it is a condition of affiliation to agree to abide by the 'Heads of Agreement' that clearly state that the provider will manage disciplinary issues in accordance with this disciplinary process.

It is recommended that County FAs that affiliate local Small Sided Football providers establish similar agreements.

The implementation of this disciplinary process will help create a safer and more enjoyable football environment for Small Sided Football players and officials, but also importantly for the providers it can assist in retaining Participants playing in their competitions.

1. Discipline Ownership & Control

All issues of discipline that occur at a Small Sided Football provider affiliated to The Association fall under the jurisdiction of the local County FA.

The ability for Small Sided Football providers to manage discipline in their competitions for incidents outlined in Table 1 below have been delegated to the provider by the local County FA.

It is at the discretion of The Association to remove this delegated responsibility from a Small Sided Football provider if the provider is unable to demonstrate competence in handling and managing disciplinary issues. In such cases the responsibility for all discipline in that competition will be returned to the local County FA.

2. Affiliation & Provision of Team Information

When affiliating competitions and slots to The Association or County FAs, all Small Sided Football providers must provide the following information for all teams playing in their competitions to ensure that disciplinary cases can be managed appropriately:

- Team Name
- Team Captain/Manager contact details (name, address, and email or telephone number)

The Small Sided Football provider must also ensure that The Association or County FA is updated with accurate team information throughout the course of the affiliation period. Small Sided Football providers will not be affiliated unless this team information is provided accurately.

The only exceptions to this rule are outlined below:

2.1. Disciplinary Agreement:

On affiliation to The Association or County FA the Small Sided Football Provider signs the Disciplinary Agreement in Appendix B where the provider agrees to operate a comprehensive system of recording and maintaining accurate team and player details. This agreement also requires the Small Sided Football Provider to provide The Association/ County FA with team information (team name and team captain contact details) within 48 hours of receiving a request for this information. It also accepts that from time-to-time The Association or County FA may request to undertake a random spot-check of a Small Sided Football providers competition to ensure that the provider has accurate team information for all teams in that competition.

As well as signing this Disciplinary Agreement, at the point of affiliation the Small Sided Football provider must also provide written evidence to The Association or County FA to demonstrate the current systems that they operate and maintain to record accurate team information.

If the Small Sided Football provider is able to comply with these points, the organisation will not be required to provide all team information to The Association / County FAs upon affiliation. If however, the Small Sided

Football provider consistently fails to provide accurate team information when requested this privilege can be revoked by The Association.

2.2. FA Small Sided Football Accreditation

Small Sided Football providers that have attained The FA Small Sided Football Accreditation have demonstrated through the accreditation process that they have sufficient systems in place for recording and managing team information, and that as part of the accreditation they will provide The Association/County FAs with team details within 48 hours when requested in order for disciplinary cases to be managed. As a consequence, accredited Small Sided Football providers will not be required to provide team information upon affiliation.

3. Issuing of Cautions and 'Timed Suspensions'

In Small Sided Football yellow cards and associated cautions are not employed.

Referees should instead issue a blue card for a cautionable offence. The issuing of a blue card indicates that the recipient will serve an immediate 'timed suspension' ('sin bin').

The options for disciplining offenders are therefore as follows:

- Player shown a blue card and temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily excluded

from play

- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play.

The period of timed suspension in Small Sided Football shall be two minutes. The release of Players from a temporary suspension should be at the direction of the Referee.

3.1. Recording of Blue Cards

In Small Sided Football cautionable offences that result in a blue card and a timed suspension from the match shall not be recorded and reported by the match official or Small Sided Football provider.

Blue card offences should not be reported back to the County FA, and no disciplinary fine shall be incurred by the player.

4. Disciplinary Procedures for Red Card Offences

4.1. 'Serious' Red Card Offences

Offences not classified in Table 1 below will be the responsibility of the local County FA. Once the County FA has reviewed the case the Small Sided Football provider along with the player will be informed of the outcome and any disciplinary action.

For these offences match official are required to complete the Disciplinary Report in Appendix A and submit a copy to the Small Sided Football provider and the relevant County FA.

4.2. 'Less Serious' Red Card Offences (as outlined in Table 1)

Offences classified within Table 1 should be dealt with by the Small Sided Football provider under the delegated-authority of the County FA covered in paragraph 1 above.

The match official should complete a 'Disciplinary Report' (Appendix A) and ensure that it is sent to the Small Sided Football provider.

The Small Sided Football provider should employ the following disciplinary tariff of suspensions in such cases as outlined in Table 1. The provider shall not fine the player.

Match Suspension Tariff:

Table 1

Offence	Penalty (to be administered by Small Sided Provider)
Receiving a second 'blue card' in the same match	1 Match suspension
Denying a goal or obvious goal scoring opportunity	1 Match suspension
Use of offensive, insulting or abusive gestures	2 Match suspension
Attempting to kick, or strike another player Violent Conduct Serious Foul play	3 Match suspension

5. Remit of Disciplinary Action

Any suspensions for offences dealt with by the County FA that are not covered in Table 1 apply to all levels of football (i.e. 11 a side and Small Sided

Football). Red cards administered in Small Sided Football for offences within Table 1 are the responsibility of the organiser to deal with according to The Association's recommended tariff of suspensions and are from Small Sided Football only.

6. Personal Liability for 'Serious' Disciplinary Offences

Initial responsibility for a disciplinary issue will be with the individual that committed the offence. If this individual leaves the team but can be accurately identified, this individual shall retain responsibility for the payment of a fine and should be suspended from all forms of football until the fine is paid in accordance with the Football Debt Recovery Regulations.

If the individual responsible for the offence cannot be accurately identified, the responsibility for the payment of this fine will be with (in order of responsibility):

- 1) The small sided team that the individual played for when committing the offence.
- 2) The team captain of the team that the individual played for.

7. Implementation of Disciplinary Procedures

A robust disciplinary process can only operate if a record is kept of the identity of participating teams and Players.

All Small Sided Football providers should maintain details of participating teams and team contacts prior to the beginning of a competition. Providers should ensure that these details remain updated.

In addition Small Sided Football providers should identify a system whereby the identity of participating Players is recorded prior to a game commencing. These records should be retained by the Organisers and referred to in the event of a serious incident or on suspicion that a Player is playing whilst under suspension.

The existence of these systems (in line with paragraph 2 above) shall be a requirement before The Association or County FA will provide sanction to a competition taking place.

In order for an effective discipline, affiliation and Referees appointment procedure to exist a good working relationship should exist between the Small Sided Football provider and the County FA. County FA's and Small Sided Football providers should establish a 'Heads of Agreement' document which identifies the responsibilities of each party in relation to maintenance of discipline and affiliation processes.

Attendance of Children at Personal Hearings

CHILDREN

- I. A child aged 13 or under must not appear at a Disciplinary Commission as either a witness or the person charged. An alternative method should be adopted which could include:

- A meeting - bring the parties together to talk through the issues.
 - County FA (CFA) Welfare Officer (CFA WO) to talk to the child to warn them about their behaviour. A parent/carer should be present at any meeting.
 - CFA WO to obtain written statement from child and Disciplinary Commission to then proceed on paper basis only – the CFA WO may need to write the statement in conjunction with the child and Parent/carer.
 - Private meeting between child and CFA WO to establish child's version of events, CFA WO to report verbally to Disciplinary Commission. The CFA WO should make a contemporaneous note of the meeting and a parent/carer should be present throughout.
- J. A child between the ages of 14 and 16 years inclusive can attend a Disciplinary Commission provided that:
- he / she understands it is his / her duty to speak the truth.
 - his / her evidence is sufficiently important to justify it being heard.
 - the appropriate procedures relating to minors are adopted. The child must be accompanied by a parent/carer.
- K. When dealing with a Disciplinary Commission involving those aged 16 and 17 years in Adult Football, best practice would be to follow the guidance established for adults, except in cases where the individual has learning development needs. Those with learning development needs should be treated in a manner consistent with their mental capacity. If the suggestion is that the Participant has the cognitive reasoning of a child of a particular age, follow that guidance.
- Where a child is aged 17, consent of the parent should be sought for the child to attend the Disciplinary Commission where possible / appropriate. A 17 year old is still a child and if they choose to have adult representation this should be allowed.
- L. Young people as witnesses
- i. Evidence should only be received from young people (accompanied by a responsible adult) in front of the Disciplinary Commission, the Disciplinary Commission Secretary, the Participant Charged and his/her representative.
 - ii. All other occupants present at a hearing must remove themselves from the hearing whilst a young person is giving evidence.

- iii. The asking of questions will be restricted to the Chairman of the Disciplinary Commission only.
 - iv. At the end of the questioning the representative or Participant Charged will be asked whether there are any other questions that they believe should be asked of the witness.
 - v. If required additional questions may be put to the witness but only by the Chairman of the Disciplinary Commission.
 - vi. Once all the questioning has been completed the young person will then leave the Disciplinary Commission room and will not be required to remain for the remainder of the hearing.
1. A person must be appointed to the Disciplinary Commission to act as its Secretary, whose duty shall be to call the evidence to be submitted in support of the Charge and generally assist the Disciplinary Commission in its determination of the Charge.
 2. A Participant may be represented by one individual. (For instance, a Player may be represented by a Club Official of a Club with which he/she is associated or by a representative of the Professional Footballers' Association, and a Referee may be represented by a representative of the Referees Association except when he/she is acting as a witness.) A Participant appearing before a Disciplinary Commission may be legally represented. An individual acting as representative for a Participant shall not be allowed to give evidence at a Disciplinary Commission.
 3. The Participant Charged and any representative shall be admitted to the hearing. The Disciplinary Commission shall satisfy itself that the Participant Charged has had details of the Charge.
 4. Evidence (including witness evidence) in support of the Charge shall be received by the Disciplinary Commission. In cases concerning a report from a Match Official, that report shall be received in evidence first. This report may have been submitted by email or through a web-site, in accordance with accepted procedures of The Association.
 5. The Participant Charged or his/her representative shall have the right to ask questions relevant to the matters in issue of any witness in support of the Charge.
 6. After evidence in support of the Charge has been received by the Disciplinary Commission, any written statement made by the Participant Charged shall be considered by the Disciplinary Commission.

The Participant Charged may then give evidence on his/her own behalf and in such event he/she may have questions asked of him/her by the Disciplinary Commission. The Participant Charged or his/her representative may then submit evidence and call witnesses.

7. At any time the Chairman and members of the Disciplinary Commission, may ask questions of any witness or any representative. The Disciplinary Commission may draw such inferences as it considers appropriate from the failure of the Participant Charged to give evidence or answer a question put to him/her.
8. In the event of the evidence submitted in answer to the Charge disclosing a point which the Disciplinary Commission considers was not covered in the evidence of, or not put to, any witness in support of the Charge, the Disciplinary Commission may recall any witness and ask questions of such witness. The person charged or his/her representative may also ask questions as at paragraph 5 above.

The evidence having been completed to the satisfaction of the Disciplinary Commission, the Participant Charged or his/her representative shall be entitled to make closing submissions based upon the evidence, but this may not include reference to facts not disclosed in the evidence presented to the Disciplinary Commission.
10. At the conclusion of the closing submissions, all persons shall withdraw whilst the Disciplinary Commission considers the evidence and submissions presented to it and determines whether the Charge has been proven or not. After reaching its decision, the Disciplinary Commission shall recall the Participant Charged and his/her representative. The Disciplinary Commission Secretary shall announce whether the Charge has been found proven or not proven.
11. If the Charge is found not proven the hearing will be declared closed.
12. If the Charge is found proven details of the Misconduct (as defined in and pursuant to the Rules of The Association) record of the Participant Charged shall be received by the Disciplinary Commission. The Participant Charged, or his/her representative, may then make a plea in mitigation.
13. At the conclusion of the plea in mitigation the Participant Charged and his/her representative shall again withdraw and the Disciplinary Commission shall determine what order or orders, if any, shall be made under Regulation 6.1 of the Disciplinary Regulations.
14. The Participant Charged and his/her representative shall then be re-

admitted and informed of the decision of the Disciplinary Commission by the Disciplinary Commission Secretary. This shall subsequently be confirmed in writing. (In cases of an Assault on a Match Referee, the findings of the Disciplinary Commission will be sent to the Match Official if requested by the Match Official, in writing).

15. As an alternative to the above, a Disciplinary Commission may, where it considers it appropriate, not announce its decision at the meeting but inform the Participant Charged that such decision will be communicated to him/her in writing through his/her Club Secretary.

BOARD HEARINGS

The Appeal Board will be conducted in accordance with the General Provisions Relating to Appeal Boards and the Appeal Regulations.

INTERIM SUSPENSION ORDER REGULATIONS

General Principles

These Regulations apply to such applications, and to the review of all interim suspension orders issued pursuant to Rule E16 of the Rules of The Association.

These Regulations may be deviated from at the discretion of the Regulatory Commission, which has the authority in all cases to regulate its own procedure. This includes the authority to amend any time limit stipulated in these Regulations, save that any Review Period (as defined at paragraph (e) (iii)(b) below) must not be more than 21 days in any case. Where a Regulatory Commission deviates from any time limit set out in these Regulations, it will do so subject to the overall aim of ensuring that applications proceed on an expedited basis in all cases, whilst ensuring a fair process.

Any failure to follow these Regulations will not in itself invalidate any application or order made.

Application for an Interim Suspension Order before charge

(a) Notice of application

The applicant (CRO) must give written notice of the application to the Judicial

Panel Chairman (or his/her nominee). A copy of the notice must be sent at the same time to the Participant in respect of whom the application is made. The notice and copy may be sent by fax, email or post.

The notice must set out a brief summary of the basis of the application. The notice must also confirm that the applicant has obtained the agreement of the Professional Footballers' Association (in the case of a Player who is a member of the Professional Footballers' Association) and one of the Premier League, EFL, National League, Isthmian League, Northern Premier League or Southern League as appropriate. This confirmation will be conclusive evidence of the fact that such agreement has been obtained.

(b) Composition of the Regulatory Commission

Upon receipt of the notice of application, the Judicial Panel Chairman will select a Regulatory Commission to deal with the application. This selection will be in accordance with any applicable selection policy in force from time to time, and any stipulations about the composition of the Regulatory Commission in Rule E16 of the Rules of The Association.

(c) The application

Within two working days of providing notice of the application, the applicant must provide to the Chairman of the Regulatory Commission, (provision to the Chairman of the Regulatory Commission may be via The Association's Disciplinary Department for all purposes under these Regulations), and to the Participant, full details of the application, consisting of the written submissions and all evidence and material of whatever nature to be relied upon in support of the application.

(d) Responses

Within two working days of receiving full details of the application, the Participant must provide to the Chairman of the Regulatory Commission and to the applicant, written submissions and all evidence and material of whatever nature to be relied upon by the Participant in response to the application.¹

The applicant will have two working days to provide a response, if any, to the submissions, evidence and material provided by the Participant. This response must be provided to the Chairman of the Regulatory Commission and the Participant.

(e) Regulatory Commission Procedure

i. Timing

The Regulatory Commission will hear the application at the earliest opportunity, but no earlier than the second working day after the provision of the response by the Participant, or the provision of any further response to that from the applicant.²

Arrangements for the hearing location and arrangements will be provided by The Association to all parties concerned.

ii. The Hearing

A summary of the basis for the application will be put forward by the applicant. The Participant may then put forward a summary of the points to be raised on its behalf.

The applicant may then address the Regulatory Commission and put forward all submissions and all evidence and material of whatever nature relied upon.

The Participant may then address the Regulatory Commission and put forward all submissions and all evidence and material of whatever nature relied upon.

Where notice of any submission, evidence and material of whatever nature sought to be relied upon by either party at the hearing has not been given in accordance with these Regulations, the Regulatory Commission shall have a discretion whether or not to take that matter into account.

Each party and the Regulatory Commission shall have the opportunity to put questions in respect of any matter presented by either party.

In conclusion, the applicant and the Participant in that order may make a closing submission.

iii Decision

The Regulatory Commission may make an Interim Suspension Order under Rule E16(a) of the Rules of The Association -

- (a) Where the applicant has established to its satisfaction the matters set out in Rule E16(a)(i) and (ii) of the Rules of The Association; and
- (b) In accordance with Rule E16(e) of the Rules of The Association.

Alternatively, the Regulatory Commission may dismiss the application and / or make any other order that it considers appropriate.

Where the Regulatory Commission makes an Interim Suspension Order it

must determine, and state as part of the Interim Suspension Order, a period (the 'Review Period') after which the Participant will be entitled to have the Interim Suspension Order reviewed by a Regulatory Commission. This period must not be more than 21 days from the date of the Interim Suspension Order.

A decision of the Regulatory Commission made pursuant to these Regulations shall be final and binding with no right of further challenge.

Periodic review of an Interim Suspension Order

(a) General

Once the Review Period (whether determined by a Regulatory Commission as above or by the CRO where an Interim Suspension Order is issued after charge) has elapsed, the Participant subject to the Interim Suspension Order may apply to have it reviewed by a Regulatory Commission.

(b) Notice of application for a review

The Participant must give written notice of the application to the Judicial Panel Chairman (or his/her nominee). A copy of the notice must be sent at the same time to the CRO. The notice and copy may be sent by fax, email or post. The notice must set out a brief summary of the basis of the application.

(c) Composition of the Regulatory Commission

Upon receipt of the notice of application, the Judicial Panel Chairman will select a Regulatory Commission to deal with the application. This selection will be in accordance with any applicable selection policy in force from time to time, and any stipulations about the composition of the Regulatory Commission in Rule E16 of the Rules of The Association. Subject to any representations by the parties, a Regulatory Commission which considers a review application may include all or any of the same members of the Regulatory Commission that imposed the Interim Suspension Order or of any Regulatory Commission which has subsequently reviewed it.

The Participant may then address the Regulatory Commission and put forward all submissions and all evidence and material of whatever nature relied upon.

The CRO may then address the Regulatory Commission and put forward all submissions and all evidence and material of whatever nature relied upon.

Where notice of any matter relied upon by either party has not been given in accordance with these Regulations, the Regulatory Commission shall have a discretion whether or not to take that matter into account.

Each party and the Regulatory Commission shall have the opportunity to put questions in respect of any matters presented by either party.

Where the Regulatory Commission orders that an Interim Suspension Order continues in force, it must determine, and state as part of the Order, the Review Period. The Review Period must not be more than 21 days from the date of the Interim Suspension Order.

The Regulatory Commission may consider any matter pursuant to these Regulations on the basis of written submissions only, should the applicant and Participant not wish to be present or represented.

In exceptional circumstances the Appeal Board may order one party to pay some or all of the other party's costs. Such costs will not include any legal costs. Any applications for such costs must be made at the Appeal Board and must include details of the exceptional circumstances.
- 3.6 An appeal against only the quantum of costs ordered to be paid shall be heard and determined by a single person appointed by Sports Resolutions Limited (or a similar independent body as determined by The Association from time to time). That person shall decide all matters of procedure for how such an appeal will be conducted.

WRITTEN DECISION

- 3.7 As soon as practicable after the hearing, the Appeal Board shall publish a written statement of its decision, which shall state:

GUIDANCE NOTE ON SAFEGUARDING CHILDREN IN THE DISCIPLINARY PROCESS

This guidance note has been approved by The Association's Football Regulatory Authority. Enquiries or clarification with regards to this guidance note should be directed to the Football Regulation Department in the first instance.

It forms part of a wider guidance note - Guidance Note on Managing Young People with Impairments such as ADHD and Tourette Syndrome in the Disciplinary System, amended January 2009.

The football authorities must seek to ensure that, consistent with their policy of Safeguarding Children, they do not put in place case management and disciplinary systems that of themselves cause harm to the very children that are intended to be safeguarded. The same principles apply to County and national associations, although it is obvious that the vast majority of Under 18s football will come under County jurisdiction. Remember they are children first, Participants second.

ISSUES

- Difficulties in children giving evidence, as recognised by the Criminal and Civil courts – the process is intrinsically upsetting for many adults and children will be less likely to be emotionally equipped to cope.
- Seldom in child's best interests to be directly involved in Disciplinary Commissions.
- Child's evidence can often be necessary for proper determination of proceedings.
- Cross examination can be damaging to child

CHILDREN UNDER THE AGE OF 14

A child aged 13 or under should not appear at a Disciplinary Commission. An alternative method should be adopted which could include:

- A meeting - bring the parties together to talk through the issues.
- County FA (CFA) Welfare Officer (CFA WO) to talk to the child to warn them about their behaviour. A parent/carer should be present at any meeting.
- CFA WO to obtain written statement from child and Disciplinary Commission to then proceed on paper basis only – the CFA WO may need to write the statement in conjunction with the child and parent/carer.
- Private meeting between child and CFA WO to establish child's version of

events, CFA WO to report verbally to Disciplinary Commission. A parent/carer should be present throughout the meeting.

CHILDREN AGED 14 THROUGH 16 YEARS

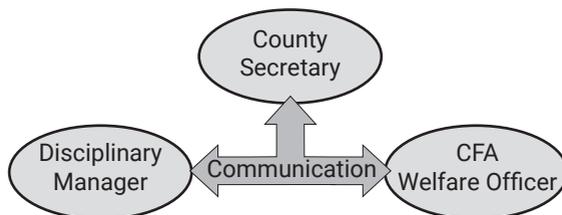

A child between the ages of 14 and 16 years inclusive can attend a Disciplinary Commission provided that:

- he / she understands it is his / her duty to speak the truth.
- his / her evidence is sufficiently important to justify it being heard.
- the appropriate procedures relating to minors are adopted. The child must be accompanied by a parent/carer.

CHILDREN AGED 17 YEARS

- Best practice when dealing with a Disciplinary Commission involving those aged 17 years would be to follow the guidance established for adults, except in cases where the individual has special needs. Special needs should be treated in a manner consistent with their mental capacity. If the suggestion is that the Participant has the cognitive reasoning of a child of a particular age, follow that guidance.
- Where a child is aged 17, consent of the parent should be obtained for the child to attend the Disciplinary Commission where possible / appropriate.
- By law a 17 year old is still a child and if they choose to have adult representation this should be allowed.

COMMUNICATION GUIDANCE FOR CFAS

- The CFA Disciplinary/Governance staff and the CFA WO should always liaise with regards to cases involving minors. This should include meeting to agree procedures to be adopted on how the case should be heard.
- County Secretary/Chief Executive Officer should be kept up to date.

GENERAL BEST PRACTICE PRINCIPLES AT DISCIPLINARY COMMISSION INVOLVING CHILDREN AGED 14 - 16 YEARS INCLUSIVE

Overriding principles are that the process of appearing in a Disciplinary Commission should not expose a child to intimidation, distress, a late disciplinary commission or long travelling times during the school week. All possible steps should be taken to assist the child to understand and participate in the proceedings.

PREPARATION FOR A DISCIPLINARY COMMISSION

- Consent of the parent/carer will always be required.
- He/she should be accompanied at the Disciplinary Commission by an appropriate adult who could be a parent, carer, grandparent, social /care worker or Club official properly in loco parentis. This could be a friend of the family, Club Welfare Officer etc.
- The Disciplinary Commission should be at a location and time that is convenient to the child.
- Restrict attendance at the Disciplinary Commission to as small a number of people as possible. This should be restricted to those who need to be present or have the right to be present only.
- Before the Disciplinary Commission, it may be appropriate to allow the child or young person to visit the room so that they can familiarise themselves with the layout.
- Make sure the young person is aware of the format and process they are about to be engaged in.
- CFA WO should be available at the Disciplinary Commission to advise/support the child or the Disciplinary Commission members. They cannot support both the child and the commission and their role must be limited to one of them. It must be clear which function they are fulfilling at the Disciplinary Commission.
- Physical layout of room can affect the proceedings and play a role in the effective engagement with the child – you could arrange chairs in two semi circles facing inward, avoid sitting behind tables.
- The members of the Disciplinary Commission should sit at the same level as other parties to encourage eye contact.
- Provision should be made for parents/carers to be able to sit next to their children.
- If the child is legally represented, they should be seated in a place that allows easy communication with their representative.

THE DISCIPLINARY COMMISSION

- At the beginning of the case, Disciplinary Commission members should introduce themselves and those present in the room.
- The Chairman of the Disciplinary Commission should briefly explain the role of each person.
- Address child by first name.
- Be aware of the impact body language can have e.g.
 - folded arms and peering over spectacles = negative
 - occasional nod / leaning forward = positive
- Remain seated throughout proceedings.
- If the Disciplinary Commission is lengthy, regular breaks should be taken.
- Proceedings should be inquisitorial rather than adversarial.
- Closed questions (those that allow a yes or no answer) and legal jargon should be avoided.
- Rephrase a question to simplify it, if the young person is finding it difficult to answer.
- Questions should be in plain English and at a level the child or young person can understand taking into account their age, maturity and intellectual and emotional development.
- Disciplinary Commission members should consider what information they are trying to obtain and how it is relevant to the case.
- The nature and extent of the questioning of any witness is under the control of the Chairman of the Disciplinary Commission.
- The Chairman of the Disciplinary Commission can and should intervene to prevent the child being questioned in a hostile way.
- The Chair should ensure that questions are short, simple and phrased in a language that the child can understand.
- The Chairman of the Disciplinary Commission should also ensure that anyone else present in the room conducts themselves appropriately.
- If a parent/carer has accompanied the child to the Disciplinary Commission, the Chairman of the Disciplinary Commission should make clear that the parent is there in a supporting role only and should not conduct the proceedings on behalf of the child.
- If the case is proven someone should talk directly to the child, encouraging him / her to confront their behaviour, taking responsibility for it and its consequences. As this is a sensitive area it is recommended that someone with the appropriate training should undertake this e.g. the CFA WO.

THE ASSOCIATION'S SAFEGUARDING CHILDREN POLICY

Every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from abuse. This is the responsibility of every adult involved in football, thus every club is required to endorse and adhere to The Association's Safeguarding Children Policy.

The Association recognises its responsibility to safeguard the welfare of children and young people who play or participate in football by protecting them from abuse and harm. The Association is committed to working to provide a safe environment for all children and young people to participate in the sport to the best of their abilities for as long as they choose to do so.

The Association recognises that the terms 'child or young person', 'abuse' and 'harm' are open to interpretation and challenge but for the purpose of this Safeguarding Children policy they are defined as follows:

A child or young person shall be defined as:

'anyone who has not yet reached their 18th birthday.'

Abuse shall be defined as:

'a violation of an individual's human or civil rights by any other person or persons and, for the purposes of safeguarding children, shall include physical abuse, emotional abuse, sexual abuse, neglect, bullying and hazing.'

Harm shall be defined as:

'Ill treatment and forms of ill treatment (including sexual abuse and forms of ill-treatment which are not physical) and also the impairment of or an avoidable deterioration in physical or mental health and the impairment of physical, intellectual, emotional, social or behavioural development.'

'Harm' may be caused by acts of commission and acts of omission.

The Safeguarding Children Policy is supported by The Association's Respect programme to address verbal abuse and bullying of youngsters by parents and coaches on the sidelines. The Association's Safeguarding Children Policy principles are that:

- The child's welfare is, and must always be, the paramount consideration;
- All children and young people have a right to be protected from abuse regardless of their age, gender, disability, culture, language, race, faith, belief or sexual orientation;
- All suspicions and allegations of abuse will be taken seriously and responded

to swiftly and appropriately; and

- Working in partnership with other organisations, children and young people and their parents and carers is essential.

The Association is committed to working in partnership with the Police, Children's Services Departments, Local Safeguarding Children's Boards (LSCB) and the Disclosure and Barring Service (DBS) in accordance with their procedures. This is essential to enable these organisations to carry out their statutory duties to investigate concerns and protect all children and young people.

The Association's Safeguarding Children Policy is in response to government legislation and guidance, developed to safeguard the welfare and development of children and young people.

Clubs and Leagues with youth teams must appoint a Welfare Officer in line with The Association affiliation requirements. A Club's Welfare Officer must sit on the management committee of that Club.

THE ASSOCIATION'S POLICY ON SAFEGUARDING ADULTS AT RISK DEFINITIONS

For the purpose of this Policy the following definitions apply:

1. Adult at at Risk¹

Means any adult who is or may be in need of community care services by reason of mental health issues, learning or physical disability, sensory impairment, age or illness and who is or may be unable to take care of him/herself or unable to protect him/herself against significant harm or serious exploitation.

2. Abuse

Abuse is defined as a violation of an individual's human and civil rights by any other person or persons. It includes acts of commission (such as an assault) and acts of omission (situations where the environment fails to prevent harm). Abuse may be single act or omission or series of acts or omissions.

3. Capacity²

Capacity refers to an individual adult's ability to take a specific decision or take a particular action at a particular time even if they are able or not able to make other decisions at other times. The starting point should be that the person has capacity to make a decision unless it can be established that they cannot.

POLICY

The Association is committed to football being inclusive and providing a safe and positive experience for every adult participant involved in the game regardless of age, gender, gender reassignment, disability, culture, language, race, faith, belief or sexual orientation.

The Association recognises that some adult participants some may need additional safeguards and/ or protection. These adults are referred to as Adults at Risk.

The Association recognises its responsibility to safeguard and protect Adults at Risk, and to respond appropriately to any allegations or suspicions of abuse. Everyone who works with Adults at Risk has a responsibility to commit to this.

If abuse is suspected, or reported, The Association will work in partnership with the Adult at Risk wherever possible, depending on their capacity and the risk to them and others. The Association will also work in partnership with the police, the Disclosure and Barring Service, Safeguarding Adults Boards and local authorities

so these organisations can carry out their statutory duties to safeguard and protect Adults at Risk. When responding to abuse or allegations of abuse and considering the sharing of information, The Association will put the needs of the adult first, work in their best interests and take into account the six principles of safeguarding adults detailed in the Care Act 2014: empowerment; protection; prevention; proportionality; partnership; and accountability. These principles will underpin all work with Adults at Risk.

In assessing that suitability, the welfare of Adults at Risk is the paramount consideration. Towards this, The Association has the power under the Safeguarding Adults at Risk Regulations to issue an order where any one or more of the following applies:

- (i) The individual fails to comply with any part of The Association's Criminal Records Check (CRC) process;

 - 4.1 Notification that an individual has been charged with an Offence;
 - 4.2 Notification that an individual is the subject of an investigation by the Police or any other authority relating to an Offence; or
 - 4.3 Any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to an Adult at Risk

The Association shall have the power to make any interim order including, but not limited to, issuing an interim suspension order suspending the individual from all or any specific football activity for such a period and on such terms and conditions as it considers appropriate. Interim orders shall be issued by the Case Manager, who shall provide the individual with written notification of the interim order, the reason(s) for its imposition and of the right of appeal pursuant to Regulation 7.

- 5.1 In determining whether an order under Regulation 4 should be made, the Case Manager shall give consideration, inter alia, to the following factors
 - 5.1.1 Whether Adults at Risk may be at risk of harm from the individual
 - 5.1.2 Whether the matters are of a serious nature; and/or
 - 5.1.3 Whether an order is necessary or desirable to allow the conduct of any investigation by The Association or any other authority or body to proceed unimpeded having regard to the need for any suspension order to be proportionate.
- 5.2 An interim order may be issued without prior notice to the individual where, having given consideration to the factors set out in Regulation 5.1, the Case Manager considers that an interim order should be imposed immediately.
- 5.3 All interim orders will be reviewed by the Safeguarding Review Panel at the earliest available opportunity following the imposition of an interim order. The Panel may ratify, modify or remove any interim order, or make any other order as it considers appropriate.
- 6 The total period of an interim order under Regulation 4 shall not last beyond the final determination of any related case under the Rules of The Association. An interim order will be reviewed by the Panel at the first opportunity following the expiry of 6 months from the date of the order being

imposed, and at the same interval thereafter.

- 7 The Association may appeal against any decision of the Safeguarding Review Panel made under Regulation 5.3.
Any individual subject to an interim order under Regulation 4 may appeal against it as follows:
 - 7.1 In the event that the interim order was imposed without notice pursuant to Regulation 5.2, the individual shall have an immediate right of appeal following the decision of the Safeguarding Review Panel; or
 - 7.2 In the event that the interim order was imposed following the individual having been given an opportunity to make written representations as to why the order should not be imposed, the individual shall have a right of appeal once the period of three months from the imposition of the interim order by the Case Manager has elapsed. The opportunity to make written representations shall be in accordance with the deadline set by the Case Manager for such written representations to be made.
- 8 Appeals under Regulation 7 shall be considered by the Safeguarding Review Panel. None of the members of the Safeguarding Review Panel hearing the appeal shall have been a member of the Safeguarding Review Panel which conducted the initial review under Regulation 5.3.
- 9 To bring an appeal under Regulation 7, the appellant, where an individual, must give notice in writing to The Association's Judicial Services Department with a copy sent to the Case Manager; where The Association is the appellant, it must give notice in writing to The Association's Judicial Services Department with a copy sent to the individual. In each case the notice must request an appeal and state the grounds for that appeal. The appellant may submit any written material in support of the appeal. Such material must be submitted to the respondent (who will be either The Association or individual as appropriate) and the Safeguarding Review Panel within 14 days of giving such notice or it may not be considered by the Safeguarding Review Panel.
- 10 The Safeguarding Review Panel shall determine all procedural matters for the conduct of the appeal, including requiring more information from either the appellant or the respondent. Unless the Safeguarding Review Panel in its discretion exceptionally allows the appellant and the respondent to address it in person, the Safeguarding Review Panel shall only consider the written material submitted by the appellant in support of the appeal, together with any written material submitted by the respondent.
- 11 In determining an appeal, the Safeguarding Review Panel shall have the

power to make any order in relation to the interim order as it considers appropriate, including ratifying, modifying or removing it.

- 12 Any appeal under Regulation 7 shall be determined by the Safeguarding Review Panel at the earliest opportunity, following the receipt of notice in writing and any written material in support of the appeal from the appellant and written material submitted by the respondent.

Any such order shall be issued by the Case Manager.

- 14.2 The Case Manager shall notify the individual in writing of the order and shall invite the individual to make any written representations within 14 days as to why the order should not be ratified by the Safeguarding Review Panel.
- 14.3 All such orders shall be reviewed at the next meeting of the Safeguarding Review Panel. In reviewing the order the Safeguarding Review Panel shall consider any written material submitted by the individual in accordance with Regulation 14.2, together with all written material submitted by the Case Manager. - 15.1 The Association's Safeguarding Review Panel shall have the power to make any order in respect of any individual convicted of, or made the subject of a

caution in respect of, an Offence, including but not limited to a suspension from all or any specific football activity for such period and on such terms and conditions as it considers appropriate.

- 15.2 Where a case is to be considered by the Safeguarding Review Panel under Regulation 15.1, the Case Manager shall notify the individual in writing and shall invite the individual to make any written representations within 14 days.
- 15.3 Before making any order under Regulation 15.1, the Panel shall consider all information gathered in respect of an individual including, where applicable, information gathered pursuant to The Association's CRC process under Regulation 3, any written representations made by the individual under Regulation 15.2, together with all written material submitted by the Case Manager.

ORDER FOLLOWING RISK ASSESSMENT

16. In addition to The Association's powers under Regulations 4, 14 and 15 the Safeguarding Review Panel shall have the power to make any order that it considers appropriate, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate, if it is satisfied that the individual poses or may pose a risk of harm to Adults at Risk and/or that the individual is or was in a position of trust in relation to any person and has engaged in sexual activity and/or an inappropriate relationship with that person.
17. Cases may be referred to the Safeguarding Review Panel in order to seek an order under Regulation 16 by the Case Manager where the Case Manager has reasonable cause to suspect that there are grounds for concern about an individual's continued participation in football activity involving Adults at Risk
18. The Case Manager shall reach this decision on the basis of a risk assessment of that individual's suitability for such participation. This risk assessment may be in such form and prepared by any person, as the Case Manager at his/her discretion, considers appropriate.
19. Before a referral is made under Regulation 17, the Case Manager must use reasonable endeavours to notify the individual in writing. Such written notification must explain the order sought and the reason for it, and include a copy of the risk assessment and all other written material that the Case Manager intends to rely upon in seeking the order, save for any exceptional material dealt with under Regulation 25.

20. The individual shall have 14 days to reply to this notification and to provide any written material that he/she wishes the Safeguarding Review Panel to take into account in considering whether or not to impose any order under Regulation 16.
21. Following the receipt of the reply and/or written material from the individual, or the expiry of the 14 day period if no reply is received, the Case Manager may:
 - 21.1 Decide that no further action is currently required as there are no longer grounds for a referral under Regulation 17;
 - 21.2 Make any such further inquiries as he or she considers appropriate in light of any matters raised by the individual in response to the written notification; or
 - 21.3 Refer the case to the Safeguarding Review Panel under Regulation 17.
22. Where further inquiries are made by the Case Manager, any written material arising from those inquiries may only be relied on by the Case Manager in applying for any order under Regulation 16 if that written material has been sent to the individual and he or she has had 14 days to reply to it, save for any exceptional material dealt with under Regulation 25. If the written material is relied upon, any response by the individual must also be considered by the Safeguarding Review Panel.
23. The Safeguarding Review Panel shall determine all procedural matters for the conduct of a case referred to it under Regulation 17. Unless the Safeguarding Review Panel in its discretion exceptionally allows the individual and the Case Manager to address it in person, the case shall be considered on the basis of the following written material only:
 - 23.1 The written notification and all written material provided with it by the Case Manager to the individual;
 - 23.2 The reply, if any, and all other written material submitted by the individual in response to the written notification;
 - 23.3 Any further written material provided by the Case Manager to the individual subsequently to the written notification; and
 - 23.4 Any response from the individual to such further written material and all other written material submitted with that response.
24. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person, whether that be as a result of

an application made by either party or otherwise, the Safeguarding Review Panel shall give consideration, inter alia, to the following factors:

- 24.1 Whether the terms of any order under consideration would affect the individual's paid employment within football;
- 24.2 Whether exceptional material is to be put before the Safeguarding Review Panel; and/or
- 24.3 Whether an oral hearing has previously been conducted pursuant to Regulation 10 in relation to the same matter.

EXCEPTIONAL MATERIAL

- 25.1 In considering an interim order under Regulation 5.3, an appeal against an interim order under Regulation 7 or whether or not to make any order under Regulation 16, as a general rule the Safeguarding Review Panel may not consider any material provided by either the Case Manager or the individual which the other party has not seen and had a reasonable opportunity to reply to.
- 25.2 Exceptionally, in respect of any of the matters set out at Regulation 24.1, the Case Manager may make an application to an Exceptional Material Panel for permission to submit material to the Safeguarding Review Panel that has not been sent to the individual ("exceptional material"), where the Case Manager considers that the exceptional material concerned should not be sent to the individual for any one or more of the following reasons:
 - 25.2.1 Revealing it to the individual may create a risk of harm to any person or persons, and/or
 - 25.2.2 Revealing it to the individual may amount to a criminal offence or otherwise be unlawful.
- 25.3 Where the Case Manager makes an application to an Exceptional Material Panel for permission to submit exceptional material to the Safeguarding Review Panel under Regulation 25.2, the Case Manager shall give notice of the application to the individual in writing at least fourteen days before the Exceptional Material Panel considers the application, unless the Case Manager considers that such written notice should not be given, as to give such notice may in itself:
 - 25.3.1 Create a risk of harm to any person or persons; and/or
 - 25.3.2 Amount to a criminal offence or otherwise be unlawful.
- 25.4 Any reply by an individual to a notice referred to in Regulation 25.3 must be passed to the Exceptional Material Panel for consideration.

- 25.5 The Exceptional Material Panel may, at its discretion, allow or reject the application in whole or in part.
- 25.6 In the event that the Exceptional Material Panel grants an order allowing the exceptional material to be submitted to the Safeguarding Review Panel, the Exceptional Material Panel shall give consideration as to whether either or both of the following may be provided to the individual:
- 25.6.1 A redacted version of the exceptional material; and/or,
 - 25.6.2 A summary of the exceptional material.
- 25.7 An Exceptional Material Panel shall be made up of one or more of the members of the Safeguarding Review Panel. A person that sits on an Exceptional Material Panel determining an application under Regulation 25.2 in relation to a particular individual may not be a member of the Safeguarding Review Panel that will have conduct of the case referred under Regulation 17 in relation to that individual.

SUPERVISION ORDERS

26. Unless otherwise discharged, a Supervision Order will last for the length of time ordered by the Panel. Before its expiry, The Association may apply for an extension, or further extensions, for a period not exceeding 3 years from the date of the first order

OTHER ORDERS AVAILABLE FOLLOWING RISK ASSESSMENT

27. Following a referral under Regulation 16, in addition to its ability to make an order under Regulation 17, the Safeguarding Review Panel may make any other order consistent with the aims of the Adults at Risk Policy that it considers appropriate in the circumstances.

RIGHT OF APPEAL

- 28.1 A Participant or The Association may appeal to an Appeal Board any decision of the Safeguarding Review Panel made under Regulations 14.1.3, 15 or 16. Subject to Regulation 28.2, such appeals shall be conducted in accordance with the Regulations for Football Association Appeals. Subject to this right of appeal, decisions of the Safeguarding Review Panel shall be final and binding.
- 28.2 Notwithstanding paragraph 2.5 of the Regulations for Football Association Appeals, an Appeal Board convened to hear an appeal pursuant to Regulation 27.1 may in exceptional circumstances order that the appeal takes place as a full rehearing of the case. In exercising this discretion the Appeal Board shall give consideration, inter alia, to the following factors:

- 28.2.1 Whether the terms of any order imposed affect the individual's paid employment within football;
 - 28.2.2 Whether exceptional material was put before the Safeguarding Review Panel; and/or
 - 28.2.3 Whether an oral hearing was conducted by the Safeguarding Review Panel in making its decision.
- 28.3 The decision of the Appeal Board as to whether to grant a full rehearing of the case shall be final and binding.

The aim of this policy is to ensure that everyone is treated fairly, with respect and that The Huntingdonshire FA is equally accessible to all.

All participants should abide and adhere to this Policy and to the requirements of the Equality Act 2010.

The Huntingdonshire FA's commitment is to promote inclusion and to confront and eliminate discrimination whether by reason of age, sex, gender reassignment, sexual orientation, marital status or civil partnership, race, ethnic origin, religion or belief, ability or disability, pregnancy and maternity and caring responsibility, as well as to encourage equal opportunities.

This Policy is fully supported by the Board of The Huntingdonshire FA and the County Development Manager is responsible for the implementation of this policy.

The Huntingdonshire FA is also committed to promoting equality by treating people fairly and with respect, recognising that inequalities may exist, by taking steps to address them and by providing access and opportunities for all members of the community.

The Huntingdonshire FA will not tolerate harassment, bullying, abuse or victimisation of a participant, which for the purposes of this Policy and the actions and sanction applicable is regarded as discrimination, whether physical or verbal. GOALPOST AND PITCH SIZES

The FA receives many enquiries around pitch and goal sizes suitable for all age groups and therefore recommends the following should be applied where possible:-

Age Grouping	Type	Recommended size of Goal Posts		Maximum Recommendation without runoff		Recommended size including runoff (Safety area around pitch)	
		(Height x width) ft	(Height x width) ft	(Length x width) yds	(Length x width) yds	(Length x width) yds	(Length x width) yds
Mini-Soccer U7/U8	5 v 5	6	12	40	30	46	36
Mini-Soccer U9/U10	7 v 7	6	12	60	40	66	46
Youth U11/U12	9 v 9	7	16	80	50	86	56
Youth U13/U14	11 v 11	7*	21*	90	55	96	61
Youth U114/U15	11 v 11	8	24	100	60	106	66
Youth U16/U17	11 v 11	8	24	110	70	116	76
Over 18 Senior Ages	11 v 11	8	24	110	7	116	76

Note: County FAs and Leagues may have defined rules for their own competitions and reference should always be made to their handbooks for additional guidance and compliance.

The FA recommends that run-off's for natural grass pitches should be a minimum of 3 yards (or 3 metres) all around the pitch. For those clubs playing in the football pyramid the minimum safety run off is 1.83 metres (6 feet) but ideally at least 2 metres. If a new ground is to be constructed at least 3m should be provided.

The run-off must be of natural grass and must not be of tarmac or concrete construction, with no barriers or obstructions evident within the run-off area. If Football Turf (3G) is to be used as a run-off, this should be constructed to meet the performance standards of full size pitches and be green in colour.

Where pitches neighbour others within a confined area, the minimum run-off between both pitches should ideally be 6 yards to allow for spectators watching either match.

The Laws of the Game may be modified in their application for matches for players of under 16 years of age, for women footballers, for veteran footballers (over 35 years) and for players with disabilities.

Any or all of the following modifications are permissible:-

- (a) the size of the field of play
 - (b) the size, weight and material of the ball
 - (c) the width between the goalposts and the height of the crossbar from the ground
 - (d) the duration of the periods of play
 - (e) substitutions
- * If a pitch is to be provided for U13/14 it is recommended that 7 x 21 goalposts are provided. However, it should be noted that 8 x 24 would also be acceptable as not all sites will be able to provide specifically for this age group

LINE MARKING

Multi-line Marking on Single Pitches

FIFA rules stipulate (Law 1 The field of play) that where 3G Football Turf pitches are being used 11v11 adult pitch should be marked in white. Other lines are permitted provided that they are of a different colour and clearly distinguishable. The lines must be of the same width which must not be more than (12cm) 5 inches. The FA have produced guidance documents for natural and football turf pitches that include recommended colours and how pitch dimensions and layouts can be implemented. These documents are available on The FA website.

As a quick guide the following colours are recommended when marking pitches:

- Red Mini Soccer U7 & U8 (5v5)
- Yellow Mini Soccer U9 & U10 (7v7)
- Blue U11 & U12 (9v9)
- White other age groups & adult (11v11)

THIRD GENERATION (3G) FOOTBALL TURF PITCHES

There continues to be significant interest in the use of Third Generation Football Turf Pitches (3G) for clubs in the National League System and below.

Much of this interest, both from leagues and clubs within the non-League pyramid, seeks to understand The FA's position regarding the sanction of these pitches, particularly in FA Competitions.

The FA Board and Council have now approved the use of such pitches in all FA competitions.

- FA Cup
- FA Trophy
- FA Vase
- FA Youth Cup
- FA Women's Super League, FA Women's Premier League, FA Women's Cup and FA WSL Continental Cup
- FA Sunday Cup
- FA County Youth Cup

The use of such pitches is however dependent on compliance with conditions of use – a copy of these is available for download and should be read in association with these notes.

It has been agreed that matches for steps 3 - 6 of the National League System, Womens Super League and FA competitions may be played on 3G Football Turf Pitches that conform to the FIFA 1 star/Quality performance standard, or the equivalent International Artificial Turf Standard (IATS)/ International match standard (IMS). (see specific notes in the league rules relating to steps 1 and 2 and the FA Cup competition rules relating to first round 'proper' fixtures involving professional clubs)

To qualify for use, the pitch must be certified annually as meeting the FIFA 1 Star/ Quality or IATS/IMS Standard and listed on the FA's Register of 3G Football Turf pitches. The relevant certificate or report must be supplied to The FA and relevant competition for approval before play is allowed.

3G Football Turf pitches are also allowed to be used for matches for Step 7 and below (including youth competitions) subject to the pitch meeting the correct performance criteria (relaxed from the FIFA 1 star /Quality standard) and appearing on the FA 3G register. A pitch must be tested (by an accredited test institute) every three years and the certificate or report passed to the FA. The FA will give a decision on the suitability for use and add the pitch to the Register.

Clubs should make their own risk assessment of whether such an installation is plausible or not given their individual circumstances and depending on the volume of use. There is a risk that pitches may deteriorate over time and may not achieve the required standards at each period of retesting especially if the pitch has significant use and is not maintained appropriately.

It is suggested that clubs negotiate suitable longevity warranties from the pitch manufacturers to ensure that the pitch will last in line with the club's business plan and intended usage levels. A sinking fund should be established to ensure

sufficient funds are available when the surface needs replacing.

Clubs are encouraged to understand the full maintenance required, which may be necessary to validate any warranty. The FA have found that most pitches that fail the performance test have insufficient maintenance. These pitches are not maintenance free and it is recommended that 1 hours maintenance is provided for every 10 hours use. This should increase for high activity use such as youth competitions or school use.

The FA together with representatives from the industry have prepared information regarding the design, installation, construction, maintenance and testing of Football Turf Pitches and The FA Facilities team can also offer advice to clubs considering installation. This information can be accessed within the facilities section of The FA's website www.TheFA.com.

GOALPOST SAFETY GUIDELINES

Updated June 2017

The Football Association, along with the Department for Culture, Media and Sport, the Health and Safety Executive and the British Standards Institution, would like to draw your attention to the following guidelines for the safe use of goalposts.

Several serious injuries and fatalities have occurred in recent years as a result of unsafe or incorrect use of goalposts. Safety is always of paramount importance and everyone in football must play their part to prevent similar incidents occurring in the future:

1. For safety reasons goalposts of any size (including those which are portable and not installed permanently at a pitch or practice field) must always be anchored securely to the ground or have a weighted back bar.
 - Portable goalposts must be secured as per the manufacturer's instructions; this is also a requirement for the Laws of the Game.
 - Under no circumstances should children or adults be allowed to climb on, swing or play with the structure of the goalposts;
 - Particular attention is drawn to the fact that if not properly assembled and secured, portable goalposts may overturn; and
 - Regular inspections of goalposts must be carried out to check that they are properly maintained.
2. Portable goalposts should not be left in place after use. They should be either dismantled and removed to a place of secure storage, or placed together and suitable fixings applied to prevent unauthorised use at any time.
3. The use of metal cup hooks on any part of a goal frame was banned from the commencement of season 2007-08 and match officials have been instructed not to commence matches where such net fixings are evident for safety reasons. Nets may be secured by plastic fixings, arrow head shaped plastic hooks or tape but not by metal cup hooks. Any metal cup hooks should be removed and replaced. New goalposts purchased should meet the relevant British Standards.
4. Goalposts which are "home made" or which have been altered from their original size or construction should not be used under any circumstances as they potentially pose a serious safety risk
5. There is no BS/CEN standard for wooden goals and it is unlikely that wooden goals will pass a load or stability test. The FA recommends that wooden

goals should be replaced with British Standard compliant metal, aluminium or plastic goalposts. All wooden goals previously tested by independent consultants have failed strength and stability tests.

For reference, you should note that The FA and BSI, in conjunction with the industry, have developed two standards for goalposts – BSEN 748 (2013) BS 8461:2005 +A1: 2009 and BS 8462: 2005 +A2: 2012. It is strongly recommended that you ensure that all goals purchased comply with the relevant standard. A Code of Practice BS 8461 has also been completed and copies of all of these standards are available from the BSI.

Funding for the replacement of unsafe goals is available via the Football Foundation and eligibility criteria and further details can be obtained from their website.

The FA together with representatives from the industry, sports governing bodies and Government have prepared guidance notes for pitch users and pitch providers, which summarise the key priorities of the BSI's Code of Practice and provide further details on the information included above. These details are featured within the facilities section of The FA's website – www.TheFA.com

REMEMBER TO USE GOALPOSTS SAFELY AT ALL TIMES

RESPECT

Respect is The FA's response to a clear message from throughout the game, that the health of football depends upon high standards of behaviour on and off the pitch.

KIT AND ADVERTISING REGULATIONS

Introduction

These Regulations are made pursuant to FA Rule J2 and The Association's Regulation's for the Registration and Control of Referees.

All references to a club or clubs in these Regulations include any team, whether or not part of a club.

Clubs participating in International competitions must also comply with all relevant regulations of FIFA, UEFA and other Confederations.

It is recommended that clubs and football boot and clothing manufacturers seeking clarification of any of the regulations do so by referring to the specific competition rules and The Association.

We would encourage clubs and football boot and clothing manufacturers to seek feedback at the earliest possible time, in relation to designs and advertising from The Association and their specific competition. Clubs and manufacturers are reminded to obtain the necessary permissions before manufacture.

The Association have produced an on-line version of these regulations providing a practical guide on how to apply these formal regulations. This can be found at www.TheFA.com/football-rules-governance/more/kitadvertising

"Clothing" means the Match clothing of a Player, Club Official or Match Official and shall include without limitation shirts, shorts, socks, undershorts, t-shirts (or any other item of clothing worn under the shirt), sweat-bands, headbands, caps, tracksuits, gloves, waterproofs, sweat tops, sock tie-ups. Also, any outer garments worn by substitutes and Club Officials in the Technical Area at any time. Save where stated to the contrary, football boots are not considered as clothing.

"Football boots" means any footwear worn during the period of a Match by a Player

or Match Official.

[Note: In calculating the area of any advertising referred to in these Regulations, the usual mathematical formula will be used, and any outlines or box surrounds of the relevant designation, message, name, logo, emblem or mark, and all included space, shall be considered as part of the area of advertising. Please see the examples set out at the back of the Kit and Advertising regulations booklet. If any further guidance is needed, or a copy of the booklet, please contact The Association at: sanctioning@thefa.com.

A. GENERAL

1. Save as set out in these Regulations, advertising on clothing and football boots is prohibited during the period of a Match. This applies to Players, including substitutes, any others in the Technical Area, including Club Officials and to Match Officials. The rules of an Affiliated Association or Competition may provide that for matches under their jurisdiction a Club is obliged to obtain permission for any of the advertising listed in Section C below, subject always to these Regulations. Clubs must seek the permission of the Competition organiser in order to wear any items of clothing during any pre-match warm-up bearing a slogan or message not otherwise covered by these regulations e.g. a message of support regarding an ill team-mate.
2. Where the rules of an Affiliated Association or Competition require a Club to obtain permission under A(1), a new application for permission must be made to the appropriate body each time it is proposed to amend the advertising. Subject to the provisions of Section B2 and Section C(5) below, or any relevant provisions of the appropriate Competition, there is no restriction on the number of such applications that may be made during the course of each season.
3. Disciplinary action in accordance with the Rules may be taken against a Club, Player, Club Official or Match Official for any breach of these Regulations.
4. The appearance on, or incorporation in, any item of clothing (including football boots) of any distasteful, threatening, abusive, indecent, insulting, discriminatory or otherwise ethically or morally offensive message, or any political message, is prohibited. The advertising of tobacco products is prohibited.
5. A Club shall observe all recognised advertising standards and in particular those of the Advertising Standards Authority.
6. Advertising entailing the use of numerals is permitted only if such numerals clearly form part of the advertising and cannot in any way be confused with Players' shirt numbers.

7. No colour or design may be used in advertising that might create problems of identification for Match Officials and/or opponents. The colour and design of the clothing of opponents, goalkeepers and match officials must be taken into account.
8. Without limiting the effect of the above, in the case of a team comprising players all under the age of 18 years on 31 August in the current season, the appearance on or incorporation in any item of clothing of any reference whatsoever to a product, service or other activity which is considered by The Association as detrimental to the welfare, health or general interest of young persons, or is otherwise considered inappropriate, having regard to the age of the players, is prohibited.

It is the view of The Association that examples of such products, services or related activities would include, but are not limited to, age restricted products, services and related activities such as alcohol and gambling. Generally, reference to a public house or restaurant may be permissible, unless the establishment primarily or exclusively exists for the supply and consumption of alcohol (which is likely to be reflected in its alcohol licensing conditions). Alcoholic drinks, breweries and products, services or activities related to gambling are unlikely to be permissible under any circumstances.

Prior to entering into any contractual agreement with a product, activity or service that may be considered to be detrimental or inappropriate to young persons, clubs should contact The Association to seek approval.

9. Any issues arising in relation to the interpretation or effect of these Regulations shall be referred to The Association for its determination, which shall be final and binding (subject to provisions relating to Match Officials).
10. A Club shall supply on demand to The Association any item of clothing for consideration as to whether it complies with these Regulations.

Sin Bins

Temporary Dismissals - otherwise known as 'sin bins' - will become mandatory for matters of dissent across all of grassroots football from the 2019/20 season.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go in to the sin bin for dissent cautions

For use of words or gestures questioning or undermining the ref's decisions

EXAMPLES OF DISSENT

- Shouting at the ref
- Questioning ref's ability
- Slamming the ball in to the ground
- Sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:

- 1st half:** Continues into 2nd half
- 2nd half:** Continues into extra time
- Extra time:** Player can participate in penalties

THE MATCH DAY PROCESS

Dissent

Dissent caution: Ref issues a yellow card and directs the player to the touchline

Player can't be substituted until period expires and not if all subs have been made

Whilst in the sin bin, if the player commits a yellow or red card offence they can't take any further part in the game and can't be substituted

If the player commits a 2nd dissent caution and has already been booked, they will take no further part in the game and can't be substituted

If the player commits a 2nd dissent caution and no other offences, they will receive a 2nd sin bin. After which they can't take any further part in the game but can be substituted

If the player commits a yellow card offence on the field of play in addition to a period in the sin bin, they will continue to play

Ref decides when player returns to play

FOUL AND ABUSIVE LANGUAGE IS STILL A RED CARD OFFENCE!

Summary Points

A concussion is an injury to the brain

While injury to the brain can be fatal, most concussions recover completely with correct management

All concussions should be regarded as potentially serious and should be managed in accordance with the appropriate guidelines

Incorrect management of concussion can lead to further injury

Anyone with any concussion symptoms following a head injury **must** be removed from playing or training

Loss of consciousness does not occur in the majority of concussions

Return to education or work must take priority over return to play

There must be no return to play on the day of any suspected concussion

A progressive exercise program that introduces an individual back to sport in a step-wise fashion is recommended after a concussion

An injury to the cervical spine (neck) may occur at the same time as a concussion and normal principles of cervical spine care should also be followed
