1. REPRESENTATIVE TEAMS

- 1.1. A player representing Jersey at any youth age group from Under 16 level through to Under 21 level in an official island competitive match shall be entitled to a Junior Island Cap and a pin badge on the first occasion of representing Jersey. Subsequent appearances at all levels will be rewarded with a pin badge. Representing Jersey is defined as entering the field of play and participating in the fixture. This will include any Player sent off during a match. Unused substitutes will not qualify for a Cap. For the purposes of this rule, a "competitive match" is where the match is played for a trophy or is designated by the FA as a "Representative" competition. Caps and pin badges are not awarded for friendly matches. Pin badges will show the year in which the fixture was played and will be colour coded to show the category of fixture as agreed by the Board.
- 1.2. A player representing Jersey at senior football in an official island competitive match shall be entitled to a Senior Island cap and a pin badge on the first occasion of representing Jersey. Subsequent appearance at all levels will be rewarded with a pin badge. Representing Jersey is defined as entering the field of play and participating in the fixture. This will include any Player sent off during a match. Unused substitutes will not qualify for a Cap. For the purposes of this rule, a "competitive match" is where the match is played for a trophy or is designated by the FA as a "Representative" competition. Caps and pin badges are not awarded for friendly matches or FA Inter-League Cup matches. Pin badges will show the year in which the fixture was played and will be colour coded to show the category of fixture as agreed by the JFA Board.
- 1.3. Clubs may request a postponement of a first team fixture if two or more of their senior Team have been selected for a Rep Team fixture.
- 1.4. Clubs may request a postponement of a junior fixture if three or more of their junior Players have been selected for a junior Rep Team fixture, in the same age group.
- 1.5. Consideration may be given to postponing a junior fixture scheduled for the day following a junior Rep Team fixture only if that junior Rep Team fixture is played off Island.
- 1.6. Clubs may request the postponement of a senior fixture if three or more of their junior Players who are senior registered are selected for a junior Rep Team fixture.
- 1.7. In the case of a Club requesting the postponement of a fixture involving a Team not covered by the registration system, the Player(s) in question must have played at least 50% of the games for that Team preceding the request.
- 1.8. All requests for postponements are to be made in writing to the Fixture Secretary for verification at the next Competitions Committee meeting. In the case of the request and the playing of the fixture falling between meetings, the Fixture Secretary will be solely responsible for making the decision.
- 1.9. All requests must be made at least 72 hours prior to the scheduled playing of the 'postponed' fixture. Exceptions will be made in the event of late call-ups.
- 1.10. All affiliated Clubs shall always be bound to place their players at the disposal of the Association for representative matches. No player selected to represent the Association in any match shall play or train with an affiliated Club during the five days preceding the date of the match for which he has been selected. Clubs failing to comply with this Rule shall be liable to be fined (in accordance with the Fines Tariff) or dealt with as the Management Committee shall determine.
