

Top tips for better accounting at your football club

- 1** | Make sure that more than one person has access to the finances and bank a/c.
- 2** | Make sure the bank account isn't in a personal name.
- 3** | Make a decision on how you will get paid electronically for more of your income.
- 4** | Plan how and when you will move to a **cloud accountancy system** (if you haven't already)
- 5** | Talk about finances regularly as a committee or directors.
- 6** | Set, track and **review** your club or league budget regularly.
- 7** | Check out **www.shapes.team** for more information and resources.
