**Santander International Jersey FA Walking Football League Rules
SEASON 2022 – 2023**

INDEX AND INTRODUCTION

The Santander International Walking Football League is an opportunity for players to continue their competitive football career and stay active later into life. Although, the league is competitive with all teams aiming to win the league, our key focus is the fun and enjoyment of the players when playing, as well as prolonging the football careers of multiple players. While understanding all teams want to win, the Jersey FA want to prioritize the physical and psychological benefits participants feel.

To ensure The Santander International Walking Football League is fair and meets the needs of all participants, we have set several league rules. By participating in the competition, teams and their players agree to abide by the below rules.
